

Board Regulation JCDA-R(2): Student Code of Conduct

Status: ADOPTED

Student Code of Conduct**A. STATEMENT OF PURPOSE**

The Troup County Board of Education strongly believes that appropriate behavior and conduct of all students in the Troup County Schools is necessary to create a proper learning environment, to maintain good order and discipline, and to teach and instill in all students the attitude of being law abiding citizens. The rules, regulations, and due process procedures set forth herein are designed to guide all students in the exercise of their duty of appropriate behavior.

B. EFFECTIVE TIME AND LOCATION

These rules are effective during the following times and in the following places:

1. On the school grounds during and immediately before or immediately after school hours or off school grounds while enroute to or from school.
2. On the school grounds at any other time when the school is being used by a school group or at school related functions.
3. Off the school grounds at a school activity, function, or event.
4. Enroute to and from school on a school bus or other school vehicle or while waiting off school grounds at a designated school bus stop for a school bus to transport a student to or from school or a school activity.
5. Off school grounds when the prohibited conduct is directed, because of a school-related connection, against the person, family, property, privacy or tranquility of an employee of the Troup County Board of Education.
6. Apply to conduct by student whether directed to or committed upon another student or a teacher, administrator, or other school personnel or toward persons attending school related functions.
7. Apply to any off-campus behavior of a student which could result in the student being criminally charged with a felony and which makes the student's continued presence at school a potential danger to persons or property at school or which disrupts the educational process.

These offenses are applicable to include acts against students, teachers, administrators, bus drivers, or other school personnel, as well as persons legitimately on school property or attending school related functions

C. STUDENT BEHAVIOR CODE

Accordingly, the following listing of offenses and conduct are declared to be prohibited by all students enrolled in the Troup County Schools. Violation of this policy shall result in disciplinary actions and may include appropriate hearings and review, and the suspension, short or long term, or the expulsion of a student from the school in accordance with Troup County Board of Education policies.

Codes 00 - 44 in the following list of offenses are aligned to the Georgia Department of Education Discipline Matrix utilized for state reporting purposes. Codes 45 - 50 are TCSS disciplinary codes to provide clarity for additional behaviors. For state reporting purposes these codes have been aligned to state codes.

Progressive Discipline Process

Progressive Discipline is a systematic approach utilizing a continuum of interventions, supports, and consequences. The purpose of the progressive discipline model is to make every reasonable effort to correct inappropriate student behavior with logical consequences and restorative responses. Administrators will use a range of identified behaviors along with a range of possible responses that support the corrective action of the behavior. This process creates an environment where the degree of discipline corresponds with the severity of the behavior leading to the discipline, and follows all due process procedures. Determining the most appropriate disciplinary response for a given circumstance involves the exercise of discretion. Progressive discipline can include prevention measures, early and ongoing interventions, short or long term suspension, or other disciplinary responses to address inappropriate behavior. All interventions and disciplinary responses should be selected and implemented to assist students in understanding why the behavior is unacceptable, take responsibility for their action, and understand how they could approach the situation differently to avoid repeated inappropriate behaviors which may result in more serious consequences.

LEVEL 1	Level 1 behaviors represent minor disruptions to the classroom and/or the school environment. These behaviors may or may not require administrative intervention. With level 1 behaviors, the goal is to correct the behavior while limiting time missed from class. Staff should use responses in a graduated fashion.
LEVEL 2	Level 2 behaviors represent acts against a person(s) or property that endanger the health or safety of others in the school or severely impacts or disrupts the school environment. Level 2 may also include repeated similar offenses. These offenses may result in the removal of the student from the school environment and school related activities. Unless otherwise stated, administrative discretion may be used in order to limit the educational impact for a student while appropriately addressing the seriousness of the offence. Response options may include combinations of interventions, resolutions, and discipline up to and including disciplinary tribunal hearings and involvement of law enforcement.
LEVEL 3	Level 3 behaviors represent acts against a person(s) or property that may directly or indirectly endanger the health or safety of others. Level 3 discipline offenses represent the most serious acts of misconduct and must be immediately reported to the principal. These violations are so serious that they may require use of outside agencies and/or law enforcement. Such acts may also result in criminal penalties being imposed. Any misconduct that threatens the health, safety, or well-being of others may result in immediate suspension of the student from the school and/or school-sponsored activities, pending disciplinary investigation of the allegations. A disciplinary tribunal hearing may be required based on the findings of the investigation.

