Madeira School District Welcomes New 2021-2022 Staff

The newest members of the Madeira City School's family were welcomed to the district at the annual New Staff Orientation on August 12. After coffee and bagels, the day began with an introduction and overview of the district's goals by Superintendent Kenji Matsudo and Assistant Superintendent Dave Bergan. The new employees were then introduced to district operations by Treasurer Emily Hauser; Registrar and Administrative Assistant to the Superintendent Lora Graziani; Public Relations Director Diane Nichols; Technology Coordinator Matt Jones; Student Services Director Jessica Hunter; and Facilities Manager Druien Downs. After a tour of the City of Madeira, new staff members were treated to lunch and then returned to their individual buildings. The New Staff Orientation was held courtesy of the Board of Education.
