

Dear Parent/Guardian,

Thank you for registering your child with Gaylord Community Schools.

Please provide the following documents to complete the enrollment:

- **ORIGINAL BIRTH CERTIFICATE**
- **PROOF OF RESIDENCY** - must have parent/guardian name and address indicating residency (Ex. driver's license, utility bill, rent/lease agreement, property tax statement, voter's registration, mortgage document, certification from work, etc.)
- Copy of current **IMMUNIZATION RECORD**
- **POWER OF ATTORNEY** or **GUARDIANSHIP PAPERWORK** – if student doesn't live with parent
- Latest **IEP** or **504 PLAN** – if student receives special education services

Please fill out the following forms:

- **STUDENT INFORMATION RECORD** (Emergency Card)
- **REGISTRATION PROOF OF RESIDENCY**
- **CONSENT FOR DISCLOSURE OF IMMUNIZATION INFORMATION**
- **STUDENT INFORMATION SHEET**
- **ELECTIVE CHOICES FORM**
- **AFFIRMATION OF PRIOR STUDENT RECORD**
- **AUTHORIZATION TO RELEASE CONFIDENTIAL INFORMATION** (Records Request)
- **TRANSPORTATION REGISTRATION FORM** (If applicable)
- **CONCUSSION AWARENESS ACKNOWLEDGEMENT FORM**

These forms are to be filled out if the enrollment takes place after the school year has started:

- **STUDENT/PARENT AGREEMENT SIGNATURE PAGE**
- **DIRECTORY INFORMATION OPT-OUT FORM**
- **CHROMEBOOK TECHNOLOGY USE AGREEMENT**
- **TECHNOLOGY PROTECTION PLAN** (optional)

* Parent and student must schedule a meeting with building administrator before starting classes. That meeting should take place 48 hours after the forms have been completed and turned in.

* During the 48 hours prior to the meeting, the school counselor will make contact with the sending school to find the student's school history. The counselor will also contact the student's assigned teachers.

* The enrollment interview will then take place with parents, counselor, and building administrators. The student may then start classes the following day once all criteria are met.

Everyone Is Here to Help

There are lots of adults ready to help students make the transition to GMS. Here are some of those people:

- Mr. Somerville, Principal
- Mr. Smith, Assistant Principal
- Mrs. Baril, School Counselor
- Mrs. Hartmann, Secretary
- Mrs. Moore, Secretary
- Teachers

All of the adults at Gaylord Middle School are always willing to answer questions, provide help and listen. Students should not be afraid to ask for help for any reason. Everyone is here to help!

WELCOME TO...

Gaylord Middle School

*Gaylord Middle School
600 East Fifth Street
Gaylord, MI 49735
(989)731-0848*

(989)731-0848

What to expect...

The First Day of School

Students do not need to worry about where to go or what to do on the first day of school. A letter will be mailed home at the end of summer. It will indicate the student's 1st hour teacher. On the first day of school, all 7th grade students will report to the gym. The 1st hour teachers will be introduced and students will line up with their teacher. The teachers will lead the students to their classroom, pass out schedules, assign lockers and give the students a tour of the building.

Finding Your Way

Students tend to worry about how they will find their classes. Students will find room numbers on their schedules that match the room numbers on the classrooms. Most importantly, all teachers stand in the hallways between classes ready to help students find their way. There is nothing to worry about!

Schedule

One big change that students will experience is switching classes each hour. Students will have seven class periods. Each class will be in a different classroom with a different teacher.

Sample Schedule

	Time	Subject
1st hour	7:58-8:58	ELA
2nd hour	9:02-9:53	Elective
3rd hour	9:57-10:49	Elective
4th hour	10:53-11:45	Science
Lunch	11:45-12:20	Lunch
5th hour	12:24-12:59	Seminar
6th hour	12:59-1:51	Social Studies
7th hour	1:55-2:47	Math

Lockers

Each student will be assigned their own locker on the first day of school. Combinations will be given out on the first day as well. Students will have a chance to practice opening their locker and get help from the teacher if necessary. It is very important that students do not share their locker combination with anyone.

School Supplies

Each teacher will let students know what school supplies will be most helpful for that particular class. However, in general it is helpful if students have some pencils, folders, spiral notebooks, highlighters and most students like to have a 3-ring binder.

Being Prepared

Students have four minutes in between classes. During this time they will visit their locker to pick up materials for their next class, get a drink or use the bathroom if necessary and arrive at their next class before the bell. It is very important that students come prepared with the materials required for that particular class.

