“ Every member of the MHS Class of 2019 attending a college, university, career training program, or entering the military is the recipient of a \$250 monetary scholarship. You are only the second graduating class in school history to receive this unique award.

The scholarships were established thanks to a generous donation from the estate of Homer O. Amos - a long-time Madeira resident and business owner who was proud of his sons' graduations from Madeira High School in the early 1970's. When Mr. Amos passed away in 2016 at the age of 90, his generous gift of close to \$785,000 provided the foundation the unique Made in Madeira Scholarship has been built on.

As you know, Madeira is an incredibly special place. Students, your parents and this Madeira community have supported you each step of the way. This scholarship reads *Being Made in Madeira is not about how you start, it's how you finish. It's not only about who you are but who you can become. Being Made in Madeira is not about get-ting, it's about giving. And if things aren't quite perfect or you've hit a roadblock or a bump along the way, being Made in Madeira means that it's never too late to change your path or course of direction - because above all else being Made in Madeira means that you never, ever give up.* 💧

- Superintendent Kenji Matsudo
to members of the Class of 2019

years in a row that every graduate attending a college, university, career training program, or entering the military received a \$250 Made in Madeira scholarship
