### VPK REGISTRATION

Volusia County Schools will provide a free, full-day Voluntary Prekindergarten (VPK) Program during the 2023-2024 school year. To apply, please contact Mrs. Parker at Timbercrest. Applying does not guarantee you a spot. Families zoned for the hosting schools with a child who will be 4 years old on or before September 1, 2023, are eligible

to apply for this VPK/Title I Early Learning Initiative. Once you receive a call stating your child has been accepted into our VPK program you will have ten days to provide the following documents to hold your spot; Certificate of Eligibility, Birth Certificate, Up to Date Shot Record, Current Physical, Two forms of proof of residence (examples: driver's license, utility bill, lease) and Social Security card or number. The Social Security number is a requested document. Timbercrest has only one class of 20 students in VPK. We will have many students on the waiting list and are required to go to the next person if you do not bring your documents in ten days. A requirement of VPK is a parent/adult must sign the child in and sign the child out daily. For this reason, they would not be able to attend a daycare following VPK or ride the school bus. VPK runs on regular school hours.

Please contact Mrs. Parker at 386-575-4221 ext. 41425 with any questions you might have.

\*\*\*\* Please note if you have already done the VPK Parent Interest Survey, no further action is needed.
