NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF EDUCATION OF THE SAN BERNARDINO CITY UNIFIED SCHOOL DISTRICT, SAN BERNARDINO COUNTY, CALIFORNIA, AS FOLLOWS:

SECTION 1 Authorization for Issuance of the Bonds. To raise money for the purposes authorized by the voters of the District at the Election, including providing for the payment of certain lease payments owed by the District in connection with the District's Lease Payments with respect to the Certificates, and to pay all necessary legal, financial, engineering and contingent costs in connection therewith, the Board hereby authorizes the issuance of the Bonds pursuant to Article 4.5 of Chapter 3 of Part 1 of Division 2 of Title 5 of the Government Code in one or more series of taxable or tax-exempt current interest bonds, with appropriate designation if more than one series is issued, as set forth in the fully executed Purchase Contract (as defined herein). The Board further orders such Bonds sold such that the Bonds shall be dated as of a date to be determined by an Authorized Officer (defined herein), shall be payable upon such terms and provisions as shall be set forth in the Bonds, and shall be in an aggregate principal amount not-to-exceed \$43,000,000.

SECTION 2 Paying Agent. This Board hereby appoints the Paying Agent, as defined herein, to serve as the paying agent, bond registrar, transfer agent and authentication agent for the Bonds on behalf of the District. This Board hereby approves the payment of the reasonable fees and expenses of the Paying Agent as they shall become due and payable. The fees and expenses of the Paying Agent which are not paid as a cost of issuance of the Bonds are authorized to be paid in each year from *ad valorem* taxes levied and collected for the payment thereof, insofar as permitted by law, including specifically by Section 15232 of the Education Code.

SECTION 3 Terms and Conditions of Sale. To best access the capital markets, the Bonds shall be sold upon direction of the Superintendent of the District (the "Superintendent") or the Chief Business and Financial Officer of the District, the Assistant Superintendent, Facilities/Operations (the "Assistant Superintendent, Facilities/Operations"), or such other officers or employees of the District as the Superintendent, the Chief Business and Financial Officer, or the Assistant Superintendent, Facilities/Operations may designate (collectively, the "Authorized Officers"). The Board hereby authorizes the sale of the Bonds at a negotiated sale, which is determined to provide more flexibility in the timing of the sale, an ability to implement the sale in a shorter time period, an increased ability to structure the Bonds to fit the needs of particular purchasers, and a greater opportunity for the Underwriters (as defined herein) to pre-market the Bonds to potential purchasers prior to the sale, all of which will contribute to the District's goal of achieving the lowest overall cost of funds. The Bonds shall be sold pursuant to the terms and conditions set forth in the Purchase Contract, as described below.

SECTION 4 Approval of Purchase Contract. The form of contract for purchase of the Bonds (the "Purchase Contract") by and between the District and Piper Jaffray & Co., as representative (the "Representative") of itself, and De La Rosa & Co., Cabrera Capital Markets,

LLC, and Siebert Brandford Shank & Co., LLC (collectively, the “Underwriters”), for the purchase and sale of the Bonds, substantially in the form on file with the Board, is hereby approved and the Authorized Officers, each alone, are hereby authorized and requested to execute such Purchase Contract; provided, however, that the maximum interest rate on the Bonds shall not exceed the maximum rate permitted by law and the underwriting discount thereon, excluding original issue discount, shall not exceed 0.25% of the aggregate principal amount of Bonds issued. The Authorized Officers, each alone, are further authorized to determine the principal amount of the Bonds to be specified in the Purchase Contract for sale by the District up to \$43,000,000 and to enter into and execute the Purchase Contract with the Underwriters, if the conditions set forth in this Resolution are satisfied. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Paying Agent shall within a reasonable time thereafter (but in no event later than the date originally set for redemption) give notice to the persons to whom and in the manner in which the notice of redemption was given that such moneys were not so received.

(v) Partial Redemption of Bonds. Upon the surrender of any Bond redeemed in part only, the Paying Agent shall authenticate and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of authorized denominations equal in Transfer Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the District shall be released and discharged thereupon from all liability to the extent of such payment.

(vi) Effect of Notice of Redemption. Notice having been given as aforesaid, and the moneys for the redemption (including the interest to the applicable date of redemption) having been set aside as provided in Section 19 hereof, the Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Bonds to be redeemed as provided in Section 6(b) hereof, together with interest accrued to such redemption date, shall be held in trust so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest

with respect to the Bonds to be redeemed shall cease to accrue and become payable. All money held for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds so to be redeemed.

