Comprehensive School Safety Plan 2022-2023

Date the Safety Plan was approved: October 26, 2022

Education Code Section 35294 (SB 187)

“... all California public schools... in cooperation with local law enforcement agencies, community leaders, parents, pupils, teachers, administrators, and other persons who may be interested in the prevention of campus crime and violence, develop a comprehensive school safety plan that addresses the safety concerns...”safety plan” means a plan to develop strategies aimed at the prevention of, and education about, potential incidents involving crime and violence on the school campus.”

Comprehensive School Safety Plan Section 35294.2 of the California Education Code

This law states that each school district and county office of education is responsible for the overall writing and development of comprehensive school safety plans for its schools operating K-12 grades.

Each plan must be developed and approved by the School Site Council. The School Site Council may delegate this responsibility to a school safety committee planning committee. Each year the school site council will consult with the fire department in the revision of the plan, and will share updates of the plan with law enforcement and the fire department.

A comprehensive school safety plan includes strategies and programs designed to maintain a high level of school safety. Plans should address procedures for:

- Disaster Response
- Safe ingress and egress to/from school
- Reporting child abuse
- Sexual harassment
- School discipline
- Provisions for school-wide dress code
- Policies related to suspension, expulsion or mandatory expulsion, etc.
- Procedures for notifying teachers about dangerous pupils

Plans must be updated by March 1st each year and taken to the Board for approval.

Assessment of the Current Status of School Crime

Valencia Elementary does not experience high incidents of crime on campus or during school-related functions. The surrounding crime rate is low. Safety is a high priority at our school with no major safety hazards noted on campus or nearby at this time. The suspension rate is low at 0.9%. The chronic absentee rate was higher in the 21-22 school year due to COVID illnesses at 11.5%, up from 1.7%.

Appropriate Programs and Strategies that Provide School Safety

SAFE ROUTES TO SCHOOL

Arrival Procedures (for all grade levels):

1. Drop-offs should be made no earlier than 7:55 a.m.
 - In the east lot, please pull up as far as possible along the curb to keep traffic flowing.
 - Have your child ready to exit next to the curb. Please give your hugs before getting in the car and coming to school.
 - Please remember that if you are in the drop-off line, you must remain in the car at all times. This area has a RED CURB and is not to be used as a parking space.
 - The BLUE HANDICAP CROSSWALK in front of the office is not a regular crosswalk.
2. You may park in a DESIGNATED PARKING SPACE in the east parking lot and then walk your child to the front gate. If you choose to do this, be sure you are not blocking other cars attempting to drop off students along the curb. The drop off lane in the front parking lot is for buses and students with special needs only.
3. Please DO NOT drop your child off on the RED CURB in front of the school. If you do this it means they will have to cross in front of cars to reach the steps.
4. Please DO NOT MAKE A LEFT TURN into or out of either parking lot. Please approach the school from the east and take your turn in line. Maneuvering around cars in line is not permitted.

Dismissal Procedures:

1. Students walking home exit out of the front main gates.
2. Students being picked up in a vehicle will exit out of the east gate and line up along the retaining wall.
3. Bus riders exit out of the front main gates.
4. All students crossing streets or driveways will wait for crossing guards or valets to aid them in crossing.

Parking Lot Etiquette, Enforcement and General Safety Reminders:

- Due to the traffic problems on the street and in the driveways, you might consider leaving your home 5-10 minutes earlier to arrive at school on-time. Please note that the gates will open at 7:55 a.m. and close promptly at the 8:15 a.m. bell.
- Drive at a safe speed, 25-mph on the street when children are present and 5-mph in the driveway and parking lots.
- DO NOT drop your student off in the street and ask your child to walk across the street. This is both dangerous and illegal.
- U-turns and left turns out of both parking lots are PROHIBITED.
- REMINDER: Dogs (regardless of size or personality) are not allowed on campus.
- And last but not least, please be patient. When over 600 students arrive or leave, it will take some time and cooperation. If everyone follows the above guidelines, the drop-off and pick-up process will run more smoothly, and more importantly, our students will be safe.

Bicycle Riding:

Fourth, fifth, and sixth graders may ride their bicycles to school. Bike riders must have a signed bicycle permission slip from the office. After studying, they may take a test on the bicycle safety rules. If they pass, a bicycle permit will be issued to the student. Parents should know the school bicycle safety rules, and discuss and reinforce those rules with their student. Bike riders must wear a helmet and have a lock to secure their bike to the rack. Disregard for bicycle safety rules will result in the denial of the privilege of riding the bicycle to school.

Pedestrian/Walking:

Pedestrians are to use crosswalks and follow safe walking procedures on the way to and from school. Students are to show respect for property on the way to and from school. Students are encouraged to use corners where there are

crosswalks and follow safety laws at all times. A crossing guard is located after school at the corner of Tulare and 22nd St. as well as at Vallejo and 22nd St. An additional crossing guard is located to the west of Valencia to aid students.

Please note: The Upland Police Department will continue to support our school to keep students safe by patrolling during arrival and dismissal times, looking for cars speeding, parking illegally, and other unsafe behaviors.

SUPERVISION

Teachers and staff supervise the front of the school at arrival and dismissal. Duty Aides and teachers monitor the playground and lunch area. Visitors are required to sign in and out of the office, utilizing the Raptor system, and wear a visitor's badge at all times. The campus gates remain closed during school hours.

BEHAVIOR EXPECTATIONS

At the beginning of each school year the Positive Behavior Interventions and Supports (PBIS) team organizes classroom lessons and a campus-wide Hot Spot Rotation to review behavior expectations both in the classroom and at various locations around the campus. Every morning our Valencia Eagle expectations of Safety, Organization, Appreciation, Respect and Responsibility are announced in our morning news and students are recognized for exhibiting these behaviors in morning "shout outs". A Student/Parent handbook is included as part of the annual school registration materials and is posted on Valencia's website. It lists policies with regards to safety, behavior, school expectations, discipline, and school culture among other things. Parents sign a digital form at the beginning of each school year stating that they have reviewed the information with their child.

EMERGENCY PLAN

An emergency plan has been developed in the event of a natural disaster, fire or lock down. Drills are practiced once a month. Please refer to the Emergency Preparedness Plan.

Component 1: Narrative on School Climate

School Profile – Area of Pride and Strength

Valencia Elementary School is located in an established neighborhood in the most northern part of Upland. The student population is stable and the percentage of English Language Learners is relatively small. Currently there are 23 classrooms ranging from Transitional Kindergarten through sixth grade, plus two special education classrooms for students in grades one through six, and one Resource Specialist classroom. Valencia has approximately 585 students. The school community is very supportive, both through PTA and dedicated parent volunteers. The staff is committed to their students, and supports the implementation of PBIS. Valencia's positive behavioral statement of purpose is: "Valencia Elementary School is dedicated to promoting academic achievement and positive social behavior by creating a safe, nurturing community of students, staff and families. We are here to learn, grow, and become good citizens." Resources have been aligned to support student achievement and staff development activities are numerous.

The staff also includes a Speech and Language Pathologist, School Psychologist, School Health Technician, District Nurse, District PE teacher, Adaptive PE teacher, Occupational Therapist, Librarian, choral music teacher, and instrumental music teacher.

Valencia is proud of its band and music programs, as well as our implementation of Positive Behavior Intervention and Supports (PBIS) program. The staff has begun implementation of Multi-tiered System of Support to support students at all levels.

Valencia was one of 28 schools in California to be awarded the 2021 National Blue Ribbon Award for being an Exemplary Achievement Gap Closing School. Additionally, Valencia earned the PBIS Gold Implementation Award for the 2021-2022 school year. In 2004 Valencia Elementary was recognized for its great efforts in educating students with the California Distinguished School Award.

In 2016-2017, 2017-2018, 2018-2019, and 2020-2021 Valencia was awarded the Silver PBIS Implementation Award from the California PBIS Coalition for our dedication to the principles of PBIS and data that supports our implementation efforts. In 2019-2020, Valencia was awarded the PBIS Community Cares recognition for the outreach during the time of distance learning. Valencia was also a Kindness Certified School in 2017-2018 and 2018-2019.

Curriculum and Educational Activities

Common Core State Standards have been implemented in all classrooms in the areas of English Language Arts and Math. Curriculum is provided through our District to help support these standards. Valencia currently uses Houghton Mifflin (grades K-5), Study Sync (grade 6), and novels for English Language Arts; Houghton Mifflin Go Math is being used in classrooms for mathematics as well as Harcourt Brace for Social Studies. To address the new Next Generation Science Standards (NGSS), the science curriculum, TCI, was adopted districtwide. All classrooms have 1-to-1 Chromebooks and technology is a tool for students each day. New Chromebooks were received in November 2020. The online program iReady has been adopted by the district for use as adaptive benchmark assessments and individualized, supplementary lessons in English Language Arts and Mathematics. The curriculum is further enhanced through online programs such as Scholastic News, Discovery Ed, Mystery Science, Brain Pop, Google Apps for Education, and IXL. Many teachers have completed the Daily 5 online seminar and implement the Daily 5 structure into their ELA block of instructional minutes.