DISCIPLINARY PROTOCOL AND PROCEDURE

A. TYPES OF CONSEQUENCES OR CORRECTIVE ACTION

In-School Suspension, Short-Term Suspension, Long-Term Suspension, or Expulsion may be imposed on a student for any violation of the Student Behavior Code.

1. **In-School Suspension:** In-school suspension is the isolation of a student during the school day from the regular classrooms and activities of the school with a continuation of the student's progress with classroom assignments and additional support as deemed appropriate by the ISS instructor unless otherwise identified and is not limited to academics, behavioral and/or social skills development.
2. **Short-Term Suspension:** Short-term, out-of-school suspension as defined in O.C.G.A. §20-2-751(3) means the denial to a student of the right to attend school and take part in any school-related functions for a period not to exceed ten (10) consecutive school days. The principal and assistant principal of any school shall have the discretionary power to impose a short-term suspension.
3. **Long-Term Suspension:** Long-term as defined by O.C.G.A §20-2-751(2) means the denial and suspension of a student of the right to attend school and take part in any school-related functions for more than ten (10) consecutive school days but not beyond the current academic term. A student may receive long-term suspension only as a result of a student disciplinary hearing before a Disciplinary Hearing Tribunal. A student shall be subject to long-term suspension or expulsion for violation of the rules for student behavior, conduct and discipline as set forth in these policies but only after a hearing or opportunity for a hearing in accordance with the rules and procedures hereafter set forth.
4. **Expulsion:** Expulsion as defined by O.C.G.A. §20-2-751(1) means the denial to a student of the right to attend school and take part in any school-related functions beyond the current academic term, and any greater duration deemed appropriate by the Disciplinary Hearing Officer including but not limited to the remainder of the current semester, school year, an entire school year or years, or permanently. Expulsion may only be imposed by action of the Disciplinary Hearing Tribunal after the student has been afforded notice, opportunity for hearing, and other procedural rights prior to such expulsion becoming effective.

B. GENERAL DISCIPLINE PROCEDURES

All violations of the Student Behavior Code shall be investigated and punishment imposed as warranted by the nature and circumstances of the violation. A principal in his/her discretion may (but is not compelled) administer appropriate disciplinary action such as in-school suspension or short-term suspension for certain violations at the school level without referral to a disciplinary hearing for students committing violations of the Student Behavior Code.

However, a principal does not have the authority to impose and must refer a student to a disciplinary hearing for the imposition of long-term suspension, expulsion or assignment to an alternative education program. A principal at his/her discretion may refer any violation of the Student Behavior Code for a disciplinary hearing.

All third offenses for (03) Battery, (08) Fighting, and (17) Threats and Intimidation shall be referred for a disciplinary hearing as is required for mandatory hearing offenses.

When a violation of the Student Behavior Code is a non-mandatory offense, the same procedure shall be followed as in investigations of any alleged mandatory hearing offense provided hereafter.

At the beginning of each school year, the principal or other designated administrator shall conduct such convocations, student assemblies or other proceedings with all students enrolled in each school so as to explain with particularity, the Student Behavior Code and the disciplinary protocol followed to include Mandatory Hearing Offenses.

C. DISCIPLINE OF STUDENTS IN GRADES K-5 AND STUDENTS WITH DISABILITIES

Students in grades K-5 are subject to and shall abide by the Student Disciplinary Code. However, the disciplinary hearing process including the mandatory hearing offenses shall not apply to students in grades K-3. The Superintendent shall determine the disciplinary actions or proceedings for students in grades K-3. Students in grades 4 and 5 who commit a mandatory hearing offense will not normally be brought before a tribunal. However, the principal of each elementary school in consultation with the Superintendent may treat an offense committed by a student in grades 4 and 5 as a mandatory hearing offense based upon the nature and circumstance as well as the student involved and refer the student to a disciplinary hearing.

Alternative School placement will not be made for students in grades K-5 as the provisions of the alternative school grant does not permit the assignment of students below grades 6-12 to the Alternative School.

