

¡Bienvenidos a la  
clase de Español!

Welcome to Spanish class!

**Dear CHA families,**

My name is Virginia Tovar, and I'm so excited to be your child's Spanish teacher. I was born and raised in Valladolid, Spain, so my first language is Spanish. I moved to Washington six years ago and this is my first year here at CHA. I'm excited about all the Spanish we are going to be learning and all the fun activities planned for the year. Our goal is to awaken an interest in Spanish through a fun, interactive, and engaging environment. Students will learn to communicate in Spanish through the spoken and written language. They will gain knowledge and understanding of Spanish culture, as well as develop insight into the nature of language by comparing Spanish and English. I look forward to partnering with you and working with your child.