The School's Social Environment

Families are an integral part of the learning success of all students at Valencia. At the beginning of the year, Valencia's PTA provided a volunteer survey to all families allowing them the opportunity to volunteer for various events throughout the school year including Yearbook, Mileage Club, Movie Nights, and a Dance-a-Thon. At Back to School Night and TK/Kindergarten Orientation, families are given a personal invitation and explanation of how they can participate. Community members are seen often on campus in many roles, such as tutors, in the library, PTA committee work, book fairs, clerical assistants, going on field trips, helping with vision and hearing, height and weight, and school pictures. The Watch DOGS program was launched at Valencia in September 2018. Through this program fathers and father-like-figures volunteer to spend the day on campus serving as role models and an extra set of eyes and ears. PTA sponsors a variety of school promoted family activities such as an evening carnival, movie nights, monthly Take Your Family to Dinner Nights, and Book Fairs. The PTA fine arts "Reflections" program encourages students to excel in literature, art, photography and music. Grade level teams create activities, involving parents and the community, that bring the curriculum to life. Open House provides an opportunity for the community to experience what students have accomplished at Valencia throughout the year. All of these activities provide exceptional real-life experiences, which enhance the curriculum, involve parents and community and enhance social interaction. In 2021-2022, Valencia provides after school soccer for upper grade students as well as a once a week Homework Club for students of all grade levels.

Classroom Organization and Structure

Valencia hires and employs highly qualified teachers, many of whom hold advanced degrees. Staff establish safe, positive cultures within their classrooms and on the playground through PBIS positive intervention strategies and Social-Emotional Learning lessons and activities. Grade levels meet together on a weekly basis to develop lesson plans and assessments as well as activities such as field trips. Data Days are held twice yearly to allow for individual, grade-level, and schoolwide data mining and reflection on data as part of the continuous growth cycle process. Classes are balanced with regard to gender, EL learners and GATE students. Teachers work hard to provide a solid academic foundation for all students by teaching grade level standards using district-adopted curriculum, differentiating their instruction with evidence-based practices to meet the needs of all students, using formative assessment to assess students' mastery and adjust instruction as needed.

Professional Development

Professional Development takes place both at the school site during Staff Meetings and at the District Office through our Professional Development department. Topics covered include: implementation of the Common Core Standards, technology, math, English Language Arts and strategies to use with ELL students. Teachers are also encouraged to take part in outside professional development opportunities such as workshops and trainings. At the beginning of each year, the Safety Plan is reviewed schoolwide and updated as necessary.

School Cultural Environment

Valencia Elementary School welcomes approximately 585 students from a variety of backgrounds. The culturally diverse population consists of approximately 10.2% Asian, 1.9% Filipino, 1.7% Black, 35.1% Hispanic, and 44.3% White, and other not reported; Valencia students speak 13 different languages. Valencia's goal is that all students will acquire and apply knowledge. Student achievement results will show mastery of standards by individual students as well as by student sub-groups. Valencia supports this statement with our behavioral statement of purpose, "Valencia Elementary School is dedicated to promoting academic achievement and positive social behavior by creating a safe, nurturing community of students, staff and families. We are here to learn, grow, and become good citizens." The school community vision is reflected in our goals written in our School Plan for Student Achievement.

Discipline Policy and Code

While each student is responsible for his/her own actions, families and staff both have an essential part in helping a student develop responsibility. Safe and orderly behavior is both a necessary condition and an important goal of learning and are rewarded via the school's PBIS token economy. Students earn eagle Bucks for exemplifying our S.O.A.R.R. expectations and are able to spend them at the S.O.A.R.R. Store.

In an effort to ensure safety for the school community and to help all students to develop individual responsibility, schoolwide and classroom matrices identify the positive behavior expectations for students in a variety of school settings, such as the playground, hallway, cafeteria, and restrooms.

School-wide Behavior Expectations

Rules of the district pertaining to student discipline are included in required notifications sent separately in the first day packets. Pupils are required to obey all directions, be diligent in study and respectful to teachers and others in authority, and refrain from the use of profane and vulgar language. (Education Code 35291)

The staff at Valencia is committed to providing a safe and pleasant learning environment for all students. The School Discipline Plan identifies five principles for behavior. The staff teaches and reinforces the principles and specific rules throughout the school year.

Our S.O.A.R.R. Behavior expectations are:

1. Safety
2. Organization
3. Appreciation
4. Respect
5. Responsibility

These are introduced and reviewed with all students at the beginning of the year and announced every day in the Morning Message. Students are expected to adhere to these at all times and are rewarded when expectations are met.

GENERAL RULES:

- Fighting, rock throwing or any other type of aggressive behavior, including “pretend fighting”, is not permitted.
- Students are to stay on campus during school hours. Permission must be obtained from parents via the school office before a student may leave campus for any reason.
- Possession of dangerous objects, such as knives, guns, ammunition, drugs, tobacco, fire-crackers, matches, etc., on school ground is against the law.
- Teacher approval must be obtained in order to bring personal property (sports equipment, toys or games) to school.
- Bicycles must be walked on school grounds and in front of the school.
- Skateboards, “Heelys” and skates are not permitted.
- All students are expected to participate in an activity during recess.
- At the end of each recess a bell will ring. When the bell rings all students are to stop playing (freeze). The staff member on duty will then blow a whistle. After the whistle all students are to walk directly to their classrooms.
- The quad area and restroom areas are not part of the playground. Students are not to remain or play there during recess time.
- Students are expected to arrive at school on time.
- Food is to be eaten in the cafeteria and outside tables only, unless special arrangements have been made by the teacher in advance.

- Students are expected to demonstrate good conduct on the way to and from school, and on the school bus. Students who receive behavior notices on the bus may lose the privilege to ride the bus.

STUDENT RECOGNITION:

Built into the plan is a strong emphasis on positive reinforcement for those students who follow the school expectations. A variety of monthly rewards will be provided including:

- Principal's Award (SOARR)
- Academic Excellence
- Citizenship
- Math
- Science
- Music
- Special Recognition

Eagle Bucks are given by all staff in recognition of students following the guidelines. Eagle Bucks are the school currency and can be used to buy items in the SOARR Store.

CONSEQUENCES:

It is the Valencia staff's intention to work with inappropriate student behavior in its early stages by following a progressive discipline plan. First offenses are typically verbal warnings and a reminder of expectations. Written Assertive Discipline Referrals are issued for further infractions of school expectations after interventions have been put in place to support students. Parents are notified when an ADR is issued. Tier II interventions and supports are put in place when deemed appropriate by the MTSS Team. (Also refer to the required notifications sent home in the first day packet.)

Consequences may include:

- A discussion of the incident or verbal warning
- Loss of preferred activity
- Removal of a privilege
- Phone calls home or parent conference
- In-house suspension or suspension

In the event a student continues to have difficulty meeting behavior expectations and the teacher finds it necessary, the teacher may involve the principal. Students will meet with the principal to discuss behavior expectations, replacement behaviors and if necessary, consequences. The principal may contact parents for support or to develop an action plan for student behavior. Fighting will be immediately referred to the principal.

CLASSROOM DISCIPLINE:

Every teacher in the district shall hold their pupils to a strict accounting for their conduct on the way to and from school and while at school. Students are required to conform to school regulations, obey all directions, and be diligent in studies and respectful to teachers and others in authority. (Education Code 44807).

All teachers develop individual classroom discipline plans that are effective in assisting students to develop individual responsibility. Rewards for good behavior and support and interventions for inappropriate behavior are included as part of each plan. Valencia believes that education is a partnership, and thus teachers take a proactive approach in contacting and communicating with parents regarding discipline issues so as to work as a team to clarify expectations and determine how best to support the children in improving behavior.

Approaches may include, but are not limited to teacher/student conferences, breaks, phone calls, conferences with the principal, in-house suspension, suspension, and/or expulsion to help the student meet expectations.

BULLY PREVENTION:

Valencia Elementary School believes that all students have a right to a safe and healthy school environment. The district, schools, and community have an obligation to promote mutual respect, tolerance, and acceptance.

Valencia Elementary School will not tolerate behavior that infringes on the safety of any student. A student shall not intimidate or harass another student through words or actions. Such behavior includes: direct physical contact, such as hitting or shoving, verbal assaults, such as teasing or name-calling, social isolation or manipulation, and cyberbullying via social media.

Valencia Elementary School expects students and/or staff to immediately report incidents of bullying to the teacher, playground aide, principal or designee. Staff are expected to immediately intervene when they see a bullying incident occur. Each complaint of bullying will be promptly investigated. This policy applies to students on school grounds (in class, at recess or lunch), while traveling to and from school or at a school-sponsored activity.

Behavior expectation lessons are provided to each classroom at the beginning of each year to teach positive character traits, describe what bullying situations look like, and model what to do if one witnesses or experiences bullying. In the 2019-2020 school year, Valencia was provided with the Second Step curriculum for social emotional learning. Part of this curriculum is meant to cultivate acceptance and understanding in all students and staff to build each school's capacity to maintain a safe and healthy learning environment.

Teachers should discuss this policy with their students in age-appropriate ways and should assure them that they need not endure any form of bullying. Students who bully are in violation of this policy and are subject to disciplinary action up to and including expulsion.

Valencia has adopted a Student Code of Conduct to be followed by every student while on school grounds, or when traveling to and from school or a school-sponsored activity.

The Student Code of Conduct includes, but is not limited to:

- Any student who engages in bullying may be subject to disciplinary action up to and including expulsion.
- Students are expected to immediately report incidents of bullying to an adult, the principal or designee.

