

FES Supports Military Families

Florence Elementary School values the families that live in our community with ties to the military. We understand that military children go through unique circumstances and situations and we want you to know we are here to help.

Transition Planning

- Our counselor can provide individual and group counseling to children and families to address the impacts of military life. She may also provide education and coaching to teachers and staff.
 - We understand that students may feel nervous or anxious about starting a new school. Our student ambassadors are here to welcome your child, provide a school tour, assist with locating classes, and explain procedures and routines.
-

Student Led Transition Program

- Students that are part of a military family are invited to join our Military Stars club. This club meets every other month. Students are given the chance to interact with other students just like them.
-

Academic Planning

- The Florence Elementary handbook is available online. A link is available under resources.
 - Reading with your child is important. Please see the reading at home link under resources.
-

Exceptional Education Services

- We offer special education services and gifted education services at Florence Elementary. Please see the links to those services under resources.
-

Mental Health Services

- Mental health needs are important. In addition to a school counselor, we are able to help in other ways. Please see the link under resources for details.
-

Upcoming Military Recognition Events

- Florence Elementary School acknowledges and celebrates our military families and military history in a number of ways including Veterans Day events, displays of Veteran's, military family breakfasts, and more. To stay up to date with all of our events, contact Mrs. Delancy at ste506@rcsd.ms to be added to the Remind 101 Military Star group.
-

MS Military Star Contact

- The State of MS is proud of our military families. You can find a link to the state school liaison under resources.
