

Procedure - Students on Governing Boards

A. Term of Office

Two student representatives will be selected through an application process conducted at the high school in coordination with a Board delegate who works with the students as the liaison for the Board of Directors. This process will take place in the spring to begin service at the first Board meeting in September. Each student representative will serve a one-year term beginning in July and concluding in June. After the student representatives are selected they will receive an orientation session provided by the superintendent (or designee) and a member of the Board of Directors.

B. Qualifications

The student must be entering his/her junior or senior year at the time of selection and in good academic standing, and maintain good academic standing throughout his or her term. Selected students should also have a history of leadership and involvement in extra-curricular and civic activities.

C. Responsibilities

Student representatives will obey all the rules and regulations pertaining to board members. Student representatives will receive copies of all regular meeting agendas, minutes and other relevant information, excluding executive session materials.

The board may remove a student representative during the term if he/she becomes ineligible or fails to fulfill their responsibilities. In the event a vacancy arises prior to the expiration of the term, an alternate from the same school will be appointed by the school to fill the vacancy.