- Students can rely on staff to promptly investigate each complaint of bullying in a thorough and confidential manner.
- If the complainant student or the parent of the student feels that appropriate resolution of the investigation or complaint has not been reached, the student or the parent of the student should contact the principal or the Office of Student Welfare and Attendance. Upland Unified School District prohibits retaliatory behavior against any complainant or any participant in the complaint process.

LUNCH TABLE EXPECTATIONS:

- Sit on your pockets, keep hands and feet to yourself and stay in your seat
- Raise your hand for help opening a package, if you need something or need to use the restroom
- Eat as much as you can for brain power
- Eat your own food
- Use appropriate voices (no yelling or shouting)
- No throwing of food or objects
- Stay in seat
- Raise hand before being dismissed (make sure everything is cleaned up around you first)
- Walk down the hallway with class

Safe Schools Assessment

Valencia Elementary is a locked campus during school hours. Parents/volunteers/visitors are required to sign in at the office utilizing the Raptor system before proceeding onto the campus. Additionally, any volunteer on campus more than 5 days during the school year must submit an application with the district for a background check and other requirements before serving on campus regularly. Visitor badges must be worn in a visible place at all times. Prior to leaving they are to return to the office to sign out. Before school staff is assigned to monitor the front access gate as well as the east gate and every day after school, staff monitors the pick up lane, the front of the campus and parking lots. Duty Aides are hired to monitor the playgrounds at recess and lunch recess.

Valencia opened a Wellness Room in the fall of 2022 to provide students with a safe place to go when they need social-emotional support or when they might be in need of Tier 2 behavior interventions.

Gang Affiliation

Gang affiliation and activity is not present at Valencia Elementary School.

Drug and Violence Prevention Programs

At the elementary level, the district uses several SEL curricula such as Inner Explorer, Second Step, and Sanford Harmony to promote the social emotional development, safety, and well-being of students. At the secondary level, students receive lessons on drug and alcohol prevention.

Parent/Guardian Involvement

SCHOOL AND CLASSROOM VISITATION:

Parents are always welcome to visit the school. It is necessary to have some guidelines so that visits do not interfere with the educational program and provide safety for all concerned. Visitors are defined as anyone visiting 5 or fewer times in a school year; volunteers are those visiting more than 5 times in a school year and must first submit an application through the district for a background check to be approved.

- Visitors or volunteers should contact the staff member they are assisting, preferably with at least 24 hours notice.
- Visitors or volunteers must sign-in at the school office upon arrival. It is most appropriate to limit the visit to a reasonable length of time (20-30 minutes).

- If a parent/guardian feels the need to discuss any concerns with the teacher, please make an appointment for another time other than class time.
- Be sure to sign out, in the office, when you leave.

CONFERENCES:

Family-Teacher conferences are scheduled for all students at the end of the first trimester. Conferences at the end of the second and third trimesters are for students if the teacher or parent has academic and/or behavior concerns. These conferences are an opportunity for parents and teachers to jointly report/plan an educational program for the students. Parents or teachers may request other special conferences as necessary throughout the year. Progress Reports are provided mid-trimester. Report cards are provided at conference times and at the end of the school year.

STUDENT RECORDS:

Cumulative records (CUM files) are kept for each student. Parents have the right to inspect, review, and challenge the contents of these records. Parents should contact the school office to view their student's records.

VOLUNTEERING:

Parents are encouraged to volunteer in classrooms at Valencia. Each year, Valencia has many adults who weekly volunteer their time for the school. Teachers appreciate parental support in a variety of areas, such as listening to a child or small group read, writing young children's dictated stories, and other ways such as helping with bulletin boards and special projects. Volunteers may also contribute on a one-time basis—sharing skills, hobbies, careers, heritages, etc., with the children. Volunteer help, periodically or on a regular basis, is greatly appreciated and enriches the educational experiences of the students. Watch DOGS are utilized in classrooms, on playgrounds, and in hallways. Volunteers must go through an application process with the district office first.

Please remember that it is important that all visitors and volunteers are required to sign in at the office with an identification card and wear a badge prior to entering campus. For the safety of the students, it is imperative that all people on campus are authorized to be there. Please sign out before leaving the campus.

PTA:

The Valencia Elementary PTA is a professional, nonprofit volunteer organization committed to the well-being of all children. There are varying degrees of supporting our school from simply joining the PTA by paying the membership fee, helping in the classroom, being a copy or room parent, all the way up to joining the PTA Board.

There are many things that need to be done every year and PTA is looking for as many volunteers as they can get! To volunteer, please contact ValenciaPTAboard@gmail.com. Contact information can be found on Valencia's homepage.

School Site Council

The School Site Council (SSC) is a committee of equal numbers of staff and parents which meets four times each year to monitor progress on the Single Plan for Student Achievement (SPSA), and to make suggestions for school improvement. Members participate in the creation and annual revision of the SPSA. SSC also approves categorical spending and safety plans.

The School Site Council is actively involved in the development, implementation, and evaluation of curricular programs. It seeks to improve instructional practice and to provide effective materials for classroom use.

Campus Supervisor and Administrative Positions

Valencia has one principal, one Teacher on Assignment (TOSA) and one administrative designee (classroom teacher) available in the absence of administrators.

Truancy

Regular school attendance is important and cannot be stressed enough. When a student is absent from school, the absence is either classified as excused or unexcused.

EXCUSED ABSENCES:

All students are expected to attend school regularly and to be on time for classes in order to obtain maximum benefit from the instructional program. There is a direct relationship between poor attendance and class failure. Students who have good attendance generally achieve higher grades and enjoy school more.

REPORTING AN ABSENCE:

Please call the school office to report an absence and leave the following information on the answer machine:

1. State your child's name, teacher name and room number
2. State the date of absence.
3. State the reason for absence.
4. Identify who is making the call.

If it is not possible for you to call, a note indicating the reason for the absence(s) is required when your child returns to school. The school appreciates your efforts in having your child attend school any portion of a day when full attendance is not possible. The state average allowance for absences is 10 or less per year.

Parents of students who will be absent for more than 5 consecutive days are encouraged to request an Independent Study. Please notify the office a week prior so that the contract and work can be organized and put together. All Independent Study work must be returned at the conclusion of the contract period.

TARDIES:

Students who are late to school must report first to the office before going to class. In the case of frequent tardiness, parents will be contacted by the teacher, office staff and/or the principal. Please make every attempt to have your child arrive on time. Any child with 3 tardies of 30 minutes or more without a valid excuse is considered truant.

EARLY RELEASE:

Parents/guardians are encouraged to schedule medical/dental and other appointments so they do not conflict with class time. If it is necessary that students be picked up from school before the regular dismissal time, send a note to the teacher indicating the time and reason. Students must be signed out in the office before leaving. They will only be released to their parents or someone authorized by their parents. Adults should be prepared to show a valid I.D. If they return to school following an appointment, they must check in at the office before going to class. Valencia does keep record of early releases.

Please note that excessive absences and/or tardies will be followed up with letters sent home to parents/guardians and if not corrected, may be referred to the School Attendance Review Board for appropriate support. Absences and tardies are also reported quarterly on students' report cards.

Campus Disturbances and Crimes

Campus disturbances and crimes are extremely rare at Valencia. Upland Unified has the support of Upland Police Department and school resource officers who visit regularly throughout the year and can be called for assistance at any time. If needed the school will request assistance from local law enforcement and/or the District Office.

Visitors and Disruptions to Educational Process

SCHOOL AND CLASSROOM VISITATION:

Parents are always welcome to visit the school. It is necessary to have some guidelines so that visits do not interfere with the educational program and provide safety for all concerned. Visitors are defined as anyone visiting 5 or fewer times in a school year; volunteers are those visiting more than 5 times in a school year and must first submit an application through the district for a background check to be approved.

- Visitors or volunteers should contact the staff member they are assisting, preferably with at least 24 hours notice.
- Visitors or volunteers must sign-in at the school office upon arrival. It is most appropriate to limit the visit to a reasonable length of time (20-30 minutes).
- If a parent/guardian feels the need to discuss any concerns with the teacher, please make an appointment for another time other than class time.
- Be sure to sign out, in the office, when you leave.

CLASSROOM DISRUPTIONS:

In order to maximize learning for all students, interruptions during instructional time is kept to a minimum. The school asks for your help by making it a habit to set your day's plans with your children BEFORE sending them to school each day. It is imperative for parents to make after-school arrangements with the child BEFORE the start of the school day. It is difficult to relay the numerous telephone messages the office staff receives from parents to students. When requests are made, the office must relay the message by calling the classroom on the intercom system, causing an interruption. The school would like to eliminate these calls. Therefore, please help by:

- Not calling the office to relay messages to your child unless it is an EMERGENCY.
- Informing your children before they leave for school in the morning of any plans for after school that they may need to know such as:
 - o Who is picking them up after school?
 - o Do they need to walk home?
 - o Who are they going home with?
 - o Do they need to go to day care?
 - o What do they do if it rains? Do they walk home or you'll automatically pick them up from school?
 - o Do they have their homework? If they don't please make sure they get it.
 - o Is there an activity going on after school in which they need to be present and participate? They need to notify you in the morning before leaving to school.
 - Making sure lunch is taken care of by:
 - o Seeing that they take their lunch with them to school
 - o Checking if they have enough lunch money for that day
 - o Paying in advance in case of a forgotten lunch or an emergency
 - Scheduling doctor, dentist or other appointments after school.