(vii) Bonds No Longer Outstanding. When any Bonds (or portions thereof), which have been duly called for redemption prior to maturity under the provisions of this Resolution, or with respect to which instructions to call for redemption prior to maturity at the earliest redemption date have been given to the Paying Agent, in form satisfactory to it, and sufficient moneys shall be held irrevocably in trust for the payment of the redemption price of such Bonds or portions thereof, and accrued interest with respect thereto to the date fixed for redemption, all as provided in this Resolution, then such Bonds shall no longer be deemed Outstanding and shall be surrendered to the Paying Agent for cancellation.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this Section 6 shall be cancelled upon surrender thereof and be delivered to or upon the order of the District. All or any portion of a Bond purchased by the District shall be cancelled by the Paying Agent.

(c) Book-Entry System.

(i) Election of Book-Entry System. The Bonds shall initially be delivered in the form of a separate single fully-registered bond (which may be typewritten) for each maturity date of such Bonds in an authorized denomination. The ownership of each such Bond shall be registered in the Bond Register (as defined below) maintained by the Paying Agent in the name of the Nominee, as nominee of the Depository and ownership of the Bonds, or any portion thereof may not thereafter be transferred except as provided in Section 6(c)(i)(4).

With respect to book-entry Bonds, the District and the Paying Agent shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds an interest in such book-entry Bonds. Without limiting the immediately preceding sentence, the District and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in book-entry Bonds, (ii) the delivery to any Participant or any other person, other than an Owner as shown in the Bond Register, of any notice with respect to book-entry Bonds, including any notice of redemption, (iii) the selection by the Depository and its Participants of the beneficial interests in book-entry Bonds to be prepaid in the event the District redeems the Bonds in part, or (iv) the payment by the Depository or any Participant or any other person, of any amount with respect to principal, premium, if any, or interest on the book-entry Bonds. The District and the Paying Agent may treat and consider the person in whose name each book-entry Bond is registered in the Bond Register as the absolute Owner of such book-entry Bond for the purpose of payment of principal, premium and interest on and to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent shall pay all principal, premium, if any, and interest on

the Bonds only to or upon the order of the respective Owner, as shown in the Bond Register, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of principal, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Bond Register, shall receive a certificate evidencing the obligation to make payments of principal, premium, if any, and interest on the Bonds. Upon delivery by the Depository to the Owner and the Paying Agent, of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to the Record Date, the word Nominee in this Resolution shall refer to such nominee of the Depository.

1. Delivery of Letter of Representations. In order to qualify the book-entry Bonds for the Depository's book-entry system, the District and the Paying Agent shall execute and deliver to the Depository a Letter of Representations. The execution and delivery of a Letter of Representations shall not in any way impose upon the District or the Paying Agent any obligation whatsoever with respect to persons having interests in such Bonds other than the Owners, as shown on the Bond Register. By executing a Letter of Representations, the Paying Agent shall agree to take all action necessary at all times so that the District will be in compliance with all representations of the District in such Letter of Representations. In addition to the execution and delivery of a Letter of Representations, the District and the Paying Agent shall take such other actions, not inconsistent with this Resolution, as are reasonably necessary to qualify book-entry Bonds for the Depository's book-entry program.

2. Selection of Depository. In the event (i) the Depository determines not to continue to act as securities depository for book-entry Bonds, or (ii) the District determines that continuation of the book-entry system is not in the best interest of the Beneficial Owners of the Bonds or the District, then the District will discontinue the book-entry system with the Depository. If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or direct the preparation of a new single, separate, fully registered bond for each maturity date of such Outstanding book-entry Bond, registered in the name of such successor or substitute qualified securities depository or its Nominee as provided in subsection (4) hereof. If the District fails to identify another qualified securities depository to replace the Depository, then the Bonds shall no longer be restricted to being registered in such Bond Register in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging such Bonds shall designate, in accordance with the provisions of this Section 6(c).

3. Payments and Notices to Depository. Notwithstanding any other provision of this Resolution to the contrary, so long as all Outstanding Bonds are held in book-entry form and registered in the name of the Nominee, all payments by the District or the Paying Agent with respect to principal, premium, if any, or interest on the Bonds

and all notices with respect to such Bonds, including notices of redemption, shall be made and given, respectively to the Nominee, as provided in the Letter of Representations or as otherwise required or instructed by the Depository and agreed to by the Paying Agent notwithstanding any inconsistent provisions herein.