Students with disabilities will be disciplined in compliance with applicable federal and state laws and regulations. The procedures set forth in this regulation may or may not apply to a student with disabilities depending on the circumstances and as determined by the appropriate team of teachers and administrators. If you have questions about the disciplinary process as it relates to a student with a disability and those questions cannot be answered at the school level, please contact the Director of Exceptional Education. For greater detail see the General Student Discipline section F of this document.

D. MANDATORY HEARING OFFENSES

The Troup County Board of Education believes that certain violations of the Student Behavior Code outlined herein cannot be tolerated under any circumstances and because of the nature and consequences of the violations immediate school and judicial intervention is required. Those offenses shall hereafter be defined and referred to as Mandatory Hearing Offenses. The following violations of the Student Behavior Code shall be classified as Mandatory Hearing Offenses:

Mandatory Hearing Offenses: The following are mandatory hearing offenses for all middle and high schools:

1. Middle and High Schools (Grades 6-12): (01) Alcohol – Level 3, (02) Arson – Level 3, (07) Drugs, Except Alcohol and Tobacco, (09) Homicide, (10) Kidnapping, (11) Larceny – Level 3, (12) Motor Vehicle Theft, (13) Robbery, (4) Sex Offenses – Level 3, (22) Weapons – Knife – Level 3, (23) Weapons – Others – Level 3, (25) Weapons – Handgun, (26) Weapons – Rifle/Shotgun, (27) Serious Bodily, (28) Other Firearms, (44) Violence Against a Teacher, (46) Hazing.
2. Elementary Schools: There shall be no Mandatory Hearing Offenses for Grades K-5. However, the principal of each elementary school in consultation with the Superintendent may treat an offense as a Mandatory Hearing Offense based upon the nature and circumstance of the offense and the student involved. Unless specifically stated in the policy, discipline for students in grades K-5 will be at the discretion of the principal; however, discipline determinations by tribunal also apply to students in K-5 if the principal deems it to be necessary. In grades K-5, students' unstructured time may be withheld for violation of general school discipline or for specific violation of any school rule.

E. DISCIPLINE PROCEDURES

1. Upon reasonable suspicion that a student has committed an offense warranting a Disciplinary Hearing Tribunal, the principal or administrator in charge of discipline at each school shall immediately separate the student from the rest of the student body while the investigation of the conduct is being conducted. The principal or administration in charge of discipline shall advise the student that evidence exists that the student may have committed an offense warranting a Disciplinary Hearing Tribunal. See policy JCEB: Student Hearing Procedure for further clarification of the Hearing Process.
2. The school administrator shall advise the student that (1) the offense which the student is alleged to have committed carries the consequences of a mandatory referral to a Disciplinary Hearing of the Troup County Board of Education with short term suspension pending the hearing of the charges by the Disciplinary Hearing Officer; and (2) if the circumstances warrant it, that the alleged violation of the Student Behavior Code is being reported to the appropriate law enforcement agency in which the school is located and to the Juvenile Court of Troup County.

3. Upon completion of the investigation of a Mandatory Hearing Offense and a determination that grounds exist for charging a student with an offense, the principal shall first, make a reasonable attempt to notify the student's parents, and then if appropriate, the Juvenile Court of Troup County and the appropriate law enforcement agency.

4. **Imposition of Pre-Hearing Placement.** For Mandatory Hearing Offenses, the principal or school administrator may impose short term suspension upon the student by removing the student from the general school population for not more than ten school days pending hearing before a Disciplinary Hearing Officer or Tribunal. Short term suspension may include placement of the student in an In-School Suspension program in addition to Out of School Suspension. Out of School Suspension should be considered and used only in situations which would place other students at risk of injury or would result in the disruption of the educational mission of the class or school in which the student is enrolled or placed pending the Disciplinary Hearing. In the event that Out of School Suspension is imposed pending the Disciplinary Hearing Tribunal, the Juvenile Court shall be notified of the Out of School Suspension.

5. **Referral to a Disciplinary Hearing.** Following the commission of a Mandatory Hearing Offense, the student shall be referred to a Disciplinary Hearing Officer or Tribunal of the Troup County Board of Education. The hearing of the disciplinary charges before a Hearing Officer or Tribunal shall be within ten (10) school days of the day on which short term suspension is imposed and removed from the general student population. Where extenuating circumstances exist, the hearing by the Disciplinary Tribunal may be held more than ten school days following notification of charges; provided however, that the student must be returned to the general school population at the end of the short term suspension.