These are a few suggestions that can help eliminate classroom interruptions and keep that important instructional time uninterrupted.

Component 2: Physical Environment

Introduction

Valencia Elementary School is located in an established neighborhood in the most northern part of Upland situated below the San Gabriel Mountains, specifically Mount Baldy. The student population is stable and the percentage of English Language Learners is relatively small. Currently there are 23 classrooms of general education students in Transitional Kindergarten through sixth grade, and two special education classrooms for students in grades one through six as well as a Resource Specialist classroom. The school community is very supportive, both through PTA and a large number of dedicated parent volunteers.

The Schools' Location and Physical Environment

Valencia Elementary's address is: 541 W. 22nd Street, Upland, CA 91784. The school is located on the western boundary of San Bernardino County in the foothills of the San Gabriel mountains. From the playground you will find a beautiful view of Mount Baldy in the background. The fields and gardens are well maintained by our District's Grounds Team making the drive up to the school very welcoming.

Description of School Ground

The school is made up of six main structures: Office/cafeteria, Kindergarten, Classrooms (three buildings), and Multi-Purpose Room (MPR). There are also seven portable structures housing classrooms, RSP, OT and the school psychologist. Roses and garden beds welcome those entering our campus. Large grassy fields can be found along the north end of the school playground with large areas of blacktop between the structures and grass areas. Basketball courts, tetherball courts, ball walls, soccer fields, backstops and playground equipment is available to students during recesses. The Peaceful Playgrounds program has introduced more blacktop games and activity options for students during recess. The addition of our "Only One You" rock garden has improved the aesthetics as families and community members enter the campus. Valencia also has a Wellness Room and vegetable garden.

Maintenance of School Buildings/Classrooms

The school is well maintained and generally looks neat and clean. School safety issues are addressed immediately by the District's Maintenance and/or Grounds teams. Bathrooms are monitored throughout the day by the custodial staff. Fire inspections are conducted approximately twice a year and staff is given a copy of the standards for each room. Pride in the school campus is also taught to Valencia students.

Internal Security Procedures

Valencia Elementary is a locked campus during school hours. Parents/volunteers/visitors are required to sign in at the office before proceeding onto the campus. Visitor badges must be worn in a visible place at all times. Prior to leaving, they are to return to the office to sign out. Before school, staff is assigned to monitor the front access gate and every day after school staff monitors the pick up lane and the front of the campus. Duty Aides are hired to monitor the playgrounds at recess and lunch recess. District personnel and staff must wear their identification badges at all times.

Teachers take attendance at the start of each school day, electronically which is immediately reported to the office for accountability in the event of an emergency. The District installed Lock-Blocks on all exit doors to aid in the quick locking of doors in the event of an emergency.

Monthly drills are conducted to prepare for an emergency. Security cameras are located throughout the campus and can be monitored by the office and district office staff.

Behavior expectations are presented at the beginning of each year and maintained within classrooms and on the playground throughout the year. Progressive Discipline is in place and students are held accountable for their actions.

The Raptor System to check-in and verify all visitors to campus using a government issued ID.

Inventory System – Engraved ID, Security Storage

Equipment purchased for greater than \$500 is engraved with an asset number by District Office personnel and inventoried into an electronic system monitored at the district level. In the past there has been an inventory system done at each site (yearly) with the help and support of school site staff. Laptops are stored in locking cabinets in all classrooms.

Disaster Procedures, Routine and Emergency

Valencia Elementary School maintains a Comprehensive School Safety Plan. The site Safety Committee updates the Emergency Preparedness Plan annually and provides ongoing safety training and information at staff meetings. At the beginning of each school year, parents and staff are provided with a folder/handbook that contains a school calendar, policies, emergency procedures and a school-wide safety plan. The Plan covers all contingencies for smog, earthquake, fire, lockdown and other State Emergency Management System requirements. All classrooms have tubs with individual student emergency food bags and supplies. PTA purchased and maintains classroom first-aid backpacks. Fire extinguisher and disaster information is clearly visible in each classroom. Valencia has created and maintains an emergency shed which contains items to be used in a crisis. The School Safety Plan helps to ensure that students feel safe and prepared. Please refer to our extensive Emergency Preparedness Plan for details of procedures, routines and responsibilities.

GENERAL EMERGENCY INFORMATION

Valencia has an Emergency Preparedness Plan which is to be used in the event that a disaster occurs during school hours. Periodic safety drills are held to comply with state law and district policies.

It is important to note that your child may be required to remain in the care of the school in the event of a major disaster until it is considered safe for the child to be released. Your child can only be released to you or someone you designate on the emergency cards. Please be sure to notify those designated people that they are listed on the card. **IN THE EVENT OF AN EMERGENCY DURING SCHOOL HOURS, YOU WILL NEED TO CHECK OUT YOUR CHILD AT THE CHECKOUT TABLE SET UP NEAR THE EVACUATION SITE.** To ensure safety for all students, a student release procedure is in place and has been practiced by school staff. You will be required to show identification and sign your child out through school staff.

The PTA contributes significantly to the Emergency Preparedness Plan and Procedures through its gifts of time, supplies, and resources. The staff is very appreciative of their efforts. If you would like to donate your services or resources with respect to disaster preparedness, please call the school office.

Emergency Forms

Parents are required to complete an emergency form for their child via the Aeries Parent Portal. It is imperative that in case of an emergency the parent(s) of a child can be contacted by the school office. Every effort should be made to keep the school office informed of any change of address, telephone number or email address as soon as possible. (No addresses, phone numbers or emails will be given out by the school office.)

Emergency Drills

Emergency drills are held monthly to practice the proper behavior in case of an emergency. These drills include fire drills, duck and cover drills, lock downs and evacuation drills. We take our drills seriously and we appreciate your patience in waiting to pick up your child or enter campus until the drill is completed.

Policy UPLAND UNIFIED SCHOOL DISTRICT

adopted: September 27, 2011 Upland, California

revised: June 28, 2016

Child Abuse Reporting Procedures

A mandated reporter who knows or reasonably suspects that a minor is the victim of child abuse must report immediately by telephone and in writing by follow-up report within 36 hours to a law enforcement agency. The law penalizes the failure to report by imposing a jail sentence on the defaulting mandated reporter. On the other hand, the law rewards the reporter who meets the reporting obligation by granting absolute immunity from civil or criminal prosecution. (Penal Code Section 11166)

Mandated Reporter: a “Child care custodian”; includes teachers, administrators, supervisors of child welfare and attendance, certificated pupil personnel staff, instructional aides, teacher’s aides, and teacher assistants and paid athletic coaches. District employed child care workers and health practitioners (doctors, nurses and psychologists) are also mandated reporters.

Knowledge of or Reasonably Suspects Abuse: When a mandated reporter observes a child with physical “injuries which appear to have been inflicted...by other than accidental means by any other person...” Whether or not there are visible physical injuries, all suspected sexual abuse must be reported.

To Whom is the Report Made: An oral report to designated law enforcement agencies must be made immediately. The observing employee must contact:

- a. The Child Protective Services (CPS) Unit of the local Welfare or Human Services Department:

or

- b. Upland Police Department (909) 982-1331
Emergency Number 911

All law enforcement officers are mandated reporters.

A follow up written report must be submitted within 36 hours. Forms are available on-line at:

<http://ag.ca.gov/childabuse/pdf/ss-8572.pdf>

School Interview Law: Penal Code 11174.3 imposes both a time sequence and series of duties on school personnel and the law enforcement investigator. This law is limited to child abuse victims only. The law speaks only to abuse which takes place in the home. When law enforcement comes to school to take the child into custody, rather than question the child, the interview procedures do not apply. The child is effectively under arrest.

Law enforcement (sheriff, police or CPS) may interview suspected victims of child abuse on school premises during school hours concerning child abuse in the home. The child may choose to be interviewed in private or may select an adult staff member to be present “to lend support.”

Step One – The investigator comes to school.

All investigations begin in the school office. The staff member “in charge” should ask for identification and the purpose of the proposed interview. When it is made clear that the interview will focus on allegation of abuse in the home, the staff member in charge should be present with the child before the interview begins.

Step Two - The investigator must advise the child of the right to choose a staff member to be present during the interview.

What the school employee should do if:

1. The child chooses not to have a staff member present?
The staff member should leave the room.
2. The child asks for either the mother or father to be present?
School employees do not grant or deny such requests. This responsibility lies with the investigator.
3. The child changes their mind during the interview?
The law gives the child a continuous option to ask for an adult staff member or to send the staff member away.

Step Three – The child asks for an adult staff member to be present

What can the selected staff member do:

- a. The staff member, by law, may decline to sit in the interview
- b. The school administrator should inform the selected staff member of their duties during the interview. A copy of Penal Code 11174.3 should be supplied to the staff member who has agreed to be present.
- c. The staff member's role is one of a "comforter" during the interview. There is no questioning by the staff member and no discussion of the child abuse incident with the child. There must be no prompting by the staff member. Investigators should not attempt to ask or direct the staff member to coerce, suggest or elicit a response from the child.
- d. The law forbids disclosure of what the staff member hears or learns during the interview. This confidentiality disappears when a court orders testimony. No written report is required by the staff member.

