Focus on Student Growth

How is the school focused on student growth this year?

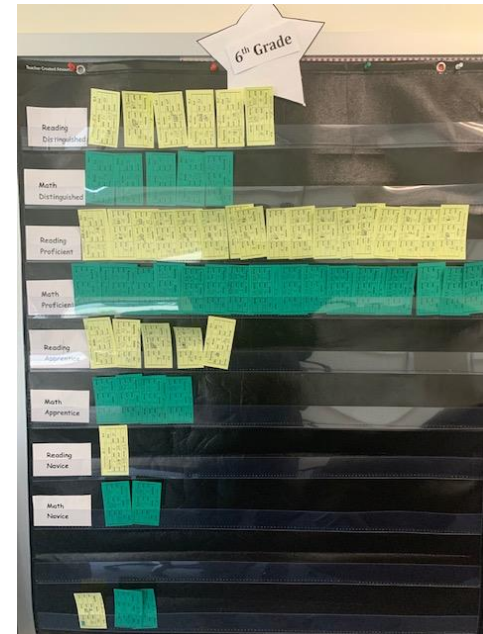

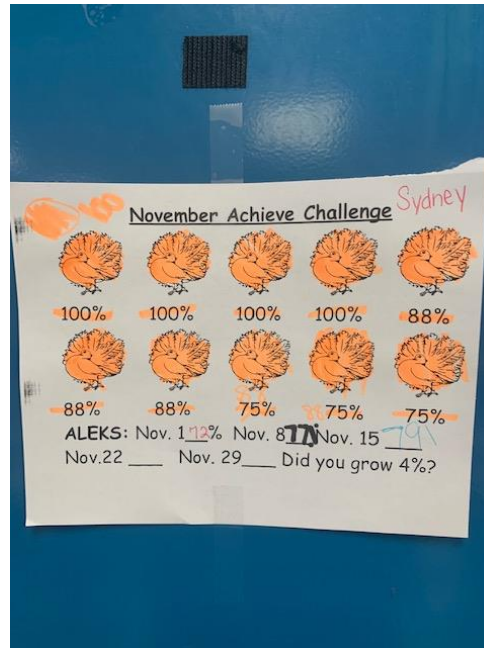

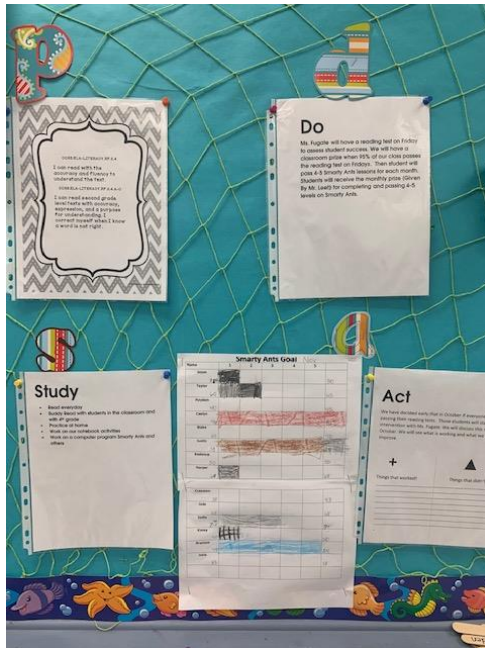

Hillsboro Elementary has a commitment to continuous improvement and student growth that consistently requires attention and revision. Our vision is to become a "School of Distinction" or "Five Star School" and we understand that a step-by-step systematic approach for developing school systems that incorporate the continuous improvement elements of Plan-Do-Study-Act (PDSA) is a very important component of our quest to become a School of Distinction or Five Star School. Without system change at the classroom and school level, the new expected levels of accountability and student growth cannot be met.

