

## Careers Bulletin March 2023

### We're Back!

We realise it has been a while since our last careers bulletin, but we have been busy making a few changes.

The aim of this communication will be the same as in the past; to keep parents and students up to date with the latest employability news, share student successes and experiences and be a one stop shop for careers focussed events both in school and with external providers.

Our careers team work hard to collate as much information as possible to share with you in this bulletin however we do also post many opportunities through our school social media platform, so do make sure you are following us on Facebook!

We hope you find the content of this, and future, bulletins useful.

### Welcome!

We have now appointed a new permanent and dedicated Careers Coordinator in School. Ms Turnbull joined us just before half term and has been busy arranging our Careers and Information Fair. Ms Turnbull comes from industry with a wealth of post 16 education experience. A qualified Assessor and Verifier of apprenticeships and with two grown up children of her own, one having embarked on an apprenticeship pathway and one via Further and Higher education, she brings with her personal experience of what it is like to support your children through the difficult decisions you will all face over the coming years; and helping them to make the right decisions on what they should do when they leave KHS.....?

## Careers and Information Fair 2023

This years' event is to be our biggest event yet! We now have upwards of 37 exhibitors, with the **addition of The Coventry Building Society, West Northamptonshire Council, Warwick District Council and Fine Lady Bakeries** recently added to the initially advertised list.

With representatives from Further and Higher Education, Employers and Apprenticeship Providers, we have tried our best to cater for all. I am sure everyone who attends will find the advice and guidance on hand from the exhibitors useful and maybe even help widen the students range of career options and how to get there.

**School Sports Hall**  
Kineton High School

**1.10pm to 1.45pm**  
For students and staff only

**2.45pm to 3.30pm**  
For students and staff only

**3.30pm to 5.30pm**  
For parents/carers, students and staff

## Careers Bulletin March 2023

# Apprenticeships

## Calling all Year 11 and 13's!!

Considering an apprenticeship post GCSEs or A levels? It is most definitely not too late to consider this option as many Companies and Apprenticeship providers are at their busiest recruiting students onto their programmes for a September start. Students will notice that there have been several opportunities advertised around school on the relevant notice boards (or if not please ask them to take a look!). Alternatively please use the following link to browse all available apprenticeships and see if anything looks of interest:

<https://www.findapprenticeship.service.gov.uk/apprenticeshipsearch>

If you need any help with applying for apprenticeships please don't hesitate to ask for assistance – [turnbull.s@stowevalley.com](mailto:turnbull.s@stowevalley.com) , Ms Turnbull, Careers Coordinator.

Or additionally:

**Come speak to the companies themselves at our Career and Information Fair on Wednesday 29<sup>th</sup>!**

## Still not sure what career path to consider?

Take a look on the following websites to search either your favourite subject and where it could take you:-