California Penal Code 11174.3**“School Interview Law”**

11174.3.(a) Whenever a representative of a government agency investigating suspected child abuse or neglect or the State Department of Social Services deems it necessary, a suspected victim of child abuse or neglect may be interviewed during school hours, on school premises, concerning a report of suspected child abuse or neglect that occurred within the child's home or out-of-home care facility. The child shall be afforded the option of being interviewed in private or selecting any adult who is a member of the staff of the school, including any certificated or classified employee or volunteer aide, to be present at the interview. A representative of the agency investigating suspected child abuse or neglect or the State Department of Social Services shall inform the child of that right prior to the interview.

The purpose of the staff person's presence at the interview is to lend support to the child and enable him or her to be as comfortable as possible. However, the member of the staff so elected shall not participate in the interview. The member of the staff so present shall not discuss the facts or circumstances of the case with the child. The member of the staff so present, including, but not limited to, a volunteer aide, is subject to the confidentiality requirements of this article, a violation of which is punishable as specified in Section 11167.5. A representative of the school shall inform a member of the staff so selected by a child of the requirements of this section prior to the interview. A staff member selected by a child may decline the request to be present at the interview. If the staff person selected agrees to be present, the interview shall be held at a time during school hours when it does not involve an expense to the school. Failure to comply with the requirements of this section does not affect the admissibility of evidence in a criminal or civil proceeding.

Suspension and Expulsion Policies

Suspensions and Expulsion Policies

The Governing Board desires to provide district students access to educational opportunities in an orderly school environment that protects their safety and security, ensures their welfare and well-being, and promotes their learning and development. The Board shall develop rules and regulations setting the standards of behavior expected of district students and the disciplinary processes and procedures for addressing violations of those standards, including suspension and/or expulsion.

(cf. [5131](#) - Conduct)

(cf. [5131.1](#) - Bus Conduct)

(cf. [5131.2](#) - Bullying)

The grounds for suspension and expulsion and the procedures for considering, recommending, and/or implementing suspension and expulsion shall be only those specified in law, in this policy, and in the accompanying administrative regulation.

Except when otherwise permitted by law, a student may be suspended or expelled only when his/her behavior is related to a school activity or school attendance occurring within any district school or another school district, regardless of when it occurs, including, but not limited to, the following: (Education Code [48900](#)(s))

1. While on school grounds
2. While going to or coming from school
3. During the lunch period, whether on or off the school campus

(cf. [5112.5](#) - Open/Closed Campus)

4. During, going to, or coming from a school-sponsored activity

District staff shall enforce the rules concerning suspension and expulsion of students fairly, consistently, equally, and in accordance with the district's nondiscrimination policies.

(cf. [0410](#) - Nondiscrimination in District Programs and Activities)

Appropriate Use of Suspension Authority

Except when a student's act violates Education Code [48900](#)(a)-(e), as listed in items #1-5 under "Grounds for Suspension and Expulsion: Grades K-12" of the accompanying administrative regulation, or when his/her presence causes a danger to others, suspension shall be used only when other means of correction have failed to bring about proper conduct. (Education Code [48900.5](#), [48900.6](#))

(cf. [5138](#) - Conflict Resolution/Peer Mediation)

(cf. [5144](#) - Discipline)

(cf. [6164.5](#) - Student Success Teams)

A student's parents/guardians shall be notified as soon as possible when there is an escalating pattern of misbehavior that could lead to on-campus or off-campus suspension.

No student in grades K-3 may be suspended for disruption or willful defiance, except by a teacher pursuant to Education Code [48910](#). (Education Code [48900](#))

Students shall not be suspended or expelled for truancy, tardiness, or absenteeism from assigned school activities.

(cf. [5113](#) - Absences and Excuses)

(cf. [5113.1](#) - Chronic Absence and Truancy)

On-Campus Suspension

To ensure the proper supervision and ongoing learning of students who are suspended for any of the reasons enumerated in Education Code [48900](#) and [48900.2](#), but who pose no imminent danger or threat to anyone at school and for whom expulsion proceedings have not been initiated, the Superintendent or designee shall establish a supervised suspension classroom program which meets the requirements of law.

Except where a supervised suspension is permitted by law for a student's first offense, supervised suspension shall be imposed only when other means of correction have failed to bring about proper conduct. (Education Code [48900.5](#))

Authority to Expel

A student may be expelled only by the Board. (Education Code [48918\(j\)](#))

As required by law, the Superintendent or principal shall recommend expulsion and the Board shall expel any student found to have committed any of the following "mandatory recommendation and mandatory expulsion" acts at school or at a school activity off school grounds: (Education Code [48915](#))

1. Possessing a firearm which is not an imitation firearm, as verified by a certificated employee, unless the student had obtained prior written permission to possess the item from a certificated school employee, with the principal or designee's concurrence

(cf. [5131.7](#) - Weapons and Dangerous Instruments)

2. Selling or otherwise furnishing a firearm

3. Brandishing a knife at another person

4. Unlawfully selling a controlled substance listed in Health and Safety Code [11053-11058](#)

5. Committing or attempting to commit a sexual assault as defined in Penal Code [261](#), [266c](#), [286](#), [288](#), [288a](#), or 289, or committing a sexual battery as defined in Penal Code [243.4](#)

6. Possessing an explosive as defined in 18 USC [921](#)

For all other violations listed in the accompanying administrative regulation under "Grounds for Suspension and Expulsion: Grades K-12" and "Additional Grounds for Suspension and Expulsion: Grades 4-12," the Superintendent or principal shall have the discretion to recommend expulsion of a student. If expulsion is recommended, the Board shall order the student expelled only if it makes a finding of either or both of the following: (Education Code [48915](#)(b) and (e))

1. That other means of correction are not feasible or have repeatedly failed to bring about proper conduct
2. That due to the nature of the violation, the presence of the student causes a continuing danger to the physical safety of the student or others

A vote to expel a student shall be taken in an open session of a Board meeting.

The Board may vote to suspend the enforcement of the expulsion order pursuant to the requirements of law and the accompanying administrative regulation. (Education Code [48917](#))

No student shall be expelled for disruption or willful defiance. (Education Code [48900](#))

The Superintendent or designee shall comply with procedures for notices, hearings, and appeals as specified in law and administrative regulation. (Education Code [48911](#), [48915](#), [48915.5](#), [48918](#))

(cf. [5119](#) - Students Expelled from Other Districts)

(cf. [5144.2](#) - Suspension and Expulsion/Due Process (Students with Disabilities))

Maintenance and Monitoring of Outcome Data

The Superintendent or designee shall maintain outcome data related to student suspensions and expulsions in accordance with Education Code [48900.8](#) and [48916.1](#), including, but not limited to, the number of students recommended for expulsion, the grounds for each recommended expulsion, the actions taken by the Board, the types of referral made after each expulsion, and the disposition of the students after the expulsion period. For any expulsion that involves the possession of a firearm, such data shall include the name of the school and the type of firearm involved, as required pursuant to 20 USC 7961. Suspension and expulsion data shall be reported to the Board annually and to the California Department of Education when so required.

In presenting the report to the Board, the Superintendent or designee shall disaggregate data on suspensions and expulsions by school and by numerically significant student subgroups, including, but not limited to, ethnic subgroups, socioeconomically disadvantaged students, English learners, students with disabilities, foster youth, and homeless students. Based on the data, the Board shall address any identified disparities in the imposition of student discipline and shall determine whether and how the district is meeting its goals for improving school climate as specified in its local control and accountability plan.

Policy UPLAND UNIFIED SCHOOL DISTRICT

adopted: September 11, 2018 Upland, California

revised: September 10, 2019

Board Policy

Suspension And Expulsion/Due Process

BP 5144.1

Students

The Governing Board desires to provide district students access to educational opportunities in an orderly school environment that protects their safety and security, ensures their welfare and well-being, and promotes their learning and development. The Board shall develop rules and regulations setting the standards of behavior expected of district students and the disciplinary processes and procedures for addressing violations of those standards, including suspension and/or expulsion.

(cf. 5131 - Conduct)

(cf. 5144 - Discipline)

The grounds for suspension and expulsion and the procedures for considering, recommending, and/or implementing suspension and expulsion shall be those specified in law and administrative regulation.

District staff shall enforce the rules concerning suspension and expulsion of students fairly, consistently, and in accordance with the district's nondiscrimination policies.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

Except for single acts of a grave nature or offenses for which suspension or expulsion is required by law, suspension or expulsion shall be used only when the student involved has a history of misconduct and other means of correction have failed to bring about proper conduct or the student's presence causes a continuing danger to himself/herself or others.

To correct the behavior of students who are subject to discipline, the Superintendent or designee, to the extent allowed by law, shall use alternative disciplinary measures that keep students in school during the school day.

(cf. 1020 - Youth Services)

(cf. 5138 - Conflict Resolution/Peer Mediation)

(cf. 6142.4 - Service Learning/Community Service Classes)

(cf. 6164.2 - Guidance/Counseling Services)

(cf. 6164.5 - Student Success Teams)

Alternatives to suspension or expulsion also shall be used with students who are truant, tardy, or otherwise absent from assigned school activities.

(cf. 5113 - Absences and Excuses)

(cf. 5113.1 - Chronic Absence and Truancy)

Suspended or expelled students shall be denied the privilege of participation in all extracurricular activities during the period of suspension or expulsion.

