

LINK INK with Mr. Bender! Summer Sessions at WES

This week-long comic book workshop will teach students the basic concepts for creating a comic book like penciling, inking and lettering. Students will learn how to write and illustrate different genres popular in comics. Comic books will be made available to students to look through based on the daily themes.

Day One – Crash course in what a comic book is and the format for illustrated storytelling. Students will also create an epic fantasy comic.

Day Two – Students will create a classic horror comic featuring monsters from the darkest parts of their imagination. (Man Eating Plants! AHHHHH!)

Day Three – Students will write and illustrate a comic based on their super serious (not silly) imaginations. Seriously.

Day Four – Students will boldly go into the future and then create a story about it.

Day Five – Is it a bird? Is it a plane? No, it's your student's superhero comic.

\$80.00 cost to attend - 3:00 P.M.-4:00 P.M. All levels of artists are welcome.