Organization

Having several different classes with several different teachers increases the need for good organization. Each student will receive a planner on the first day of school. Students are highly encouraged to write down all assignments in their planner. Looking at the student's planner is a good way for parents to see what homework students have. It is also important for students to keep their materials well organized. Using separate folders and notebooks for each class is helpful.

Getting Involved

Getting involved in school activities is a great way to meet new people and feel more connected to GMS. Several athletic activities are available through the school including football, volleyball, basketball, wrestling, cheerleading and track. Students must have a physical on file to participate in athletics. GMS also offers a number of other activities such as student council, robotics, cross country ski club, art club, archery club, and book club. Announcements are made so students will know when and where to sign up.

Dress Code

In the first few pages of the student planner, you will find the student handbook which includes the dress code. GMS does enforce this dress code. This is not the dress code in it's entirety, but rather some points to keep in mind while school shopping.

- Shorts and skirts must be at or below the student's fingertips.
- Clothing which exposes undergarments or excessive skin is prohibited.
- Clothing that displays obscene, violent or profane language or pictures are prohibited.

- Ripped or torn clothing, which includes jeans with rips or frayed spots, above the knees, are prohibited.
- Pajamas or pajama pants are not to be worn to school.
- Headwear (ball caps, winter hats, headbands, etc.) are not to be worn in school.

nwhealth.org

7th Grade Immunization Update

7th grade students must show proof of having had the required childhood immunizations for Michigan school settings by the first day of school. Parents wishing to waive immunizations for religious or philosophical reasons must make an appointment at the local health department for waiver education. Students with true medical contraindications to immunizations must see their primary care provider to receive a *Medical Contraindication Waiver Form*.

The State of Michigan requires children to be adequately immunized to attend school. Children entering 7th grade who are 11 years old and/or older are required to have the following:

Two doses of varicella (Var) vaccine or history of chickenpox disease

- Before the vaccine, about 100 people died each year as a result of chickenpox in the United States.
- Getting the recommended doses of chickenpox vaccine greatly reduces your chance of getting chickenpox.
- **Anyone who is not fully vaccinated and never had chickenpox should receive the recommended doses of chickenpox vaccine.**

One dose of meningococcal (MCV4) vaccine

- Meningitis is spread through close contact: coughing, kissing and sharing food or drinks.
- Meningococcal vaccine can protect children and teens.
- **One dose at ages 11-12 years and a booster dose at age 16 years.**

One dose of tetanus/diphtheria/acellular pertussis (Tdap) vaccine

- Tdap vaccine protects against whooping cough along with diphtheria and tetanus. This vaccine is very effective in preventing all 3 diseases.
- **Tdap vaccine is usually given at the 11-12 year old visit.**

Two doses of measles/mumps/rubella (MMR) Vaccine

- MMR vaccine can prevent measles, mumps, and rubella. High rates of vaccination have made these diseases much less common in the U.S.
- **Anyone who is not fully vaccinated should receive the recommended doses of MMR vaccine.**

Three doses of hepatitis B vaccine

- Hepatitis B is a liver disease that can cause mild illness lasting a few weeks, or it can lead to a serious lifelong illness. Hepatitis B vaccine can prevent Hepatitis B.
- **Children and adolescents who have not yet gotten the vaccine should receive the recommended three doses of Hepatitis B vaccine.**

Three to four doses of polio vaccine (depending on age at time of vaccination)

- Polio is a disabling disease which can infect a person's spinal cord, leading to paralysis. Polio vaccine can prevent Polio.
- **Anyone who is not fully vaccinated should receive the recommended doses of Polio vaccine. (Only three doses are needed if dose three was given at or after four years of age).**

***Two doses of Human Papillomavirus (HPV) vaccine are recommended for all girls and boys**

- This vaccine is very effective against several types of HPV, including HPV-related cancers, and works best if given **before** exposure to HPV.
- **Vaccination against HPV is usually started at 11-12 years of age. (This vaccine is available for ages 9 years old through 26 years old).**

** vaccines are recommended, but not required for school entry.*

Avoid the last minute rush to have your child vaccinated before they enter 7th Grade! Call to make your child's vaccine appointment today. Contact your child's primary care provider or the Health Department of Northwest Michigan; immunization records are available as well.

No health insurance? Assistance in applying for free or low cost health insurance is available by calling the Health Department at **1-800-432-4121**. No child is denied immunizations due to an inability to pay. Contact your child's primary care provider or your local health department if you have any questions or would like to schedule an appointment.

