Brigham Young University, C.F. Robison Tack Complex, Provo

Departure TBD Return TBD

*Notes: Invitational meets generally limit entries to four or five athletes per event per team. * This meet has limited entry dependent on times, heights, and distances achieved in earlier sanctioned meets, i.e., qualifying standards must be met for entry. ** Must qualify at Region Championships by place (top 4 in individual events, top 4 relay teams) or achieve state-qualifying event standard at an earlier sanctioned meet. Additional meets may be added to this schedule, if this occurs, they will be shared with everyone as soon as they're known.*
