We have an urgent need for proctors for the AP & IB Exams in May! Please consider volunteering!

We are looking for volunteers who can commit several hours to help us administer these important exams. To cover all the exams, we need more than 100 proctors! By using volunteers as proctors, you help our school defray the costs of administering the exams by reducing the need to hire proctors.

You do not need to have students participating in AP or IB classes to volunteer as a proctor! Parents of all grades, including freshmen and sophomores, are encouraged to volunteer!

Please note any volunteer interacting with students will have to complete the [volunteer application for BVSD](#) prior to volunteering.

Duties of proctors

Attend Proctor Training (please see details below)

As a proctor, you must be attentive to the group of exam-takers and make your presence known throughout the administration of the exam.

Duties of proctors include:

- distribution and collection of examination material
- reading of examination instructions
- being responsible for timing the exam and ensuring exam security
- supervision of the examination room, including walking around the room during testing

Exams continue through Friday, May 19. The full exam schedule with proctor sign-up slots will be sent out later this month. If you have any questions, please contact Johanna Lohr, IB Coordinator, or Ashley Flora, AP Coordinator. Thanks so much for your assistance!

State Testing- April 12, 13 & 14

Consistent with last year’s administration, our entire focus will be on supporting students as they take the test. As a result, families are asked (though not required) to arrange an excused absence from school on testing days and appropriate alternative activities of their own if their child will not be participating.
