Week of the Young Child

April 3-7, 2023

“Celebrating Our Youngest Learners!”

Child Care Program

Each year, the National Association for the Education of Young Children acknowledges the importance of educating young children by holding a week-long celebration focused on the earliest learners and honoring those who teach them. We invite you to join us in the celebration of this special week. This year’s theme focuses on the importance of learning for the young child. This year’s activities combine fun and learning through each day’s projects.

April 3, 2023-Music Monday!

Through music, children develop math, language, and literacy skills. Children will be encouraged to use this day to explore music in many fun ways. Today, the children will have a marching parade up and down the hall way and if weather permits, down the sidewalk.

April 4, 2023- Tasty Tuesday!

This fun, food –themed day is about more than just cheese and crackers. Cooking together connects math with literacy skills, science and more. Today the children will create a food dish in their individual classrooms.

April 5, 2023-Work Together Wednesday!

When children build together they explore math and science concepts and develop their social and early literacy skills. Today, the children will work with buddies to build towers or forts and play games together. What a perfect day to talk about friendship, and being a super hero! **Children can dress up like their favorite superhero today/wear a superhero shirt.**

April 6, 2023-Artsy Thursday & Appreciation Thursday!

Children develop creativity, social skills and fine motor skills with open-ended art projects where they can make choices, use their imaginations, and create with their hands. Today the children will create their own master piece with many types of materials ready for them to use. In addition, to Artsy projects, it is also time to tell your teacher how awesome they are! NCECC-St. Therese will have a special lunch for staff today! **Be comfy and wear your pajamas today!**

April 7, 2023 – Family Friday/Good Friday
