

# How to View Your Application Meal Status

2) Click Applications to view Application Status

The screenshot shows the Skyward Family Access interface. The 'Food Service' section is highlighted in the left sidebar. A red arrow points to the 'Applications' link in the top right of the Food Service area. A yellow callout box explains that clicking 'Applications' leads to the pop-up shown below. The pop-up displays a table of food service applications for a student at Stansbury High School. The table has columns for Temp Application, Application Date, Effective Date, Dependents, Lunch Code, Denied?, Active?, and Application Nbr. The newest application is at the top, dated Thu Jun 30, 2022. Other applications have dates from 1900. A red arrow points to the 'Applications' link, and another red arrow points to the table. A third red arrow points to the 'Application Date' column, and a fourth red arrow points to the 'Effective Date' column.

1) Click Food Service

3) Pop-up show student account status.  
If the Lunch Code is Direct Cert, the status is FREE.  
If the Lunch Code Med-Red, the status is reduced.

Temp Application	Application Date	Effective Date	Dependents	Lunch Code	Denied?	Active?	Application Nbr
No	Thu Jun 30, 2022	Thu Jun 30, 2022	0	Reduced	No	Yes	
No	Wed Jan 3, 1900	Wed Jan 3, 1900	0	Reduced	No	Yes	
No	Tue Jan 2, 1900	Tue Jan 2, 1900	0	Reduced	No	Yes	
No	Thu Apr 7, 2022	Mon Jan 1, 1900		Reduced	No	Yes	

The newest application is on the top and needs to be a date sometime AFTER July 1, 2022. The date (as shown in this illustration—prior to July 1, 2022), indicates an application for the current school year needs to be submitted.

The fields that list the strange date "1900" relate to the student being added to the Skyward system. Please disregard.