4. Transfer of Bonds to Substitute Depository.

(A) The Bonds shall be initially issued as described in the Official Statement described herein. Registered ownership of such Bonds, or any portions thereof, may not thereafter be transferred except:

(1) to any successor of DTC or its Nominee, or of any substitute depository designated pursuant to Section 6(c)(i)(4)(A)(2) (“Substitute Depository”); provided that any successor of DTC or Substitute Depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

(2) to any Substitute Depository, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that DTC (or its successor) is no longer able to carry out its functions as depository; provided that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(3) to any person as provided below, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that DTC or its successor (or Substitute Depository or its successor) is no longer able to carry out its functions as depository.

(B) In the case of any transfer pursuant to Section 6(c)(i)(4)(A)(1) or (2), upon receipt of all Outstanding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent designating the Substitute Depository, a single new Bond, which the District shall prepare or cause to be prepared, shall be executed and delivered for each maturity of Bonds then Outstanding, registered in the name of such successor or such Substitute Depository or their Nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to Section 6(c)(i)(4)(A)(3), upon receipt of all Outstanding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent, new Bonds, which the District shall prepare or cause to be prepared, shall be executed and delivered in such denominations and registered in the names of such persons as are requested in such written request of the District, provided that the Paying Agent shall not be required to deliver such new Bonds within a period of less than sixty (60) days from the date of receipt of such written request from the District.

(C) In the case of a partial redemption or an advance refunding of any Bonds evidencing a portion of the principal maturing in a particular year, DTC or its successor (or any Substitute Depository or its successor) shall make an appropriate notation on such Bonds indicating the date and amounts of such reduction in principal, in form acceptable to the Paying Agent, all in accordance with the Letter of Representations. The Paying Agent shall not be liable for such Depository's failure to make such notations or errors in making such notations.

(D) The District and the Paying Agent shall be entitled to treat the person in whose name any Bond is registered as the Owner thereof for all purposes of this Resolution and any applicable laws, notwithstanding any notice to the contrary received by the Paying Agent or the District; and the District and the Paying Agent shall not have responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any Beneficial Owners of the Bonds. Neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to any such Beneficial Owners or to any other party, including DTC or its successor (or Substitute Depository or its successor), except to the Owner of any Bonds, and the Paying Agent may rely conclusively on its records as to the identity of the Owners of the Bonds.

SECTION 7 Execution of the Bonds. The Bonds shall be signed by the President of the Board of Education, by his or her manual or facsimile signature and countersigned by the manual or facsimile signature of the Secretary of the Board, all in their official capacities. No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under this Resolution unless and until the certificate of authentication printed on the Bond is signed by the Paying Agent as authenticating agent. Authentication by the Paying Agent shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under this Resolution and is entitled to the security and benefit of this Resolution. There shall be attached to each Bond the legal opinion of Stradling Yocca Carlson & Rauth, a Professional Corporation, and, immediately preceding such legal opinion, a certificate executed with the facsimile signature of the Secretary to the Board of Education, said certificate to be in substantially the following form:

The following is a true copy of the opinion rendered by Stradling Yocca Carlson & Rauth, a Professional Corporation in connection with the issuance of, and dated as of the date of the original delivery of, the bonds. A signed copy is on file in my office.

SECTION 8 Paying Agent; Transfer and Exchange. So long as any of the Bonds remains outstanding, the District will cause the Paying Agent to maintain and keep at its

principal office all books and records necessary for the registration, exchange and transfer of the Bonds as provided in this Section. Subject to the provisions of Section 9 below, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute Owner of that Bond for all purposes of this Resolution. Payment of or on account of the principal, premium, if any, and interest on any Bond shall be made only to or upon the order of that person; neither the District nor the Paying Agent shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the District's liability upon the Bonds, including interest, to the extent of the amount or amounts so paid.

