

## **Civility**

The Chimacum School District believes that a safe, civil environment is essential to maximize student learning. This policy seeks to promote a district culture of respect, civility, and orderly conduct to maintain a safe, harassment-free workplace for our students, volunteers, staff, and board members.

In the interest of providing positive role models to the children of this District, as well as the community, Chimacum School District encourages positive communication, public input and access, and discourages volatile, hostile, or aggressive speech and/or actions. The district seeks the public's cooperation in this endeavor.

The Superintendent shall develop procedures to support this policy.
