“

While leaving Madeira behind is bittersweet, I have been blessed with great friends and memories that I will take with me wherever I go.

- Raleigh Potluri

“As the course of my life evolves, so do I. I have no doubt that my route to happiness and fulfillment will be changed more times than I can count.”
- Kelsie Parker

“

I'm taking a gap year to decide what I want to do. I was accepted at several schools but couldn't decide if I wanted to have an art career or be a lawyer.

- Abbey Gray

”

“

I learned coding in math class, which will help in my Cyber Security and Computer Science & Mathematics classes at Wittenberg.

- Hannah Petty

”

“I'm doing missionary work this summer, and dual majoring in Christian Ministry and Business. I knew pretty early on what I wanted to do.”
- Chip McFarland

“

I would like to work for, or open, my own custom auto shop. Geometry was the class that helped the most to prepare me for that.

- Austin Ruth

”

“

As we walk out of the front door of Madeira High School, we carry with us, knowingly or unknowingly, the wisdom of some of the greatest role models.

- Nick Ramos

”

“... you worked long and hard to form unbreakable bonds. Keep in touch with your friends, meet up during the holidays, and always remember your family wherever you are.”
- Gabriella Gugino

“

As a class, you have achieved the excellence that personifies our school district's mission. Among you are national merit scholars, 4.0 students, talented writers, artists, musicians, actors and athletes. But perhaps most importantly, your well-roundedness includes students of high character - willing to give of yourselves, caring about each other, and giving back to those in need. Graduating

from Madeira High School means something --- it means that you have been tested, challenged, and stretched in your abilities in preparation for your next journey, your next set of accomplishments. I would encourage you to follow your dreams and meet that next challenge with confidence ... knowing that as a graduating member of the Class of 2017 at Madeira High School, you have been well prepared and now have an expectation to go make a difference in our community and this world.”

-Kenji Matsudo, Madeira City Schools Superintendent

“

The most important lesson I've learned in high school is that in order to be happy, you have to let go of your fear and be yourself.

- Maddie Faris

”