Any Bond may be exchanged for Bonds of like series, tenor, maturity and Transfer Amount upon presentation and surrender at the designated office of the Paying Agent, together with a request for exchange signed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. A Bond may be transferred on the Bond Register only upon presentation and surrender of the Bond at the designated office of the Paying Agent together with an assignment executed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. Upon exchange or transfer, the Paying Agent shall complete, authenticate and deliver a new bond or bonds of like tenor and of any authorized denomination or denominations requested by the Owner equal to the Transfer Amount of the Bond surrendered and bearing or accruing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the District are required in connection with an exchange or transfer, the Paying Agent shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the District. In all cases of exchanged or transferred Bonds, the District shall sign and the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Resolution. All fees and costs of transfer shall be paid by the requesting party. Those charges may be required to be paid before the procedure is begun for the exchange or transfer. All Bonds issued upon any exchange or transfer shall be valid obligations of the District, evidencing the same debt, and entitled to the same security and benefit under this Resolution as the Bonds surrendered upon that exchange or transfer.

Any Bond surrendered to the Paying Agent for payment, retirement, exchange, replacement or transfer shall be cancelled by the Paying Agent. The District may at any time deliver to the Paying Agent for cancellation any previously authenticated and delivered Bonds that the District may have acquired in any manner whatsoever, and those Bonds shall be promptly cancelled by the Paying Agent. Written reports of the surrender and cancellation of Bonds shall be made to the District by the Paying Agent as requested by the District. The cancelled Bonds shall be retained for three years, then returned to the District or destroyed by the Paying Agent as directed by the District.

Neither the District nor the Paying Agent will be required (a) to issue or transfer any Bonds during a period beginning with the opening of business on the 16th business day next preceding either any Bond Payment Date or any date of selection of Bonds to be redeemed and

ending with the close of business on the Bond Payment Date or any day on which the applicable notice of redemption is given or (b) to transfer any Bonds which have been selected or called for redemption in whole or in part.

SECTION 9 Payment. Payment of interest on any Bond shall be made on any Bond Payment Date to the person appearing on the registration books of the Paying Agent as the Owner thereof as of the Record Date immediately preceding such Bond Payment Date, such interest to be paid by wire transfer or check mailed to such Owner on the Bond Payment Date at his or her address as it appears on such registration books or at such other address as he or she may have filed with the Paying Agent for that purpose on or before the Record Date. The Owner in an aggregate principal amount of One Million Dollars (\$1,000,000) or more may request in writing to the Paying Agent that such Owner be paid interest by wire transfer to the bank and account number on file with the Paying Agent as of the Record Date. The principal and redemption price, if any, shall be payable upon maturity or redemption upon surrender at the designated office of the Paying Agent. The interest, principal, and, premiums, if any, on the Bonds shall be payable in lawful money of the United States of America. The Paying Agent is hereby authorized to pay the Bonds when duly presented for payment at maturity, and to cancel all Bonds upon payment thereof. The Bonds are general obligations of the District and do not constitute an obligation of the County except as provided in this Resolution. No part of any fund of the County is pledged or obligated to the payment of the Bonds.

SECTION 10 Form of Bonds. The Bonds shall be in substantially the following forms, allowing those officials executing the Bonds to make the insertions and deletions necessary to conform the Bonds to this Resolution, the Purchase Contract and the Official Statement:

(Form of Legal Opinion)

SECTION 11 Delivery of Bonds. The proper officials of the District shall cause the Bonds to be prepared and, following their sale, shall have the Bonds signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the Underwriters upon payment of the purchase price therefor.

SECTION 12 Deposit of Proceeds of Bonds. (a) The purchase price received from the Underwriters pursuant to the Purchase Contract, to the extent of the principal amount thereof, shall be paid to the County to the credit of the fund hereby authorized to be created to be known as the "San Bernardino City Unified School District, Election of 2012 General Obligation Bonds, Series A Building Fund" (the "Building Fund") of the District, shall be kept separate and distinct from all other District and County funds, and those proceeds shall be used solely for the purpose for which the Bonds are being issued and provided further that such proceeds shall be applied solely to the purposes authorized by the voters of the District at the Election. Within the Building Fund there shall be established two accounts named "Measure N Projects Account" and "Certificates Payments Account." The District shall deposit into the "Certificates Payments Account" of the Building Fund an amount sufficient to make Lease Payments on the Certificates. Amounts in the Certificates Payments Account shall only be applied for the payment of Lease Payments, as described. The County shall have no responsibility for assuring the proper use of the Bond proceeds by the District. The Building Fund may contain subaccounts if the Bonds are issued in more than one series. The purchase price received from the Underwriters pursuant to the Purchase Contract, to the extent of any accrued interest and any net original issue premium, shall be kept separate and apart in the fund hereby authorized to be created and designated as the "San Bernardino City Unified School District, Election of 2012 General Obligation Bonds,, Series A Debt Service Fund" (the "Debt Service Fund") for the Bonds and used for payment of principal of and interest on the Bonds, and for no other purpose. The Debt Service Fund may contain subaccounts if the Bonds are issued in more than one series. Interest earnings on monies held in the Building Fund shall be retained in the Building Fund. Interest earnings on monies held in the Debt Service Fund shall be retained in the Debt Service Fund. Any excess proceeds of the Bonds not needed for the authorized purposes set forth herein for which the Bonds are being issued upon written notice from the District shall be transferred to the Debt Service Fund and applied to the payment of the principal of and interest on the Bonds. If, after payment in full