6. **Juvenile Court.** If warranted by the circumstances, the principal of the school in which the student is enrolled shall consult with and, to the extent and in the manner allowed by law, provide to the education protocol officer of the Troup County Juvenile Court such educational records on the student to include attendance, grades, standardized test scores, and disciplinary record as may be needed for an evaluation of the student by the Juvenile Court.

7. **Cooperation with Law Enforcement.** It shall be the further policy by the Troup County School System that all school administrators and personnel shall work together with law enforcement officials and Juvenile Court officials to provide counseling, joint supervision, school based community service, educational assistance, and anything necessary to prevent violence and provide for conflict resolutions and other interventions designed to address particular needs to a student who violates a provision of the Student Behavior Code where such offense also carries potential criminal consequences.

F. PROTOCOL AND MANDATORY PUNISHMENTS FOR OFFENSES AGAINST SCHOOL PERSONNEL

1. **Procedure** - Any student who is alleged to have committed any act of physical violence as defined in Section 44 – Violence Against a Teacher or Section (3) – Level 3 violence against other school official or employee, or school bus driver shall be referred to a disciplinary hearing tribunal of the Troup County Board of Education. The student alleged to have committed such act of physical violence shall be suspended out of school pending a hearing by the tribunal. The tribunal will be composed of three teachers or certified education personnel appointed according to Board policy. The tribunal shall determine all issues of fact and intent and shall submit its findings and recommendations to the Troup County Board of Education for imposition of punishment if the student is found guilty of the charges. The tribunal's recommendations shall include a recommendation as to whether the student may return to the public school and if return is recommended, the recommended time for the student's return to Troup County Schools. The Troup County Board of Education may follow the recommendation of the tribunal or it may impose penalties not recommended by the tribunal regardless of whether such penalties may be harsher and not recommended.

2. **Punishment for Violation of (44) and (3) – Level 3 Battery of other school official or employee** - Any student found by a tribunal to have committed an act of physical violence by intentionally making physical contact of an insulting or provoking nature against a teacher, administrator, school personnel or employee, or bus driver may be disciplined by expulsion, long term suspension or short term suspension as those terms are defined in the Official Code of Georgia and Troup County Board of Education Policies.

3. **Punishment for Violation of (44) and (3) – Level 3 Battery of other school official or employee - resulting in physical harm** - A student found by a tribunal to have committed an act of physical violence by making physical contact, which

causes physical harm as defined in Section (44) and (3) against a teacher, administrator, school personnel or employee, or a bus driver shall be expelled from the Troup County Schools. The expulsion shall be for the remainder of the student's eligibility to attend public schools pursuant to O.C.G.A. 20-2-150. The Troup County Board of Education, at its discretion, may permit the student to attend an alternative school program for the period of the student's expulsion. If the student who commits an act of violence by making physical contact which causes physical harm is in Kindergarten through Grade 8, then the Troup County Board of Education, at its discretion, and on the recommendation of the tribunal may permit such student to re-enroll in the regular public school program for Grades 9 through 12. If Troup County Board of Education does not operate an alternative education program for students in Kindergarten through Grade 6, the Troup County Board of Education, at its discretion, may permit a student in Kindergarten through Grade 6 who has committed an act of physical violence against a teacher, administrator, school personnel or employee, or bus driver to re-enroll in the public school system.

4. **Juvenile Court Referral** - Any student found by a tribunal to have committed an act of physical violence as defined in Section (44) or (3) against a teacher, administrator, school personnel or employee, or bus driver shall be referred to Juvenile Court.

G. MANDATORY CONSEQUENCES – The following punishments shall also be mandatory as required by federal or state law or policy:

1. **Firearms** - A student found to have violated Section (22), (23), (25), (26), or (28) Level 3 shall be expelled from the Troup County schools for a period of not less than one (1) calendar year. On a case by case basis, a Disciplinary Hearing Tribunal or the Superintendent are authorized to place a student determined to have brought a firearm to school in the Troup County alternative school program if extenuating circumstances are found to exist.

