--------------------------	----------	---------------------------------------------------	----------	--------------------	----	-----------------------	---	---------------------

\* Can be use for Diversity and one other requirement

Students can earn all or part of the COC. Classes in a partially completed COC will most likely transfer, but will be subject to review.

Students that receive The Weber State General Education Certificate of Completion, can present it to any State of Utah college or university and have all GE classes waived at that school.

Students must pass all AP exams with a 3,4 or 5 and submit their scores to Weber State. World Language exams must be passed with a 5

For CE classes, no grade lower than a C will be accepted for COC credit.

BYU will accept the credits in the COC as a whole, but will add requirements.

Weber State University is the granting institutuon. GE requirements are subject to change. This is only a planning tool, students should track progress in with Weber CE Academic Advising.
