****The blank copies of these documents are on our website: <https://www.gallialocal.org/forms-links> Or you can pick up a copy from your building secretary or from Penny at the GCLS Central Office.**

8. **If possible, scan these documents and save digital copies on your computer or device.** You can also take a picture of the documents with your phone--and if the documents are clear to read--you can save those items to your phone for upload. Usually, when you take a picture, you have the option to share the picture via email. If you share your pictures to your email address and can access your email on your phone, you can download these images as the documents you can upload. We understand that some of you may not have access to make digital copies of your documents. If that is the case, you can bring them to your building secretary or the central office and we will help you with that step or upload them for you.
9. **Complete the Enrollment Application at the following link:**
<https://meta.infinitecampus.org/campus/OLRLoginKiosk/galliaCounty>
Select start a new application. When asked if the child previously attended the district SELECT "No". (This is a processing issue. If you select "yes", you won't be able to complete the new application.)
10. **Students who are currently enrolled in Gallia County Local Schools DO NOT have to complete a new OLR.** Caregivers of currently enrolled students will complete an Annual Update in August. However, **PK students returning to PK will need to submit** a new ODE Medical Statement, Insurance Card, Student's Social Security Card, a new ECE Form, 2022 Tax Return, and if applicable: Custody Documents, K-12 Medication Form, Open Enrollment Form. These can be submitted to the teacher and teaching assistant. The site will upload and notify central office.
