Dr. Keith W. Hilts, Superintendent of Schools

Dear Wausau School District Community:

We continue to be deeply shocked and saddened by the events that occurred yesterday at the Covenant School in Nashville, Tennessee.

We know that these are difficult topics for our students, even us as adults, to understand and process. We want you to know that if you and/or your child has any questions or concerns, our Pupil Services staff is ready to provide support. We encourage students to speak with a counselor or another trusted adult if they need any help processing the news.

Additionally, we want to assure you that the safety of our students and our staff is our top priority. We are constantly reviewing our security measures to ensure that we are doing everything we can to maintain a safe and healthy environment.

As always, we continue to encourage our school community to speak up if they see or hear anything that could represent a potential threat to school safety. Your students can always turn to a trusted adult and/or law enforcement to share their concerns.

Please join us in keeping the Nashville community in our thoughts at this time.

Sincerely,

Dr. Keith Hilts
Superintendent
