Senior Student-Athletes and Parents,

This letter is to help clarify how our athletic department will celebrate and acknowledge athletes who commit to participating in collegiate athletic programs.

There are a few different methods for students to commit to collegiate programs. Depending upon the level of the university and/or the status of a scholarship, students can either sign a National Letter of Intent (NLI) or a Celebratory Signing Form. Depending upon the sport, there are specific dates for how early and how late these signings can occur. Our system will allow all students to be recognized regardless of what college level they choose.

Since senior athletes commit to college programs at various times throughout the school year, the athletic department will hold three signing days throughout each school year. We will hold the first event in late November or early December, the second one in late January or early February, and the final one in late May or early June. The exact dates will be published on our website each year and sent to our coaching staff. Holding three ceremonies at various points during the year will help ensure that all athletes who will pursue college athletics programs are recognized and celebrated.

In an effort to assist us in the planning process, we ask that you please complete the attached informational form and return it to Chris Daly, Athletic Coordinator. We look forward to celebrating all of our senior athletes committing to collegiate athletic programs with families at one of our designated ceremonies.

Sincerely,

Michael Murray

Congratulations on your outstanding accomplishment and your commitment to participate in collegiate athletics. Please fill out this form and return it to Chris Daly, Athletic Coordinator.

Student-Athlete Name: _____

Parent(s) Name: _____

Parent Email: _____

Parent Cell Phone: _____

Name of College or University Committing To: _____