Individual Student Growth

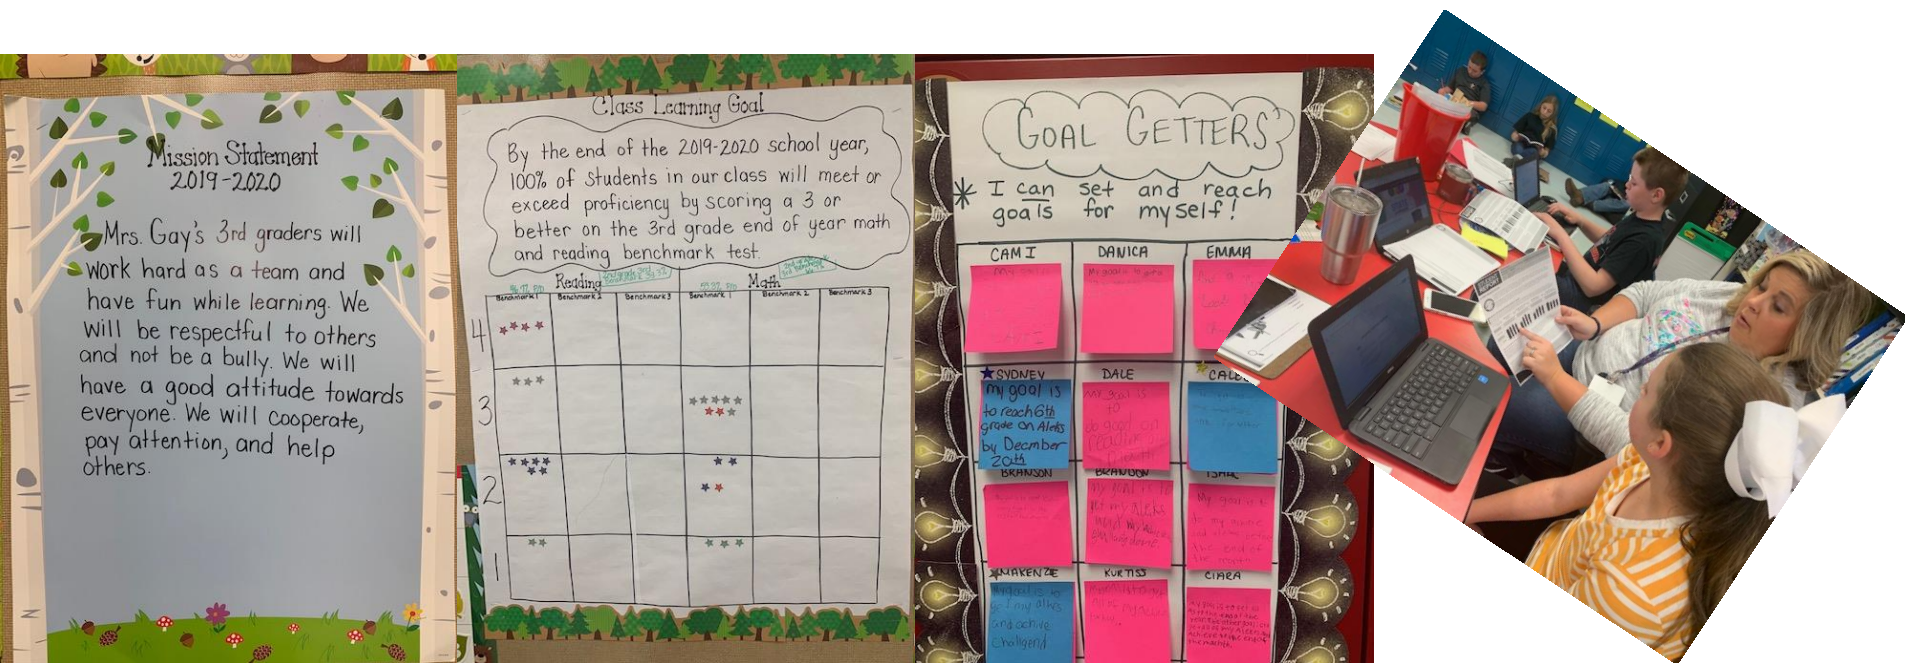

How is the school ensuring that each individual student is growing?

Grade level PLC's meet bi-weekly to intentionally track students and ensure that core instructional requirements are being met and assessed, while maintaining an intervention/enrichment program to service the needs of all learners.

Growth Goals

How are students involved in setting growth goals?

Measuring Growth

What metrics are being used to determine if a student is growing? What happens when a student is not growing?

Benchmark Assessments

MAP (K-2)

Classroom Assessments

ALEKS/Achieve 3000
