

MARCH, 2023

# RUSSIAN PROGRAM NEWS

## INTERNATIONAL WOMEN'S DAY

March 8th is celebrated globally as a day to recognize the achievements of women internationally as well as show appreciation for all the hard working women in our lives. A Russian speaking pastry chef, Svetlana Remmer, was invited to teach a lesson in each Russian class at the high school level. Working together with Mrs. Remmer, students decorated their own cookies while learning about the process of pastry decorating. Students then took their cookies home to gift to a special woman in their lives.

## HIGH SCHOOL TO PSU

On March 10th, students from the high school had an opportunity to visit Portland State University.

Students were met by Professor Comer, the director of the Russian Flagship program at PSU, as well as current students of Russian Flagman program at PSU. Students were given a tour of the campus as well as information about the admissions process.

APRIL 30TH- LAST DAY TO SUBMIT FOR LOGO COMPETITION

MAY 13TH- RUSSIAN THEATRE PERFORMANCE "CATS AND MICE"

# Visit to PSU

Iustina Alagoz,  
12th grade student

*On March 10th, I had the opportunity to take a trip to Portland State University to learn about its unique programs, as well as the charming campus. Both the professors and students at Portland State gave us information on the Russian flagship program that is offered and other benefits of the school itself. I found this trip very insightful and was intrigued by the progress students make with the Russian language at Portland State. Everyone was very friendly and supportive in terms of building your education and other future milestones further with the offered programs and a second language. After this trip, I am further interested in pursuing my education at Portland State and using their resources to build on what I already have and know of the Russian language.*

## The competition for best logo design for our program is now open

**Russian language program logo competition**
