

# Leading Edge's Full STEAM Ahead Summer Camp

at Samsel Upper Elementary School

Science  
Technology  
Engineering  
Art  
Math

Keep your children **learning** and **exploring** this summer in our special **STEAM** camp that features:

- **Engaging activities:** Hands-on projects that focus on Science, Technology, Engineering, Art and Math skills. Students will navigate the design process in unique engineering challenges, participate in math-based games, learn how science impacts their daily lives, experiment with different art mediums and much more.
- **Safe, high quality programs:** Our programs are staffed with experienced teachers and meet or exceed state and federal guidelines.
- **Flexible Scheduling:** Enroll for one week, several or all!

## Dates, Time & Pricing

Leading Edge's *Full Steam Ahead Camp* will run **Monday through Thursday** from **12:00 - 4:30PM** at a weekly rate of \$100. Sessions include the weeks of:

**7/10, 7/17, 7/24, 7/31**

## Enroll at [leadingedgekids.com](http://leadingedgekids.com)
