

ATTACHMENT A

Safety and Threat Assessment Team (STAT) Update

February 5, 2019

Joseph Paulino, Chief of Police
Eric Vetere, Safety/Emergency Manager

Presentation Objectives

1. Update on Safety and Threat Assessment Team
2. Current state:
 - a. Employee training
 - b. Safe routes to school
 - c. Facility improvements
3. Next steps

2

Safety and Threat Assessment Team (STAT)

1. Provide safe learning and working environments
2. Collaborate with:
 - a. Cities of San Bernardino and Highland, County Fire, Public Health, California Department of Education (CDE)
 - b. State and National advocacy
3. Safety related facility improvements
 - a. Use Crime Prevention Through Environmental Design (CPTED) strategies
4. Policy/Procedure recommendations

Current State

1. CEP Strategy 9: Health, Wellness and Safety
2. Implemented Raptor Visitor Management
3. Comprehensive School Safety Plans (CSSP's)
4. See Something. Say Something. and WeTip

3

4

Current State: Employee Training

1. Armed Intruder Awareness - 2,489
2. CPR, First Aid and Stop-the-Bleed - 1,800
3. Mental Health Awareness for Campus Security Officer's (CSO's)

5

Current State: Safe Routes to School

1. Identify and promote safe walking routes
 - a. Increase education, engineering and enforcement
2. Partnerships
 - a. City of San Bernardino Quality of Life (QOL) team
 - b. City of Highland Community Oriented Problem Solving (COPS) team

6

Facility Improvements

Single point of entry directs visitors to the front office

1. It is our intention to have a single point of entry at all sites
 - a. We are at various stages of completion due to the Division of the State Architect (DSA), other requirements, and individual site complexities

7

Facility Improvements

Utilizing technology to manage access to school sites

1. All sites have cameras and intrusion detection systems
2. We anticipate automated access control by August 2019

8

Facility Improvements

Standardize perimeter fencing

We will standardize perimeter fencing at all schools by start of the 2020-2021 school year

9

Facility Improvements

10

Facility Improvements

Install door viewers and locks

1. Staff will have the ability to secure all classrooms from the inside and have visibility to the outside
2. Identified doors will be standardized with viewers and locks by the 2019-2020 school year

11

Next Steps

1. Facility modifications
2. Increase use of technology to enhance safety
3. Monitoring for online or social media threats
4. Policy/Procedure recommendations
