Efforts to Recruit Certificated Personnel

The employing agency declares that it has implemented in policy and practices a process for conducting a diligent search that includes, but is not limited to, distributing job announcements, contacting college and university placement centers, advertising in local newspapers, exploring incentives included in the Teaching as a Priority Block Grant (refer to www.cde.ca.gov for more details), participating in state and regional recruitment centers and participating in job fairs in California.

If a suitable teacher is not available to the school district, the district made a reasonable effort to recruit an individual for the assignment, in the following order:

- an individual who is scheduled to complete initial preparation requirements within six months
- a candidate who qualifies and agrees to participate in an approved internship program in the region of the school district
