

Meeting Minutes Agenda items

- I. Welcome and check-in
- II. Review and approve notes from 9/26/22 (see attached Word Document)
- III. What did we learn from the research?

a) Activity

What would we like to make sure we consider?	What do we have wonders about?	What are some things that concern us?

- IV. Developing communication as to where we are at, encourage participation, and gather input on what we've learned from the research, and what we developed as our collective purpose from meeting one.

a) Developing next steps in sharing this information with stakeholders...

i) How we share and gather feedback/input from:

- (1) Staff
- (2) Students
- (3) Families

V. Data (preparing for next meeting)

a) We will review the following information at our next meeting (please bring any resources you have on these topics to share with the group):

- i) P. 75 (Feldman) the impact of a Zero in a traditional grading system
- ii) P. 120 (Feldman) excluding participation and effort

🏠 **Location:** Mountain View Learning Center
📅 **Date:** October 17, 2022
🕒 **Time:** 3:00-4:30

- iii) P. 131 (Feldman) impact of including homework in the grade
- iv) P. 205 (Feldman) practices that build soft skills
- v) P. 142 (Feldman) the impact of grading formative and summative work
 - (1) How can we utilize UDL in our assessments to measure learning?

VI. Closing