(cf. 6145 - Extracurricular and Co-curricular Activities)

(cf. 6145.2 - Athletic Competition)

Due Process

The Board shall provide for the fair and equitable treatment of students facing suspension and expulsion by affording them their due process rights under the law. The Superintendent or designee shall comply with procedures for notices, hearings, and appeals as specified in law and administrative regulation. (Education Code 48911, 48915, 48915.5)

(cf. 5119 - Students Expelled from Other Districts)

(cf. 5144.2 - Suspension and Expulsion/Due Process (Individuals with Disabilities))

Removal from Class by a Teacher and Parental Attendance

When suspending a student from class for committing an obscene act, engaging in habitual profanity or vulgarity, disrupting school activities, or otherwise willfully defying valid staff authority, the teacher of the class may require any parent/guardian who lives with the student to attend a portion of the school day in the class from which the student is being suspended, to assist in resolving the classroom behavior problems. (Education Code 48900.1)

Teachers should reserve the option of required parental attendance for cases in which they have determined that it is the best strategy to promote positive interaction between the student and his/her parents/guardians and to improve classroom behavior.

Any teacher requiring parental attendance pursuant to this policy shall apply the policy uniformly to all students within the classroom. (Education Code 48900.1)

When a teacher requires parental attendance, the principal shall send a written notice to the parent/guardian stating that his/her attendance is required pursuant to law. (Education Code 48900.1)

A parent/guardian who has received a written notice shall attend class as specified in the notice. After completing the classroom visit and before leaving school premises, the parent/guardian also shall meet with the principal or designee. (Education Code 48900.1)

When a parent/guardian does not respond to the request to attend school, the principal or designee shall contact him/her by telephone, mail, or other means that maintains the confidentiality of the student's records.

(cf. 5125 - Student Records)

District regulations and school-site rules for student discipline shall include procedures for implementing parental attendance requirements. Parents/guardians shall be notified of this policy prior to its implementation. (Education Code 48900.1)

(cf. 5145.6 - Parental Notifications)

Decision Not to Enforce Expulsion Order

On a case-by-case basis, the enforcement of an expulsion order may be suspended by the Board pursuant to the requirements of law and administrative regulation.

Board Policy

Sexual Harassment

BP 5145.7

Students

The Governing Board is committed to maintaining a safe school environment that is free from harassment and discrimination. The Board prohibits, at school or at school-sponsored or school-related activities, sexual harassment targeted at any student by anyone. The Board also prohibits retaliatory behavior or action against any person who reports, files a complaint or testifies about, or otherwise supports a complainant in alleging sexual harassment.

The district strongly encourages any student who feels that he/she is being or has been sexually harassed on school grounds or at a school-sponsored or school-related activity by another student or an adult who has experienced off-campus sexual harassment that has a continuing effect on campus to immediately contact his/her teacher, the principal, or any other available school employee. Any employee who receives a report or observes an incident of sexual harassment shall notify the principal or a district compliance officer. Once notified, the principal or compliance officer shall take the steps to investigate and address the allegation, as specified in the accompanying administrative regulation.

(cf. [6142.1](#) - Sexual Health and HIV/AIDS Prevention Instruction)

The Superintendent or designee shall take appropriate actions to reinforce the district's sexual harassment policy.

Instruction/Information

The Superintendent or designee shall ensure that all district students receive age-appropriate information on sexual harassment. Such instruction and information shall include:

1. What acts and behavior constitute sexual harassment, including the fact that sexual harassment could occur between people of the same sex and could involve sexual violence
2. A clear message that students do not have to endure sexual harassment under any circumstance
3. Encouragement to report observed incidents of sexual harassment even where the alleged victim of the harassment has not complained

4. A clear message that student safety is the district's primary concern, and that any separate rule violation involving an alleged victim or any other person reporting a sexual harassment incident will be addressed separately and will not affect the manner in which the sexual harassment complaint will be received, investigated, or resolved
5. A clear message that, regardless of a complainant's noncompliance with the writing, timeline, or other formal filing requirements, every sexual harassment allegation that involves a student, whether as the complainant, respondent, or victim of the harassment, shall be investigated and prompt action shall be taken to stop any harassment, prevent recurrence, and address any continuing effect on students
6. Information about the district's procedure for investigating complaints and the person(s) to whom a report of sexual harassment should be made
7. Information about the rights of students and parents/guardians to file a civil or criminal complaint, as applicable, including the right to file a civil or criminal complaint while the district investigation of a sexual harassment complaint continues
8. A clear message that, when needed, the district will take interim measures to ensure a safe school environment for a student who is the complainant or victim of sexual harassment and/or other students during an investigation and that, to the extent possible, when such interim measures are taken, they shall not disadvantage the complainant or victim of the alleged harassment

Complaint Process and Disciplinary Actions

Sexual harassment complaints by and against students shall be investigated and resolved in accordance with law and district procedures specified in AR 1312.3 Uniform Complaint Procedures. Principals are responsible for notifying students and parents/guardians that complaints of sexual harassment can be filed under AR 1312.3 and where to obtain a copy of the procedures.

(cf. [1312.3](#) - Uniform Complaint Procedures)

Upon investigation of a sexual harassment complaint, any student found to have engaged in sexual harassment or sexual violence in violation of this policy shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension and/or expulsion, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.

(cf. [5144](#) - Discipline)

(cf. [5144.1](#) - Suspension and Expulsion/Due Process)

(cf. [5144.2](#) - Suspension and Expulsion/Due Process (Students with Disabilities))

Upon investigation of a sexual harassment complaint, any employee found to have engaged in sexual harassment or sexual violence toward any student shall have his/her employment terminated in accordance with law and the applicable collective bargaining agreement.

WILLIAMS CRITERIA LEGISLATION

Policies and procedures regarding deficiencies related to instructional materials, emergency or urgent facilities conditions that pose a threat to the health and safety of students or staff, and teacher vacancy or mis-assignment will be addressed through Uniform Complaint Procedures process to identify and resolve complaints per the Williams Criteria Legislation.

(Education Code 35186)

UNIFORM COMPLAINT PROCEDURES

The Governing Board recognizes that the district has the primary responsibility for ensuring compliance with state and federal laws and regulations governing educational programs. The district shall investigate and seek to resolve complaints at the local level. The district shall follow uniform complaint procedures when addressing complaints alleging unlawful discrimination based on religion, age, gender, color, sex, sexual orientation, ethnic group identification, race, ancestry, national origin, or physical or mental disability in any program or activity that receives or benefits from state financial assistance. The district shall also follow uniform complaint procedures when addressing complaints alleging failure to comply with state or federal laws including adult basic education, consolidated categorical aid programs, vocational education, child care and development programs, child nutrition programs and special education programs.

The Board encourages the early, informal resolution of complaints at the site level whenever possible.

Upon receipt of a written complaint from an individual, public agency or organization, uniform complaint procedures shall be initiated. The Superintendent or designee shall distribute full information about these procedures.

The Board prohibits retaliation in any form for the filing of a complaint, the reporting of instances of discrimination, or for participation in complaint procedures. Such participation shall not in any way affect the status, grades, or work assignments of the complainant.

The Board acknowledges and respects student and employee rights to privacy. Discrimination complaints shall be investigated in a manner that protects the confidentiality of the parties and the facts. This includes keeping the identity of the complainant confidential except to the extent necessary to carry out the investigation or proceedings, as determined by the Superintendent or designee on a case-by-case basis.

The Superintendent or designee shall ensure that employees designated to investigate complaints are knowledgeable about the laws and programs for which they are responsible. Such employees may have access to legal counsel as determined by the Superintendent or designee.

COMPLIANCE OFFICER

The Governing Board designates the following compliance officer to receive and investigate complaints and ensure district compliance with law:

Assistant Superintendent of Human Resources
390 N. Euclid Avenue
Upland, California 91786
(909) 985-1864

The Superintendent or designee shall annually notify in writing, as applicable, its students, employees, parents or guardians of its students, the district advisory committee, school advisory committees, and other interested parties of their local educational agency complaint procedures, including the opportunity to appeal to the California Department of Education. The notice shall include the identity (identities) of the person(s) responsible for processing complaints. The notice shall also advise the recipient of the notice of any civil law remedies that may be available, and of the appeal and review procedures. This notice shall be in English, and when necessary, in the primary language or mode of communication of the recipient of the notice.

The following procedures shall be used to address all complaints which allege that the district has violated federal or state laws or regulations governing educational programs. The Compliance Officer shall maintain a record of each complaint and subsequent related actions, including:

- a) The original complaint;
- b) A copy of the district decision;
- c) A summary of the nature and extent of the investigation conducted by the district if not covered in the district decision;
- d) A report of any action taken to resolve the complaint;
- e) A copy of the district complaint procedures; and
- f) Such other relevant information.

The district will use its uniform complaint procedures when addressing all complaints regarding sex equity.

Investigations of discrimination complaints shall be conducted in a manner that protects confidentiality of the parties and the facts.

All parties involved in allegations shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled, and when a decision or ruling is made.

Step 1: Filing of Complaint

Any individual, public agency or organization may file a written complaint of alleged noncompliance.

The complaint shall be presented to the Superintendent or designee, who will then give it to the appropriate compliance officer. The Superintendent or designee will maintain a log of complaints received, providing each with a code number and a date stamp.

If a complainant is unable to put a complaint in writing due to conditions such as illiteracy or other handicaps, district staff shall help him/her to file the complaint.