Vaccines Required for School Entry in Michigan

Whenever children are in group settings there is a chance for disease to spread. Children must follow vaccine laws in order to attend school. These laws are the minimum standard for preventing disease outbreaks in group settings. The best way to protect children from serious diseases is to follow the recommended vaccination schedule at [cdc.gov/vaccines](https://www.cdc.gov/vaccines). When following the recommended schedule children are fully protected and any school vaccination requirements are met.

All Kindergarten and 4-6 year old transfer students		All 7th Graders and 7-18 year old transfer students
Diphtheria, Tetanus, Pertussis (DTP, DTaP, Tdap)	4 doses DTP or DTaP 1 dose must be at or after 4 years of age	4 doses diphtheria and tetanus or 3 doses if 1 st dose given on or after 1 year of age 1 dose Tdap at 11 years of age or older upon entry into 7 th grade or higher
Polio	4 doses or 3 doses if dose 3 was given on at or after 4 years of age	
Measles, Mumps, Rubella (MMR)*	2 doses at or after 12 months of age	
Hepatitis B*	3 doses	
Meningococcal Conjugate (MenACWY)	None	1 dose at 11 years of age or older upon entry into 7 th grade or higher
Varicella (Chickenpox)*	2 doses at or after 12 months of age or Current lab immunity or History of varicella disease	

***If the child has not received these vaccines, documented immunity is required.** All doses of vaccines must be valid (correct spacing and ages) for school entry purposes. These rules apply to children who are the above ages upon entry into school. During disease outbreaks, incompletely vaccinated children may be excluded from school. Parents and guardians choosing to decline vaccines must obtain a certified non-medical waiver from a local health department. Read more about waivers at [Michigan.gov/immunize](https://www.michigan.gov/immunize).

The Michigan Department of Health and Human Services will not exclude from participation in, deny benefits of, or discriminate against any individual or group because of race, sex, religion, age, national origin, color, height, weight, marital status, gender identification or expression, sexual orientation, partisan considerations, or a disability or genetic information that is unrelated to the person's eligibility.

Consent for Disclosure of Immunization Information to Local and State Health Departments

Immunizations are an important part of keeping our children healthy. Schools and State and Local health departments must monitor immunization levels to ensure that all communities are protected from potentially life-threatening diseases and, if necessary, respond promptly to an emerging public health threat. It is important that disease threats be minimized through the monitoring of students being immunized.

Sharing immunization and personally identifiable information including the students name, Date of Birth, gender, and address with local and state health departments will help to keep your child safe from vaccine preventable diseases. The Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. § 1232g, requires written parental consent before personally identifiable information from your child's education records is disclosed to the health department. If your child is 18 or over, he or she is an "eligible student" and must provide consent for disclosures of information from his or her education records.

You may withdraw your consent to share this information in writing at any time.

I authorize Gaylord Community Schools to release my child's immunization record to the Michigan Department of Health and Human Services and Local Health Department. I understand this information will be used to improve the quality and timeliness of immunization services and to help schools comply with Michigan Law. This includes any immunization information and limited personally identifiable information from the school.

7th Grade Registration 2023-2024

Student Name (print) _____

Electives

Place an X to indicate your elective choice. You can choose one, both or neither.

_____Band

Band is a **year-long** class. The 7th grade band program meets daily. Band students perform 3-4 concerts in per year. Members of the 7th grade also have the opportunity to play in the pep band and the jazz band. Students also participate in MSBOA District 2 Band Festival and have the opportunity to participate in Solo and Ensemble Festival.

_____Chorus

Chorus is a **year-long** class that is open to all students who are interested in singing. The group will perform several times a year, including at the annual Veteran's Day assembly, a Winter Concert and a Spring Concert. Gaylord Middle School Choirs will also perform at Choir Festivals. Students will also have the opportunity to audition for Middle School State Honors Choir. In addition to learning how to sing, students will also begin learning basic music theory.

Rotation classes (nine weeks each):

- Art
- Health
- Physical Education
- Math Connection

7th Grade Schedule

- Students will take the required core classes of Language Arts, Math, Social Studies and Science.
- Students may choose to take both Band and Chorus.
- Students who choose Band **or** Chorus will also have all rotation classes.
- Students who do not choose Band or Chorus will have all rotation classes and a pair of other elective classes that vary year to year.
- All course offerings are subject to change.