of the Bonds, there remain excess proceeds, any such excess amounts shall be transferred to the general fund of the District.

The costs of issuance of the Bonds are hereby authorized to be paid either from premium withheld by the Underwriters upon the sale of the Bonds, or from the principal amount of the Bonds received from the Underwriters. To the extent costs of issuance are paid from such principal amount, the District may direct that a portion thereof, in an amount not-to-exceed 2.0% of such principal amount, in lieu of being deposited into the Building Fund, be deposited in a costs of issuance account to be held by a fiscal agent of the District appointed for such purpose.

(b) Moneys in the Debt Service Fund and the Building Fund shall be invested at the written direction of the District, and after consultation with the County, in Permitted Investments. If at the time of issuance the District determines to issue the Bonds as Tax-Exempt Bonds without regard to the Internal Revenue Code “temporary period” restrictions, all investment of Bond proceeds shall be subject to paragraph (1) below; and the District, in consultation with the County, may provide for an agent to assist the County in investing funds pursuant to paragraph (1) below. If the District fails to direct the County or its agent, as the case may be, the County or its agent shall invest or cause the funds in the Building Fund to be invested in Qualified Permitted Investments, subject to the provisions of paragraph (1) below, until such time as the District provides written direction to invest such funds otherwise. Neither the County nor its officers and agents, as the case may be, shall have any responsibility or obligation to determine the tax consequences of any investment. The interest earned on the moneys deposited to the Building Fund shall be applied as set forth in subparagraph (1)(C) below:

(1) Covenant Regarding Investment of Proceeds.

(A) Permitted Investments. Beginning on the delivery date, and at all times until expenditure for authorized purposes, not less than 95% of the proceeds of the Bonds deposited in the Building Fund, including investment earnings thereon, will be invested in Qualified Permitted Investments. Notwithstanding the preceding provisions of this Section, for purposes of this paragraph, amounts derived from the disposition or redemption of Qualified Permitted Investments and held pending reinvestment or redemption for a period of not more than 30 days may be invested in Permitted Investments. The District hereby authorizes investments made pursuant to this Resolution with maturities exceeding five years.

(B) Recordkeeping and Monitoring Relating to Building Fund.

i. Information Regarding Permitted Investments. The District hereby covenants that it will record or cause to be recorded with respect to each Permitted Investment in the Building Fund the following information: purchase date; purchase price; information establishing the Fair Market Value of such

Permitted Investment; face amount; coupon rate; periodicity of interest payments; disposition price; disposition date; and any accrued interest received upon disposition.

ii. Information in Qualified Non-AMT Mutual Funds. The District hereby covenants that, with respect to each investment of proceeds of the Bonds in a Qualified Non-AMT Mutual Fund pursuant to paragraph (1)(A) above, in addition to recording, or causing to be recorded, the information set forth in paragraph (1)(B)(i) above, it will retain a copy of each IRS information reporting form and account statement provided by such Qualified Non-AMT Mutual Fund.

iii. Monthly Investment Fund Statements. The District covenants that it will obtain, at the beginning of each month following the delivery date, a statement of the investments in the Building Fund detailing the nature, amount and value of each investment as of such statement date.

iv. Retention of Records. The District hereby covenants that it will retain the records referred to in paragraph (1)(B)(i) and each IRS information reporting form referred to in paragraph (1)(B)(ii) with its books and records with respect to the Bonds until three years following the last date that any obligation comprising the Bonds is retired.

(C) Interest Earned on Permitted Investments. The interest earned on the moneys deposited in the Building Fund shall be deposited in the Building Fund and used for the purposes of that fund.