Complaints alleging unlawful discrimination may be filed by a person who alleges that he/she personally suffered unlawful discrimination or by a person who believes that an individual or any specific class of individuals has been subjected to unlawful discrimination. The complaint must be initiated no later than six months from the date when the alleged discrimination occurred or when the complainant first obtained knowledge of the facts of the alleged discrimination.

Step 2: Investigation of Complaint

The compliance officer shall hold an investigative meeting within five days of receiving the complaint. This meeting shall provide an opportunity for the complainant and/or his/her representative to repeat the complaint orally. The complainant and/or his/her representative and the district's representatives shall also have an opportunity to present information relevant to the complaint. Parties to the dispute may discuss the complaint and question each other or each other's witnesses.

To ensure that all pertinent facts are made available, the compliance officer and the complainant may ask other individuals to attend this meeting and provide additional information.

Step 3: Response

Within 30 days of receiving the complaint, the compliance officer shall prepare and send to the complainant a written report of the district's investigation and decision. If the complainant is dissatisfied with the compliance officer's decision, he/she may, within five days, file his/her complaint in writing with the Governing Board. The Board may consider the matter at its next regular Board meeting or at a special Board meeting convened in order to meet the 60-day time limit within which the complaint must be answered. The Board may decide not to hear the complaint, in which case the compliance officer's decision is final. If the Board hears the complaint, the compliance officer shall send the Board's decision to the complainant within 60 days of the district's initially receiving the complaint or within the time period that has been specified in a written agreement with the complainant.

Step 4: Final Written Decision

The report of the district's decision shall be written in English and in the language of the complainant whenever feasible or required by law. If it is not feasible to write this report in the complainant's primary language, the district will arrange a meeting at which a community member will interpret it for the complainant.

This report shall include:

1. The findings and disposition of the complaint, including corrective actions, if any.
2. The rationale for the above disposition.
3. Notice of the complainant's right to appeal the decision to the California Department of Education, and procedures to be followed for initiating such an appeal.
4. A detailed statement of all specific issues that were brought up during the investigation and the extent to which these issues were resolved.

If an employee is disciplined as a result of the complaint, this report shall simply state that effective action was taken and that the employee was informed of district expectations. The report shall not give any further information as to the nature of the disciplinary action.

APPEALS TO THE CALIFORNIA DEPARTMENT OF EDUCATION

If dissatisfied with the district's decision, the complainant may seek assistance through resources, i.e., Legal Aid Society of the West End, Inland Counties Legal Services or Tel-Law General information. If unable to resolve the dispute via local remedies, the complainant may appeal in writing to the California Department of Education within 15 days of receiving the district's decision. Other resources available include the Office of Civil Rights and the American Civil Liberties Union.

When appealing to the California Department of Education, the complainant must specify the reason(s) for appealing the district's decision and must include a copy of the locally filed complaint and the district's decision.

Disciplinary Action

Any student who is found to be responsible for sexual harassment will be subject to appropriate discipline up to and including expulsion. The severity of the disciplinary action will be based upon the circumstances of the infraction. (Education Code 48900) (Cross Reference: CSBA Policy No. 5145.7)

EC 48900.3 states that suspension or expulsion may be applied if a student "caused, attempted to cause, threatened to cause, or participated in an act of hate violence."

Hate violence is generally directed against an individual or group of individuals because of their race, religion, ethnicity, or other characteristic.

EC 48900.4 states that suspension or expulsion may be used if a student has "intentionally engaged in harassment, threats, or intimidation, directed against a student or group of students, that is sufficiently severe or pervasive to have the actual and reasonably expected effect of materially disrupting class work, creating substantial disorder, and invading the rights of that student or group of students by creating an intimidating or hostile educational environment."

Examples of harassment, threats, or intimidation include mad dogging (intimidating stares), statements like "you better watch your back," any action that is intended to harass, intimidate, or threaten another student.

Students should feel free from threats and intimidation at school. As always, if you have any questions or comments about these or any other school rules or policies, we at Valencia Elementary School stand ready to assist.

Suspension/Dismissal Procedures

The Superintendent shall notify the Board whenever he/she believes that there is cause to suspend or dismiss an employee pursuant to Education Code [44932](#) or [44933](#).

When the Board finds that there is cause to suspend or dismiss an employee pursuant to Education Code [44932](#) or [44933](#), it may formulate a written statement of charges specifying instances of behavior and the acts or omissions constituting the charge, the statutes and rules that the employee is alleged to have violated when applicable,

and the facts relevant to each charge. The Board shall also review any duly signed and verified written statement of charges filed by any other person. (Education Code [44934](#), [44934.1](#))

Based on the written statement of charges, the Board may, upon majority vote, give notice to the employee of its intention to suspend or dismiss him/her at the expiration of 30 days from the date the notice is served. (Education Code [44934](#), [44934.1](#))

(cf. [4112.9/4212.9/4312.9](#) - Employee Notifications)

Prior to serving a suspension or dismissal notice that includes a charge of unsatisfactory performance, the district shall give the employee written notice of the unsatisfactory performance that specifies the nature of the unsatisfactory performance with such specific instances of behavior and with such particularity as to furnish the employee an opportunity to correct his/her faults and overcome the grounds for any unsatisfactory performance charges and, if applicable, that includes the evaluation made pursuant to Education Code [44660-44665](#). The written notice of the unsatisfactory performance shall be provided at least 90 days prior to the filing of the suspension or dismissal notice or prior to the last one-fourth of the school days in the year. (Education Code [44938](#))

(cf. 4115 - Evaluation/Supervision)

Prior to serving a suspension or dismissal notice that includes a charge of unprofessional conduct, the district shall give the employee written notice that describes the nature of the unprofessional conduct with such specific instances of behavior and with such particularity as to furnish the employee an opportunity to correct his/her faults and overcome the grounds for any unprofessional conduct charges and, if applicable, that includes the evaluation made pursuant to Education Code [44660-44665](#). The written notice of the unprofessional conduct shall be provided at least 45 days prior to the filing of the suspension or dismissal notice. (Education Code [44938](#))

Except for notices that only include charges of unsatisfactory performance, the written suspension or dismissal notice may be served at any time of year. Such notice shall be served upon the employee personally if given outside of the instructional year or, if given during the instructional year, may be served personally or by registered mail to the employee's last known address. Notices with a charge of unsatisfactory performance shall be given only during the instructional year of the school site where the employee is physically employed, and may be served personally or by registered mail to the employee's last known address. (Education Code [44936](#))

If an employee has been served notice and demands a hearing pursuant to Government Code [11505](#) and [11506](#), the Board shall either rescind its action or schedule a hearing on the matter. (Education Code [44941](#), [44941.1](#), [44943](#), [44944](#))

Pending suspension or dismissal proceedings for an employee who is charged with egregious misconduct, immoral conduct, conviction of a felony or of any crime involving moral turpitude, incompetency due to mental disability, or willful refusal to perform regular assignments without reasonable cause as prescribed by district rules and regulations, the Board may, if it deems it necessary, immediately suspend the employee from his/her duties. If the employee files a motion with the Office of Administrative Hearings for immediate reversal of the suspension based on a cause other than egregious misconduct, the Board may file a written response before or at the time of the hearing. (Education Code [44939](#), [44939.1](#), [44940](#))

When a suspension or dismissal hearing is to be conducted by a Commission on Professional Competence, the Board shall, no later than 45 days before the date set for the hearing, select one person with a currently valid credential to serve on the Commission. The appointee shall not be an employee of the district and shall have at least three years' experience within the past 10 years at the same grade span or assignment as the employee, as defined in Education Code [44944](#). Complaints Concerning Discrimination In Employment

AR 4031

Personnel

Complaint Procedure

Any complaint by an employee or job applicant alleging discrimination or harassment shall be addressed in accordance with the following procedures:

1. **Notice and Receipt of Complaint:** Any employee or job applicant (the "complainant") who believes he/she has been subjected to prohibited discrimination or harassment shall promptly inform his/her supervisor, the district's Coordinator for Nondiscrimination in Employment, or the Superintendent.

The complainant may file a written complaint in accordance with this procedure, or if he/she is an employee, may first attempt to resolve the situation informally with his/her supervisor.

A supervisor or manager who has received information about an incident of discrimination or harassment, or has observed such an incident, shall report it to the Coordinator, whether or not the complainant files a written complaint.

The written complaint should contain the complainant's name, the name of the individual who allegedly committed the act, a description of the incident, the date and location where the incident occurred, any witnesses who may have relevant information, other evidence of the discrimination or harassment, and any other pertinent information which may assist in investigating and resolving the complaint.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

(cf. 4030 - Nondiscrimination in Employment)

(cf. 4032 - Reasonable Accommodation)

(cf. 4119.11/4219.11/4319.11 - Sexual Harassment)

2. **Investigation Process:** The Coordinator shall initiate an impartial investigation of an allegation of discrimination or harassment within five school days of receiving notice of the behavior, regardless of whether a written complaint has been filed or whether the written complaint is complete.

The Coordinator shall meet with the complainant to describe the district's complaint procedure and discuss the actions being sought by the complainant in response to the allegation. The Coordinator shall inform the complainant that the allegations will be kept confidential to the extent possible, but that some information may be revealed as necessary to conduct an effective investigation.

(cf. 3580 - District Records)

(cf. 4112.6/4212.6/4312.6 - Personnel Files)

(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)

If the Coordinator determines that a detailed fact-finding investigation is necessary, he/she shall begin the investigation immediately. As part of this investigation, the Coordinator should interview the complainant, the person accused, and other persons who could be expected to have relevant information.

