1. Pop Whalen MOU Revision, the committee reviewed this draft document. They went section by section and added some new language, updated dates, deleted lines that were not appropriate and the committee requested once the revisions were completed that a new draft copy be sent to the school board for their review. Each member had input for this revision.
2. Other Business-The business administrator followed up with information regarding the lighting replacement inside of the auditorium at the Kingswood Art Center. There was money for the lighting replacement in the capital improvement line and if need be the district could tap into the Building and Maintenance Trust account.

No other meeting was set.