Except as required to satisfy the requirements of Section 148(f) of the Code, interest earned on the investment of moneys held in the Debt Service Fund shall be retained in the Debt Service Fund and used by the County to pay the principal of and interest on the Bonds when due.

SECTION 13 Rebate Fund. The following provisions shall apply to any Bonds issued as Tax-Exempt Bonds.

(a) The District shall create and establish a special fund designated the “San Bernardino City Unified School District, Election of 2012 General Obligation Bonds, Series A Rebate Fund” (the “Rebate Fund”). All amounts at any time on deposit in the Rebate Fund shall be held in trust, to the extent required to satisfy the requirement to make rebate payments to the United States (the “Rebate Requirement”) pursuant to Section 148 of the Code, and the Treasury Regulations promulgated thereunder (the “Treasury Regulations”). Such amounts shall be free and clear of any lien hereunder and shall be governed by this Section and by the Tax Certificate to be executed by the District in connection with the Tax-Exempt Bonds (the “Tax Certificate”).

(b) Within 45 days of the end of each fifth Bond Year (as such term is defined in the Tax Certificate), (1) the District shall calculate or cause to be calculated with respect to the

Bonds the amount that would be considered the “rebate amount” within the meaning of Section 1.148-3 of the Treasury Regulations, using as the “computation date” for this purpose the end of such Bond Year, and (2) the District shall deposit to the Rebate Fund from amounts on deposit in the other funds established hereunder or from other District funds, if and to the extent required, amounts sufficient to cause the balance in the Rebate Fund to be equal to the “rebate amount” so calculated. The District shall not be required to deposit any amount to the Rebate Fund in accordance with the preceding sentence, if the amount on deposit in the Rebate Fund prior to the deposit required to be made under this subsection (b) equals or exceeds the “rebate amount” calculated in accordance with the preceding sentence. Such excess may be withdrawn from the Rebate Fund to the extent permitted under subsection (g) of this Section. The District shall not be required to calculate the “rebate amount” and shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b), with respect to all or a portion of the proceeds of the Bonds (including amounts treated as proceeds of the Bonds) (1) to the extent such proceeds satisfy the expenditure requirements of Section 148(f)(4)(B) or Section 148(f)(4)(C) of the Code or Section 1.148-7(d) of the Treasury Regulations, whichever is applicable, and otherwise qualify for the exception to the Rebate Requirement pursuant to whichever of said sections is applicable, (2) to the extent such proceeds are subject to an election by the District under Section 148(f)(4)(C)(vii) of the Code to pay a one and one-half percent (1½%) penalty in lieu of arbitrage rebate in the event any of the percentage expenditure requirements of Section 148(f)(4)(C) are not satisfied, or (3) to the extent such proceeds qualify for the exception to arbitrage rebate under Section 148(f)(4)(A)(ii) of the Code for amounts in a “bona fide debt service fund.” In such event, and with respect to such amounts, the District shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b).

(c) Any funds remaining in the Rebate Fund after redemption of all the Bonds and any amounts described in paragraph (2) of subsection (d) of this Section, or provision made therefor satisfactory to the District, including accrued interest, shall be remitted to the District.

(d) Subject to the exceptions contained in subsection (b) of this Section to the requirement to calculate the “rebate amount” and make deposits to the Rebate Fund, the District shall pay to the United States, from amounts on deposit in the Rebate Fund,

(1) not later than 60 days after the end of (i) the fifth Bond Year, and (ii) each fifth Bond Year thereafter, an amount that, together with all previous rebate payments, is equal to at least 90% of the “rebate amount” calculated as of the end of such Bond Year in accordance with Section 1.148-3 of the Treasury Regulations; and

(2) not later than 60 days after the payment of all Bonds, an amount equal to 100% of the “rebate amount” calculated as of the date of such payment (and any income attributable to the “rebate amount” determined to be due and payable) in accordance with Section 1.148-3 of the Treasury Regulations.

(e) In the event that, prior to the time any payment is required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such

payment is due, the District shall calculate (or have calculated) the amount of such deficiency and deposit an amount equal to such deficiency into the Rebate Fund prior to the time such payment is due.

(f) Each payment required to be made pursuant to subsection (d) of this Section shall be made to the Internal Revenue Service, on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, such form to be prepared or caused to be prepared by the District.