When necessary to carry out his/her investigation or to protect employee or student safety, the Coordinator may discuss the complaint with the Superintendent or designee, district legal counsel, or the district's risk manager.

The Coordinator also shall determine whether interim measures, such as scheduling changes, transfers, or leaves, need to be taken before the investigation is completed to ensure that further incidents do not occur. The Coordinator shall ensure that such interim measures do not constitute retaliation.

3. **Written Report on Findings and Corrective Action:** No more than 30 days after receiving the complaint, the Coordinator shall conclude the investigation and prepare a written report of his/her findings. This timeline may be extended for good cause. If an extension is needed, the Coordinator shall notify the complainant and explain the reasons for the extension.

The report shall include the decision and the reasons for the decision and shall summarize the steps taken during the investigation. If a determination has been made that discrimination or harassment occurred, the report also shall include any corrective action(s) that have been or will be taken to address the behavior, correct the effect on the complainant, and ensure that retaliation or further discrimination or harassment does not occur.

The report shall be presented to the complainant, the person accused, and the Superintendent or designee.

4. **Appeal to the Governing Board:** The complainant or the person accused may appeal any findings to the Board within 10 working days of receiving the written report of the Coordinator's findings. The Superintendent or designee shall provide the Board with all information presented during the investigation. Upon receiving an appeal, the Board shall schedule a hearing as soon as practicable. Any complaint against a district employee shall be addressed in closed session in accordance with law. The Board shall render its decision within 10 working days.

(cf. 1312.1 - Complaints Concerning District Employees)

(cf. 9321 - Closed Session Purposes and Agendas)

Other Remedies

The time limits for filing such complaints are as follows:

Regulation UPLAND UNIFIED SCHOOL DISTRICT
approved: September 27, 2011 Upland, California

School –wide Dress Code

STUDENT DRESS AND APPEARANCE REGULATIONS

Under the Constitution of the State of California, the students of the Upland Unified School District have the inalienable right to attend schools that are safe, secure and peaceful. The Upland Unified School District Board of Trustees subscribes to the philosophy that students should be provided with a quality education in a safe, secure and peaceful environment. The Board has determined and finds that the presence of any gang related jewelry, insignia, colors, paraphernalia, apparel, clothing and attire on school campuses and at school activities results in substantial disruption of or material interference with institutional and other activities and so incites students as to create a clear and present danger of the commission of unlawful acts on school premises or the violation of lawful school regulations or the substantial disruption of the orderly operation of the school. Specifically, the Board finds that it is necessary to establish dress and grooming regulations designed to regulate the wearing of or display of clothing, attire, jewelry, apparel, insignia, colors, paraphernalia or materials that evidence membership in or affiliation with any gang, which are obscene, sexually explicit or suggestive; which promote the use/abuse of drugs, tobacco and/or alcohol; which pose a threat to the physical wellbeing and safety of students or are likely to cause others to be intimidated by fear of violence; or which so incite students as to create a clear and present danger of the commission of unlawful acts on school premises or at school activities, or the violation of law or lawful school regulations or the substantial disruption of or material interference with the orderly operation of the school or school-sponsored activities.

In recognition of the instructional responsibilities and goals of the Upland Unified School District, the district hereby adopts the following regulations relative to the dress and appearance of the students:

1. No gang-related jewelry, insignia, colors, paraphernalia, materials, apparel, clothing or attire may be worn or carried on campus or at school activities. Also prohibited are notebooks, manner of grooming or gesture, which, by virtue of its color, arrangement, trademark, graffiti or any other attribute, denotes membership in such a group.
2. Each school site shall allow for outdoor use during the school day, articles of sun-protective clothing, including, but not limited to, hats. Each school site may set a policy related to the type of sun-protective clothing, including, but not limited to, hats, that pupils will be allowed to use outdoors. Specific clothing and hats determined by the school district or school site to be gang related or inappropriate apparel may be prohibited by the dress code policy. No gang-related hats or other gang related head attire may be worn on campus or at school activities.
3. Clothing, jewelry, paraphernalia or material, or manner of grooming, which is obscene, sexually explicit or which depicts or suggests sexually-related or obscene gestures, pictures or wording or which promotes violence, the use/abuse of drugs, tobacco, or alcohol, may not be worn or carried on campus or at school activities.
4. No student may wear articles of clothing, jewelry, paraphernalia or accessories which pose a threat to the physical and/or emotional well-being and safety of the student or others on campus or at school activities.
5. Clothing or articles of clothing (including, but not limited to, gloves, bandanas, shoestrings, wristbands, jewelry) which are likely to provoke others to acts of violence or which are likely to cause others to be intimidated by the fear of violence may not be worn on campus or at any school activity.
6. The principal or principal's designee shall enforce the Student Dress and Appearance Regulations.
7. Gang-related clothing, apparel, attire including hats, jewelry, insignias, colors, paraphernalia and materials are prohibited from being worn at school or at school activities.

The Governing Board is committed to providing a safe, supportive, and positive school environment which is conducive to student learning and to preparing students for responsible citizenship by fostering self-discipline and personal responsibility. The Board believes that high expectations for student behavior, use of effective school and classroom management strategies, provision of appropriate intervention and support, and parent involvement can minimize the need for disciplinary measures that exclude students from instruction as a means for correcting student misbehavior.

(cf. [5138](#) - Conflict Resolution/Peer Mediation)

(cf. [6164.2](#) - Guidance/Counseling Services)

In addition, the Superintendent or designee's strategies for correcting student misconduct shall reflect the Board's preference for the use of positive interventions and alternative disciplinary measures over exclusionary discipline measures.

Disciplinary measures that may result in loss of instructional time or cause students to be disengaged from school, such as detention, suspension, and expulsion, shall be imposed only when required or permitted by law or when other means of correction have been documented to have failed. The Superintendent or designee shall create a model discipline matrix that lists violations and the consequences for each as allowed by law.

The administrative staff at each school may develop disciplinary rules to meet the school's particular needs consistent with law, Board policy, and district regulations. The Board, at an open meeting, shall review the approved school discipline rules for consistency with Board policy and state law. At all times, the safety of students and staff and the maintenance of an orderly school environment shall be priorities in determining appropriate discipline. When choosing between different disciplinary strategies, staff shall consider the effect of each option on the student's health, well-being, and opportunity to learn.

Staff shall enforce disciplinary rules fairly, consistently, and in accordance with the district's nondiscrimination policies.

Hate Crime Policies and Procedures

Hate crime policies and procedures

EC 48900.3 states that suspension or expulsion may be applied if a student “caused, attempted to cause, threatened to cause, or participated in an act of hate violence.”

Hate violence is generally directed against an individual or group of individuals because of their race, religion, ethnicity, or other characteristic.

EC 48900.4 states that suspension or expulsion may be used if a student has “intentionally engaged in harassment, threats, or intimidation, directed against a student or group of students, that is sufficiently severe or pervasive to have the actual and reasonably expected effect of materially disrupting class work, creating substantial disorder, and invading the rights of that student or group of students by creating and intimidating or hostile educational environment.”

Examples of harassment, threats, or intimidation include mad dogging (intimidating stares), statements like “you better watch your back,” any action that is intended to harass, intimidate, or threaten another student.

Students should feel free from threats and intimidation at school. These two provisions will help ensure a safe place for learning.

Disaster Procedures

Disaster procedures, routine and emergency.

Disaster Service Workers

All public employees are designated as disaster service workers subject to service as may be assigned to them by their superiors or by law (Govt. Code, Chapter 8, Section 3100). **Should a disaster strike during school hours, NO employee will leave his/her assignment under any circumstances unless officially released by the Superintendent or his designee.**

“The Upland Unified School District agrees that, after meeting its responsibilities to pupils, it will permit, to the extent of its ability and upon request by the Red Cross, the use of its physical facilities by the Red Cross as mass shelters for the victims of disasters.”

All District staff and students must be prepared to respond quickly and responsibly to emergencies, disasters, and events that threaten to result in disaster.

The Superintendent or designee shall develop and maintain a disaster preparedness plan, which details provisions for handling all foreseeable emergencies and disasters. This plan shall be reviewed and updated at least annually.

Principals are the responsible party at each site and shall augment the district plan with working plans and procedures reviewed by the Superintendent and/or designee specific to each school site. All students and employees shall receive instruction regarding these plans.

The Superintendent or designee shall consult with city and/or county agencies so that district and site plans may provide the best possible way of handling each situation and also provide for emergency communications systems between these agencies and each school site.

The Superintendent, or designee, may provide a plan that allows bus seating capacity limits to be exceeded when a disaster or hazard requires students to be moved immediately to ensure their safety.

The Board shall grant the use of school buildings, grounds, and equipment to public agencies, including the American Red Cross, for mass care and welfare shelters during disasters or other emergencies affecting the public health and welfare. The Board shall cooperate with such agencies in furnishing and maintaining whatever services it deems necessary to meet the community's needs.

Disaster simulation exercises shall be held annually at each school site and coordinated with the city when possible. The exercises shall demonstrate how safety procedures may be applied to various types of emergencies.

All employees should become proficient in first aid and cardiopulmonary resuscitation. Each principal shall ascertain that at least one staff member at each school holds a valid certificate in these areas. The Superintendent or designee shall provide for CPR in-service training to be offered at least once a year for district staff.
