

YOU'RE INVITED!

*Grandparents &
Special Friends Day*

March 31, 2023 | 9:30 AM
EPISCOPAL COLLEGIATE SCHOOL

We are excited to welcome you on Friday, March 31, for Grandparents and Special Friends Day! We will have a special all-school program at 9:30 a.m. featuring performances from students in all three divisions, a reception, and time for you to experience the campus.

After the all-school performance, you will have the opportunity to visit and interact with your grandchild(ren) in their respective division. We have created a [Grandparents and Special Friends webpage](#) complete with a campus map and detailed schedule. You will be able to visit your grandchild's classroom, attend a 7th and 8th Grade Science Expo, or partake in a "demo" Upper School class:

- *"Religious Education at an Episcopal School"* - Father Rob Leacock, School Chaplain
- *"The Other World War II"*- Dr. Bruce Hall, History Department

On-campus parking will be available, yet limited, as construction has begun for the enhancements to the existing football stadium. Overflow parking will be available at Dillard's Headquarters located directly across Cantrell. We will have shuttles available to help transport guests to the Championship Gym.

Please contact Associate Head of School for Strategic Initiatives and Enrollment Management, Matt Radtke at mradtke@episcopalcollegiate.org or Director of Advancement, Hannah Bryan at hbryan@episcopalcollegiate.org with any questions you may have.

If you have not registered for the event please [use this link](#) or the button below. We look forward to seeing you and celebrating this special day once again!