(g) In the event that immediately following the calculation required by subsection (b) of this Section, but prior to any deposit made under said subsection, the amount on deposit in the Rebate Fund exceeds the "rebate amount" calculated in accordance with said subsection, the District may withdraw the excess from the Rebate Fund and credit such excess to the Debt Service Fund.

(h) The District shall retain records of all determinations made hereunder until three years after the complete retirement of the Bonds.

(i) Notwithstanding anything in this Resolution to the contrary, the Rebate Requirement shall survive the payment in full or defeasance of the Bonds.

SECTION 14 Security for the Bonds. There shall be levied on all the taxable property in the District, in addition to all other taxes, a continuing direct ad valorem tax annually during the period the Bonds are Outstanding in an amount sufficient to pay the principal of and interest on the Bonds when due, which moneys when collected will be placed in the Debt Service Fund of the District, which fund is hereby designated for the payment of the principal of and interest on the Bonds when and as the same fall due, and for no other purpose.

The moneys in the Debt Service Fund, to the extent necessary to pay the principal of and interest on the Bonds as the same become due and payable, shall be transferred by the Treasurer to the Paying Agent which, in turn, shall pay such moneys to DTC to pay such principal and interest. DTC will thereupon make payments of principal of and interest on the Bonds to the DTC Participants who will thereupon make payments of such principal and interest to the Beneficial Owners of the Bonds. Any moneys remaining in the Debt Service Fund after the Bonds and the interest thereon have been paid in full, or provision for such payment has been made, shall be transferred to the general fund of the District, pursuant to the Education Code Section 15234.

SECTION 15 Arbitrage Covenant. The District will restrict the use of the proceeds of the Refunding Bonds in such manner and to such extent, if any, as may be necessary, so that the Refunding Bonds will not constitute arbitrage bonds under Section 148 of the Code and the applicable regulations prescribed under that Section or any predecessor section.

SECTION 16 Conditions Precedent. The Board determines that all acts and conditions necessary to be performed by the Board or to have been met precedent to and in the

issuing of the Bonds in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

SECTION 17 Official Statement. The Preliminary Official Statement relating to the Bonds, substantially in the form on file with the Secretary to the Board is hereby approved and the Authorized Officers, each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deliver such Preliminary Official Statement to the Underwriters to be used in connection with the offering and sale of the Bonds. The Authorized Officers, each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deem the Preliminary Official Statement “final” pursuant to 15c2-12 of the Securities Exchange Act of 1934, prior to its distribution and to execute and deliver to the Underwriters a final Official Statement, substantially in the form of the Preliminary Official Statement, with such changes therein, deletions therefrom and modifications thereto as the Authorized Officer executing the same shall approve. The Underwriters are hereby authorized to distribute copies of the Preliminary Official Statement to persons who may be interested in the purchase of the Bonds and are directed to deliver copies of any final Official Statement to the purchasers of the Bonds. Execution of the Official Statement shall conclusively evidence the District’s approval of the Official Statement.

SECTION 18 Insurance. In the event the District purchases bond insurance for the Bonds, and to the extent that the Bond Insurer makes payment of the principal of or interest on the Bonds, it shall become the Owner of such Bonds with the right to payment of such principal or interest, and shall be fully subrogated to all of the Owners’ rights, including the Owners’ rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims that were past due interest components, the Paying Agent shall note the Bond Insurer’s rights as subrogee on the registration books for the Bonds maintained by the Paying Agent upon receipt of a copy of the cancelled check issued by the Bond Insurer for the payment of such interest to the Owners of the Bonds, and (ii) in the case of subrogation as to claims for past due principal, the Paying Agent shall note the Bond Insurer as subrogee on the registration books for the Bonds maintained by the Paying Agent upon surrender of the Bonds by the Owners thereof to the Bond Insurer or the insurance trustee for the Bond Insurer.

SECTION 19 Defeasance. All or any portion of the Outstanding maturities of the Bonds may be defeased prior to maturity in the following ways:

- (a) Cash: by irrevocably depositing with an independent escrow agent selected by the District an amount of cash which together with amounts transferred from the Debt Service Fund is sufficient to pay all Bonds Outstanding and designated for defeasance (including all principal thereof, accrued interest thereon and redemption premiums, if any) at or before their maturity date; or

(b) Government Obligations: by irrevocably depositing with an independent escrow agent selected by the District noncallable Government Obligations together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant, together with interest to accrue thereon and moneys transferred from the Debt Service Fund, be fully sufficient to pay and discharge all Bonds Outstanding and designated for defeasance (including all principal thereof, accrued interest thereon and redemption premiums, if any) at or before their maturity date;

then, notwithstanding that any of such Bonds shall not have been surrendered for payment, all obligations of the District with respect to all such designated Outstanding Bonds shall cease and terminate, except only the obligation of the independent escrow agent selected by the District to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section, to the Owners of such designated Bonds not so surrendered and paid all sums due with respect thereto.