2. **Bullying and Cyberbullying** - Any student in grades 6-12 who has committed and been punished twice for the offense of bullying and cyberbullying as defined in Section (29) Bullying and Section (45) Cyberbullying who is alleged to have committed a third act of bullying or cyberbullying within a school year shall be referred to a hearing before a Disciplinary Hearing Tribunal. If the student is found guilty of a third offense by the tribunal of the offense of bullying or cyberbullying, the student shall be assigned to the Troup County alternative school program for such time as the tribunal deems appropriate; provided however, this shall not prohibit the expulsion or long term suspension of the student for the third offense. At the discretion of the school administration, a student may also be referred to a disciplinary hearing tribunal for a first or second offense of bullying or cyberbullying.

3. **Bus Conduct** - If a student is found to have committed (3) Battery;(8) Fighting; (29)Bullying on a public school bus, in addition to any punishment imposed, a meeting between the parent or guardian of the student and appropriate officials from the Troup County School District shall be held to form a school bus behavior contract for the student. Such contract shall provide for progressive age, appropriate discipline, penalties and restrictions for student misconduct on the bus. Contract provisions may include, but shall not be limited to, assigned seating, ongoing parental involvement, and suspension from riding the bus. Nothing contained in this section shall be construed so as to limit the incidences wherein a student bus behavior contract may be required.

H. ALTERNATIVE DISCIPLINE RESOLUTION

The Troup County Board of Education supports the disciplinary hearing process and requirements established by Georgia law and, in particular, its policy to designate mandatory disciplinary hearings for certain offenses. The Troup County Board of Education believes that, in certain circumstances, a less adversarial, informal disposition of breaches of the Troup County Board of Education Student Behavior Code can produce positive changes in individual student discipline and student attitudes towards discipline.

The Troup County Board of Education institutes and authorizes the following alternative discipline resolution (ADR) process:

1. **Purpose.** The purpose of ADR is to allow administrators of each school and parents to meet, discuss and agree on long-term suspension, expulsion or assignment to an alternative education program as punishment to be imposed for particular offenses committed in violation of the Troup County Board of Education Student Behavior Code and to waive and forego a disciplinary hearing tribunal on the charges.

2. **Applicable Offenses.** ADR shall be used for all violations of the Student Behavior Code, whether mandatory or non-mandatory hearing offenses, for which long-term suspension, expulsion or assignment to an alternative education program are to be recommended by the Principal.

3. **Process.** Upon completion of an investigation conducted in accordance with the Disciplinary Protocol set forth above of a probable Student Behavior Code violation, the school administrator shall then notify the parent and student of the ADR process and the availability of the ADR process in lieu of a disciplinary hearing before a tribunal or hearing officer. If the parent and the student avail themselves of the ADR process, the student and parent and the school administrator shall meet to discuss the violations of the Student Disciplinary Code, to receive admissions of guilt and to discuss and impose punishment for the offenses committed.

Should the school administrator determine that neither the student nor the school will benefit from an ADR, the school administrator shall proceed with a disciplinary hearing as provided for under this Student Behavior Code and other Troup County Board of Education policies. Likewise, should a student or parent determine that they do not desire to participate in an ADR, the school administrator shall then proceed with a disciplinary hearing for the offenses committed

4. **Waiver of Hearing and Appeal.** If a student and parent agree to a consequence from an ADR, they will be required in writing to waive a formal hearing and to agree and waive any rights of appeal of the ADR or the punishment imposed to the Troup County Board of Education or the State Board of Education. If a student or parent refuses to waive a hearing or refuses to agree to accept ADR punishment and waive all appeals, the student shall be referred forthwith to a disciplinary hearing tribunal.

5. **Punishment Imposed.** As a result of an ADR, a student may be punished for a violation of the Student Behavior Code by the imposition of short-term suspension, long-term suspension, expulsion or assignment to the Troup County Hope Academy. Permanent expulsion shall not be imposed or agreed to through an ADR, such being reserved for imposition by a disciplinary hearing only.

6. **Impact.** The discipline of a student under ADR shall be a part of the student's disciplinary records and carry the same importance and impact as if the student was disciplined by a disciplinary hearing tribunal. ADR shall be reported for a transferring student to a receiving school system as required by Georgia law.

7. **Time of ADR.** ADR shall be completed within ten (10) school days of the date on which short-term suspension is imposed and the student is removed the general school population. Where extenuating circumstances exist, ADR may be held more the ten (10) days thereafter, provided however, that the student must be returned to the general school population at the end of the short-term suspension.

