Communicable Disease Instruction (mandatory for those districts not electing to provide sex education and reproductive health instruction).

A. Communicable Disease Instruction

The Superintendent or designee will ensure that students are taught about dangerous communicable diseases. Instruction must include the principal modes by which dangerous communicable diseases, including, but not limited to, human immunodeficiency virus infection and acquired immunodeficiency syndrome, are spread and the best methods for disease restriction and prevention.

Instruction must be provided by qualified instructors as defined by state law. Instruction must stress that abstinence from sex is: (1) a responsible and effective method of preventing sexually transmitted diseases, and (2) a positive lifestyle for unmarried young people.

B. Revision to Materials and Methods of Instruction

Before revising curriculum about dangerous communicable diseases, the Board will hold at least 2 public hearings occurring at least 1 week apart on the proposed revisions.

C. Employee Responsibilities

Employees must comply with Policy 4209.
