**DEPOSIT REQUIRED:** There will be a \$100.00 non-refundable deposit due within 14 days of being accepted into a preschool class to secure your student's spot. This \$100.00 will be applied to the first month's tuition.

Tuition is charged on a monthly basis starting in September. Payment is expected by the first of the month. So payment for September would need to be paid by September 1st, then paid each month by the 1st of that month. The last payment will be made by May 1st. If payment is not received and becomes late by two months your child will be withdrawn from the program. The past due balance will become a school obligation. If your child misses preschool because of a trip, illness, etc. the tuition fee still must be paid to cover that period of time. We view registration as a contract between parents and the school district.

Each application will be processed using our selection criteria for enrollment in the classes you indicated interest in. You will be notified if your child has been added to the roster for enrollment.....
