Bullying/Harassment

Harassment, intimidation, or bullying toward a student, whether by other students, staff, or third parties is strictly prohibited and will not be tolerated. Pursuant to Ohio Revised Code 3313.666, the Madeira City School District Board of Education has developed an Anti-bullying Policy (5517.01) that prohibits aggressive behavior, physical, verbal, and psychological abuse and violence within a dating relationship. The Board of Education will not tolerate any gestures, comments, threats, or actions, which cause or threaten to cause bodily harm or personal degradation. This policy applies to all activities in the District, including activities on school property, on a school bus, or while en-route to or from school, and those occurring off school property if the student or employee is at any school-sponsored, school-approved or school-related activity or function, such as field trips or athletic events where students are under the school's control, in a school vehicle, or where an employee is engaged in school business. Harassment, intimidation, or bullying includes any intentional written, verbal, electronic (i.e., internet, e-mail, cellular telephone, personal digital assistance (PDA), or wireless hand-held device), graphic, or physical act that a student or group of students exhibits toward another particular student(s) and the behavior both causes mental or physical harm to the other student(s) and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student(s). If you suspect that a student is being bullied or harassed please contact your child's school principal, or call the Safe Schools hotline (1-866-724-6650). Reports can be submitted anonymously.
