Please e-mail this referral form to loweryj@pacificu.edu no later than 4 days prior to the appointment.

Password Protect the referral form before sending using MS Word: Password for the low vision clinic is **lowery**. Here's How:

Windows: MS word 2007 or earlier: Click on the "Office Button", Select Prepare, Select Encrypted Document, On the Encrypted Document box, type a password, Confirm password, Click OK (**For Office 2010, 2013:** Go to File---> Info----> Protect Document)
MAC: Go to Word-> preferences and open Security, you can enter a password for securing the document and making it read only...so it cannot be modified once opened unless you have the password.

- Other information (latest eye report(s) from primary eye doctors and Functional Vision Assessment) must be available to review at the time of the appointment or can be sent to Dr. Lowery at 30100 NE Benjamin, Newberg, OR 97132
- Dr. Lowery (cell) 503-550-6855, Home phone: 503-538-8063
- Exchange of Information between Statewide Low Vision Clinic and Regional Program/School District forms will need to be signed by the parent prior to examination.
- After the exam, Dr. Lowery will send the exam report as a pdf document, password protected with same password (lowery) required to open it.