8. **Reporting Requirements.** Notwithstanding the use of ADR, the school administrator shall report all mandatory hearing offenses required by the Student Behavior Code to the appropriate law enforcement agency in which the school is located, to the Juvenile Court of Troup County and the Troup County District Attorney.

9. Alternative School Allocations. The Superintendent shall allocate a specified number of assignments for each school for students to be assigned to the Troup County Hope Academy. School administrators in the imposition of punishment through ADR shall not exceed the allocated slots for a particular school at The Hope Academy.

10. Process Forms. The Superintendent or designee shall develop such forms, letters, and notifications as may be required to notify parents properly of the ADR, the availability of the ADR and to record the disposition thereof.

Bus Conduct (Previously Policy JCDAD)

Bus drivers under the supervision of the principal and/or the director of transportation shall be responsible for the conduct and safety of children on the bus. Students whose conduct is not acceptable should be corrected by the driver in an appropriate manner. Drivers may leave a child either at home or at school in cases of extreme misconduct. However, no child may be put off the bus for misconduct between school and the point at which the child normally boards the bus.

The authority for controlling bus behavior rests with the driver. However, drivers are instructed to consult with the principal for serious cases. Pupils may be suspended from the bus for continued misbehavior. The driver may seat the children in any arrangement.

While riding a school bus;

- Students shall not engage in acts of physical violence, bullying, physical assault or battery of other persons on the school bus, verbal assault of other persons on the school bus, disrespectful conduct toward the school bus driver or other persons on the school bus, and other unruly behavior;
- Students shall not use any electronic devices during the operation of a school bus, including but not limited to cell phones without headphones; or any other electronic device in a manner that might interfere with the school bus communications equipment or the school bus driver's operation of the school bus; and
- Students shall not use mirrors, lasers, flash camera, or any other lights or reflective devices in a manner that might interfere with the school bus driver's operation of the school bus. If a student is found to have engaged in physical acts of violence, the student shall be subject to the severe penalties.

A meeting of the parent or guardian of the student and appropriate school district officials must be held to form a student bus behavior contract whenever:

- A student is found to have engaged in bullying; or
- A student is found to have engaged in physical assault or battery of another person on the school bus.

The school bus behavior contract shall provide for age-appropriate discipline, penalties, and restrictions for student misconduct on the bus. Provisions may include, but are not limited to, assigned seating, ongoing parental involvement, and suspension from riding the bus.

Student Dress Code (Previously Policy JCDB)

A. Beliefs

The Troup County Board of Education believes that an appropriate dress code will support a safe school environment that is conducive to learning. Dress standards promote the safety, modesty and comfort of students and are designed with their well-being in mind. Research also indicates that there is a distinct relationship between students' attire and their classroom behavior, attitude and achievement. The dress and personal appearance should not be disruptive or interfere with the legitimate interest and welfare of all students. Consequences for improper dress will include parents being notified by phone or written message. Continual violation of the dress code becomes an issue of defiance and will be treated as such. The administration will have the final decision on appropriate dress for school.

B. Guidelines

Students should adhere to the following guidelines:

1. Pants must be worn at the waist, with or without a belt. "Busting slack" is not allowed. Students should not have to hold pants up while walking.
2. Shorts, skirts, and dresses are permitted but must be of appropriate length and style. The general rule is shorts and skirts should be no shorter than the tip of the middle finger when arms are extended by the side.
3. Clothing with pictures, writing, and/or symbols promoting gangs, alcohol, sex, tobacco, profanity or suggestive/crude messages is prohibited.
4. Hats/caps, "hoodies," sweatbands, stocking caps, curlers, ear warmers or sunglasses are not to be worn inside the school building. Bandanas are not permitted at any time.
5. Biker shorts, any type of warm-up that is tight and clings to the body, and clothing designed as undergarments or night wear (pajamas, flannel pants, negligee, etc.) worn as outer garments are unacceptable. This includes "leggings" or tights. If leggings or tights are worn, the outer wear covering these garments must meet the minimum requirements set forth in this dress code (i.e. Shorts, skirts, or dresses worn over leggings/tights must meet minimum length requirement stated in number 2 - they should be no shorter than the tip of the middle finger when arms are extended by the side).
6. Students should not wear clothing of abbreviated style and/or revealing nature (no exposed cleavage), including but not limited to bare midriff tops, tank tops, halter tops, tube tops, see-through clothing, blouses, pants, cutout garments, shirts or blouses with large armholes, and blouses with revealing necklines. (If the student's midriff or waist area shows when the arms are extended parallel to the floor, it is considered a midriff top). Shoulder straps on blouses, shirts, and dresses must be a minimum width of 2 inches. Shirts and dresses must have both shoulder straps.
7. All pants, shorts, and other clothing with holes at or above the knee are unacceptable.
8. Other unacceptable dress: dog chains, wallet chains, "spiked chokers", and hanging shoulder straps, or any apparel that may be used to harm or impair another.
9. All students must wear shoes at all times for health and safety reasons. It is also recommended that shoes with a smooth sole such as thongs or flip flops not be worn. Bedroom slippers are prohibited.
10. With approval of the principal, activity sponsors may establish different rules for dress and grooming for participation in special activities.
11. Other attire deemed unsafe, inappropriate, or disruptive to the learning environment by the building principal may be subject to disciplinary action.

