Looking back on the past few meets, Leo, the Loughlin mascot, finds that the Lion tracksters have captured second place in the CHSAA Championship, June 4, the Englewood Meet and the Essex Catholic Meet, both held during the weekend of May 21.

Defending Champs

Loughlin, the defending CHSAA champs, fell into second place this year behind Mount St. Michael's, who tallied 27 points, only $4\frac{1}{2}$ points ahead of the Lions.

A new meet record of 14.7 was set by Ty Pannell in the 120 yd. high hurdles as K. Coniglio placed fourth in the same event. M. Mr. Miles Sums Up Season

When questioned about the team's present, past and future status, Mr. Miles replied, "The outdoor season, while not as successful as the indoor season, still was good because of the great improvement of those boys who will be back with us next year. The accomplishment of our sophomore group was indeed fantastic. The outdoor meets we lost were only lost by a few points and mainly due to the injury of one of our key runners. The future of the track team looks bright on paper but those returning next year must realize that, to win championships an athlete must be dedicated to his work."

Mr. Miles then gave this as the formula for being a good athlete: 1.) spirit-working together; 2.) practice-perfect attendance; 3.) conditioning-clean living; 4.) sacrifice of time and other pleasures (dances, staying out late etc.); 5.) the will to win.

Alumnus Killed in Vietnam Big Track Star at Loughlin

On November 29, Tyrone S. Pannell, a former Loughlinite, was killed in Vietnam. An officer in the Marine Corps, the twenty-four year old former track star apparently stepped on a Viet Cong mine. He is survived by his parents, brother, wife and six month child.

Pannell was best known during his years at Loughlin for his track achievements. When he graduated in 1960, he had established many track records and had gained numerous awards. In the Nationals he had won two events, the high jump and the hurdles. Making three varsity track records of his own, he went to Manhattan College in September, 1960 with an \$8,000 track scholarship. He graduated in 1964 with a BA in Political Science.

After he had taken a reserve training program while at college, he was commissioned as Second Lieutenant. The week he was killed in action he was scheduled to have become a First Lieutenant; he also was to have made the Marine Corps a lifetime career.

When word of his death reached Loughlin, a special Requiem Mass was offered on December 7 for him. The entire student body attended the service at which Father McGuinness was the celebrant. Manhattan College also held a Requiem service for their alumnus on December 1.
