

Chimacum School District Guidelines for Volunteer Field Trip Chaperones

Thank You for Your Support!

This School District believes that field trips provide a valuable educational experience for students. Without the help of volunteer chaperones like you, many field trips would not be possible. We thank you very much for giving your time and support to these important activities.

In order to help ensure that District-sponsored field trips result in safe and rewarding experiences for all participants, we have prepared these guidelines to provide information about volunteering as a field trip chaperone.

Becoming a Volunteer Field Trip Chaperone

Because student safety is paramount concern, Washington State law requires the District to conduct a criminal record background check of school volunteers with unsupervised access to children. To accomplish this, all volunteers must complete the appropriate forms. Please check with your building office to make sure you are approved.

Guidelines for Volunteer Chaperones

Prior to your field trip, the supervising staff member will provide you with information regarding the activities planned for the trip, expectations for supervising students, and emergency procedures. In addition, we have developed the following general guidelines to help you perform your duties as a chaperone. If you have any questions regarding these guidelines, please contact the supervising staff member or the building principal/program manager.

1. All school rules apply on District-sponsored events. Chaperones are expected to comply with District policies, follow the directions given by the District's supervising staff member, work cooperatively with other staff and volunteers, and model appropriate behaviors for students.
2. In order to comply with District policy, during District sponsored events, chaperones:
 1. may not use, sell, provide, possess, or be under the influence of drugs or alcohol
 2. may not use tobacco in the presence of, or within the sight of, students
 3. may not possess any weapon
 4. may not administer any medications, prescription or nonprescription, to students
3. Students must be supervised at all times while at District-sponsored events. As a chaperone, you will supervise a small group of students, helping them learn and making sure they behave appropriately. Students must stay with you, their chaperone, at all times. Go over use of the buddy system with students under your care. Account for all participants regularly and before changing activities. Be sure you know when and where to meet the rest of your group at the

end of the visit. Chaperones must be readily available, be mindful of safety concerns, and respond to students' needs.

4. Student behavior is your responsibility. School rules related to student behavior apply.
5. Go over rules and standards of behavior, safety rules, and any site specific rules with students. Ensure that students do not get involved in extra activities not pre-approved by administrators and parents.
6. For the protection of both the student and the chaperone, chaperones should not place themselves in situations in which they are alone with a student.
7. Family members or friends of a chaperone may not participate in a District-sponsored field trip or event unless prior approval has been obtained from the building principal. Additional small children can distract you from your duties as a chaperone.
8. Chaperones who transport students in their personal vehicle must complete SBP 2320F-3 Approval for Use of Private Vehicle District form. You are expected to comply with all District and State student transportation rules and regulations. Be aware that your personal vehicle insurance provides primary coverage in the event of an accident or injury.
9. Be sure to know what to do in an emergency (medical emergency, natural emergency, lost child, serious breach of rule, etc.). Know who is first aid trained, where the first aid kit is, where the cell phone is kept, and who has the copies of parental permission slips with emergency phone numbers and medical information.