UNDERSTANDING CONCUSSIONS

Educational Material for Parents and Students

(Content Meets MDCH Requirements)

Sources: Michigan Department of Community Health, CDC and the National Operating Committee on Standards for Athletic Equipment (NOCSAE), National Athletic Trainers Association

Some Common Symptoms				
Headache	Balance Problems	Sensitivity to Noise	Poor Concentration	Not "Feeling Right"
Pressure in the Head	Double Vision	Sluggishness	Memory Problems	Feeling Irritable
Nausea/Vomiting	Blurry Vision	Haziness	Confusion	Slow Reaction Time
Dizziness	Sensitivity to Light	Fogginess	"Feeling Down"	Sleep Problems
		Grogginess		

WHAT IS A CONCUSSION?

A concussion is a type of brain injury that changes the way the brain normally works. A concussion is caused by a fall, bump, blow, or jolt to the head or body that causes the head and brain to move quickly back and forth. A concussion can be caused by a shaking, spinning for a sudden stopping and starting of the head. Even a "ding," "getting your bell rung," or what seems to be a mild bump or blow to the head can be serious. A concussion can happen even if you haven't been knocked out.

You can't see a concussion. Signs and symptoms of concussions can show up right after the injury or may not appear or be noticed until days or weeks after the injury. If the student reports any symptoms of a concussion, or if you notice symptoms yourself, seek medical attention right away. A student who may have had a concussion should not return to activity on the day of the injury and not until a health care professional says they are okay to return to activity.

IF YOU SUSPECT A CONCUSSION:

- SEEK MEDICAL ATTENTION RIGHT AWAY**-A health care professional will be able to decide how serious the concussion is and when it is safe for the student to return to regular activities, including sports. Don't hide it, report it. Ignoring symptoms and trying to "tough it out" often makes it worse.
- KEEP YOUR STUDENT OUT OF ACTIVITY**-Concussions take time to heal. Don't let the student return to activity the day of the injury and not until a health professional says it is okay. A student who returns to activity too soon, while the brain is still healing, risks a greater chance of having a second concussion. Young children and teens are more likely to get a concussion and take longer to recover than adults. Repeat or second concussions increase the time it takes to recover and can be very serious. They can cause permanent brain damage, affecting the student for a lifetime. They can be fatal.
- TELL THE SCHOOL ABOUT ANY PREVIOUS CONCUSSION(S)**-Schools should know if a student had a previous concussion. A student's school may not know about a concussion received in another sport or activity unless you notify them.

SIGNS OBSERVED BY PARENTS:

- Appears dazed or stunned
- Is confused or has trouble with homework or school assignments
- Forgets an instruction
- Can't recall events prior to or after a hit or fall
- Appears fatigued
- Moves clumsily
- Answers questions slowly
- Loses consciousness (even briefly)
- Shows mood, behavior or personality changes

CONCUSSION DANGER SIGNS:

In rare cases, a dangerous blood clot may form on the brain in a person with a concussion and crowd the brain against the skull. If a student sustains a bump, blow or jolt to the head or body and the following danger signs are present, **immediate medical attention** should be sought at the closest emergency department.

One pupil larger than the other	Repeated vomiting or nausea	Becomes increasingly confused or agitated	Is drowsy and cannot be awakened
Slurred speech	Has unusual behavior	A headache that gets worse	Convulsions or seizures
Weakness, numbness or decreased coordination	Cannot recognize people or places	Loses consciousness (even briefly)	

WHAT SHOULD YOU DO?

If a student reports one or more symptoms of a concussion after receiving a bump, blow or jolt to the head or body, h/she should be immediately removed from activity (this includes but is not limited to, athletics, PE classes, band, dance, aerobics, theatre and choir.) The student should only return to activity with the permission of a health care professional experienced in evaluating concussions. Rest is key during recovery. Exercising or activities that require a lot of concentration (such as studying, working on the computer or playing video games) may cause concussion symptoms to reappear or get worse. Students who return to school after a concussion may need to spend fewer hours at school, take rest breaks, be given extra help and time, and spend less time reading, writing or on a computer or iPad. After a concussion, returning to sports and school is a gradual process and should be monitored by a health care professional. Concussions affect each individual differently. Some may recover quickly and fully while others may have symptoms that last for days, weeks or even months.

To learn more, go to www.cdc.gov/concussion

PARENTS AND STUDENTS MUST SIGN AND RETURN THE EDUCATIONAL MATERIAL ACKNOWLEDGEMENT FORM

CONCUSSION AWARENESS

EDUCATIONAL MATERIAL ACKNOWLEDGEMENT FORM

Return this signed form to your school's athletic office or to your coach. The school must keep this on file until the student is age 18. We realize this may not be the first nor the last time you sign and submit this form, as each organization needs to have a copy. Thank you for your cooperation and understanding.

Students and parents please review and keep the educational materials available for future reference.
