Dear Parents and Guardians,

Please find a draft copy of the Charleroi Area School District's Special Education Plan for the 2023-2026 School Years, as required by the Pennsylvania Department of Education – Bureau of Special Education. The Special Education Plan is part of the district's 6-year Comprehensive Plan that outlines current district supports, programs, and recommended services for the next 3 school years. Should there be any questions or suggestions related to this draft special education plan for the required 28-day public review period, please do not hesitate to contact me at any time.

Respectfully,

Carla Herrnberger