Interviews and Searches of Students (Previously Policy JCAB)

A. Search and Seizure

To maintain order and discipline in the schools and to protect the safety and welfare of students and school personnel, school authorities may search a student, student lockers or student automobiles under the circumstances outlined below and may seize any illegal, unauthorized, or contraband materials discovered in the search.

As used in this policy, the term "unauthorized" means any item dangerous to the health or safety of students or school personnel, or disruptive of any lawful function, mission or process of the school, or any item described as unauthorized in school rules available beforehand to the student.

A student's failure to permit searches and seizures as provided in this policy will be considered grounds for disciplinary action.

B. Personal Searches

A student's person and/or personal effects (e.g. purse, book bag, etc.) may be searched whenever a school authority has reasonable suspicion to believe that the student is in possession of illegal or unauthorized materials.

If a pat down search of a student's person is conducted it will be conducted in private by a school official of the same sex and with an adult witness present.

If the school official has reasonable suspicion to believe that the student has on his/her person an item imminently dangerous to the student or others, a more intrusive search of the student's person may be conducted. Such a search may only be conducted in private by a school official of the same sex, with an adult witness of the same sex present, and only upon the prior approval of the Director of Student Services or one of his/her superiors, unless the health or safety of students will be endangered by the delay which might be caused by following these procedures.

C. Locker Searches

Student lockers are school property and remain at all times under the control of the school; however, students are expected to assume full responsibility for the security of their lockers. Periodic general inspections of lockers may be conducted by school authorities for any reason at any time without notice, without student consent, and without a search warrant.

D. Automobile Searches

Students are permitted to park on school premises as a matter of privilege, not of right. The school retains authority to conduct routine patrols of student parking lots and inspections of the exteriors of student automobiles on school property. The interiors of student vehicles may be inspected whenever a school authority has reasonable suspicion to believe that illegal or unauthorized materials are contained inside. Such patrols and inspections may be conducted without notice, without student consent, and without a search warrant.

E. Seizure of Illegal Materials

If a properly conducted search yields illegal or contraband materials, such findings shall be turned over to proper legal authorities for ultimate disposition.

General Student Discipline Guidelines (Previously Policy JD)

A. Perspective

The professional staff of the school is expected to ensure student conduct conducive to an orderly educational program, to maintain an effective learning atmosphere both in and outside the classroom, and to help students achieve the self-discipline necessary for responsible use of freedom.

In maintaining proper discipline, all persons connected with the school have a double obligation to promote the legitimate objectives of the school in ways appropriate to the individual's respective role and to recognize and defend the rights of others.

While the methodology of discipline varies, each school will develop and maintain administrative procedures which:

1. Consistently enforce the discipline policies stated in the "Guidelines for Student Behavior."
2. Require and support sound principles of classroom management and ensure the proper authority of each of its teachers.
3. Clearly define the student's rights, as well as the student's obligations and responsibilities in the area of student discipline in the local school setting.

It is expected that each school's administrative procedures will result in students, teachers, administrators and parents sharing responsibility for the learning environment in an atmosphere of mutual support and success.

