Dear Spartan,

Thank you for joining our Stand Tall organization.

Stand Tall has been an integral part of the DePaul Catholic Community for 20 years.

This voluntary drug testing program offers you the opportunity to take a personal stand against drug abuse and to also provide your family with the positive example of your own personal growth and maturity.

Thank you for being courageous and setting a positive example for your classmates.

Sincerely,

Natalie Burd

Dean of Students  
DePaul Catholic High School
