**Dear Students of Chimacum High School,**

We, the members of the Board of Directors for the Chimacum School District, wish to recruit one student director from the sophomore class for the \_\_\_\_\_ school year to serve with the Board for the purpose of informing and advising. This is a one year commitment to serve on the Board your junior and senior year. We value students' perspective and most importantly want to hear what is going on at the high school from your point of view. You will be asked to attend the board meeting, typically the 2<sup>nd</sup> and 4<sup>th</sup> Wednesday of the month. At the board meetings we will expect you to bring a report of what is happening at the high school and during the meeting you will be called on from time to time to give your opinion. Board meetings start at 6:00 pm, and you can be excused around 7:30 PM (as you are a student and we want your academic career to be at its best). You will have a mentor from the board, who will help and guide you along and answer any questions or concerns that you have and who will also help prepare you for the meeting. Community service is available upon approval from the superintendent.

If you are interested in this position please fill out the attached application. You will also have to get two teachers that have had you in class at some point during your high school years and have them fill out the teacher recommendation forms about you.

These forms are to be turned directly into the high school office no later than

\_\_\_\_\_.

Thank you for your participation. We are all excited to work with you!!!

Sincerely,

Chimacum School Board of Directors