B. Teacher's Rights and Responsibilities

The teacher has a right to appropriate behavior by all students, and failing to get it, the teacher has the responsibility to take corrective measures including, but not limited to: enlisting parental assistance, imposing detention, revoking privileges, referring students and providing input in any referral case. The teacher has a right to receive a report of any action taken. The teacher's responsibilities include: conducting a well-planned and effective program, establishing and enforcing regulations within the school's educational environment that will facilitate learning, and maintaining written records of the conduct of students who may later be referred to others for help and/or disciplinary action.

A teacher shall have the authority, consistent with board policy, to manage his or her classroom, discipline students, and refer a student to the principal or his designee to maintain discipline in the classroom. Any teacher who has knowledge that a student has exhibited behavior which violates the student code of conduct and repeatedly or substantially interferes with the teacher's ability to communicate effectively with the students in his/her class or with the ability of such student's classmates to learn shall file a report of such behavior with the principal or his designee. The principal and teacher shall thereafter follow the procedures set forth in Georgia law, specifically O.C.G.A. 20-2-737-738.

C. Administration's Responsibilities

The administration has an obligation to impose necessary disciplinary measures including, but not limited to: enlisting parental support, imposing detention, revoking privileges, removing a student from class, in school suspension, suspending a student up to ten days, and recommending expulsion.

The administration is responsible for supporting teachers and insisting that they meet their obligation to maintain discipline, being alert to and correcting situations likely to promote poor citizenship, notifying parents of serious student offenses, creating an atmosphere conducive to student self-direction and self-regulation, and defending every individual within the school against arbitrary and unfair treatment.

The school superintendent shall fully support the authority of principals and teachers to remove a student from the classroom pursuant to O.C.G.A. Section 20-2-738.

D. Parental Responsibilities

The parent is expected to cooperate with the school, support its corrective measures, and to notify the school of any unusual behavior pattern on the part of the child that might lead to serious difficulties. Board Policy Manual Troup County Schools.

E. Options in Disciplinary Actions

Both the teacher and principal have various options in imposing disciplinary measures for student misconduct and infraction of school rules. The teacher or principal may and should consult with parents on disciplinary measures that might prove most effective in particular instances.

The principal is the designated leader of the school and, in consortium with the staff, is responsible for the orderly operation of the school. In cases of discipline violations not covered by prescribed disposition, the principal may enact corrective measures which he/she feels is in the best interest of the school and the student(s) involved.

F. Discipline of Students with Disabilities

Students who have been identified as disabled and are receiving special education under the provisions of the Individuals with Disabilities Education Act (IDEA) must be viewed differently in determining what discipline is appropriate.

Before long-term suspension or expulsion may occur, it must first be determined whether the misconduct of the students in issue is a manifestation of the disabling conditions of the students. The decision of whether the misbehavior of disabled students is a manifestation of their disabling conditions must be determined by a school committee (IEP) comprised of professionals in the school system. The committee shall determine whether a causal relationship exists between the disability or disabling condition of the students involved and their particular misconduct. If the disciplinary committee finds that the misbehavior is not a manifestation of the students' disability (ies), then these students may be expelled or suspended for longer than ten days. However, complete cessation of special education services mandated by federal law during the time the students are suspended or expelled from school is not permitted.

Long-term suspension or expulsion of disabled students is limited by court rulings that require continuation of some educational services during the expulsion/ suspension period. Short-term suspension or temporary suspensions not in excess of ten days are permitted and do not require the same protection for students as mandated by *SI v. Turlington*.

The use of short-term suspensions may be an appropriate disciplinary technique and will not constitute a change in placement unless the cumulative of short-term suspensions constitute in reality a long-term suspension or expulsion.

In cases involving disabled students who are discipline problems, particularly those students who have behavior disorders or are severely and emotionally disturbed, and the usual procedure is for a placement committee to review the appropriateness of the student's current placement and determine whether a more restrictive placement is advisable. The placement committee has the responsibility for deciding what appropriate discipline for disability related behavior is. But when a student's behavior poses a threat to the safety of other students, such as the sale of illegal drugs to students on campus, it may be appropriate to consider those students for long-term suspension and expulsion, and follow the procedures required by the courts. A disabled student can be temporarily removed from the classroom prior to a hearing where such action is deemed necessary to protect the student, other students or the teacher, but the hearing should be held as soon as possible thereafter.