For purposes of this Section, Government Obligations shall mean:

Direct and general obligations of the United States of America or obligations that are unconditionally guaranteed as to principal and interest by the United States of America (which may consist of obligations of the Resolution Funding Corporation that constitute strips), or “prerefunded” municipal obligations rated in the highest rating category by Moody’s Investors Service or Standard & Poor’s. In the case of direct and general obligations of the United States of America, Government Obligations shall include evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations. Investments in such proportionate interests must be limited to circumstances where (a) a bank or trust company acts as custodian and holds the underlying United States obligations; (b) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States obligations; and (c) the underlying United States obligations are held in a special account, segregated from the custodian’s general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; provided that such obligations are rated or assessed at least as high as direct and general obligations of the United States of America by either Standard & Poor’s or by Moody’s Investors Service.

SECTION 20 Nonliability of County. Notwithstanding anything to the contrary contained herein, in the Bonds or in any other document mentioned herein, neither the County, nor its officials, officers, employees or agents shall have any liability hereunder or by reason hereof or in connection with the transactions contemplated hereby, the Bonds are not a debt of the County or a pledge of the County’s full faith and credit, and the Bonds and any liability in connection therewith shall be paid solely from *ad valorem* taxes lawfully levied to pay the principal of or interest on the Bonds.

SECTION 21 Indemnification of County. The District shall defend, indemnify and hold harmless the County, its officials, officers, agents and employees (“Indemnified Parties”) against any and all losses, claims, damages or liabilities, joint or several, to which such Indemnified Parties may become subject based in whole or in part upon any acts or omission related to the Bonds, except with regard to the County’s responsibilities under Section 23 hereof. The District shall also reimburse the Indemnified Parties for any legal or other costs and expenses incurred in connection with investigating or defending any such claims or liabilities, except with regard to the County’s responsibilities under Section 23 hereof.

SECTION 22 Reimbursement of County Costs. The District shall reimburse the County for all costs and expenses incurred by the County, its officials, officers, agents and employees in issuing or otherwise in connection with the issuance of the Bonds.

SECTION 23 Request to County to Levy Tax. The Board of Supervisors and officers of the County are obligated by statute to provide for the levy and collection of *ad valorem* property taxes in each year sufficient to pay all principal of and interest coming due on the Bonds in such year, and to pay from such taxes all amounts due on the Bonds. The District hereby requests the Board of Supervisors to annually levy a tax upon all taxable property in the District sufficient to pay all such principal and interest coming due on the Bonds in such year, and to pay from such taxes all amounts due on the Bonds.

SECTION 24 Other Actions. (a) Officers of the Board and District officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

(b) The Board hereby appoints Piper Jaffray & Co., as representative (the “Representative”) of itself, and De La Rosa & Co., Cabrera Capital Markets, LLC, and Siebert Brandford Shank & Co., LLC (collectively, the “Underwriters”) and Stradling Yocca Carlson & Rauth, a Professional Corporation, as Bond Counsel and Disclosure Counsel, all with respect to the issuance of the Bonds.

(c) Notwithstanding any other provisions contained herein, the provisions of this Resolution as they relate to the Bonds may be amended by the Purchase Contract and the Official Statement.

SECTION 25 Resolution to Auditor-Controller/Treasurer/Tax Collector. The Secretary to this Board is hereby directed to provide a certified copy of this Resolution to the Treasurer immediately following its adoption.

SECTION 26 Continuing Disclosure. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of that certain Continuing Disclosure

Certificate executed by the District and dated the date of issuance and delivery of the Bonds, as originally executed and as it may be amended from time to time in accordance with the terms thereof. Any Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Section. Noncompliance with this Section shall not result in acceleration of the Bonds.

SECTION 27 Effective Date. This Resolution shall take effect immediately upon its passage.

SECTION 28 Further Actions Authorized. It is hereby covenanted that the District, and its appropriate officials, have duly taken all actions necessary to be taken by them, and will take any additional actions necessary to be taken by them, for carrying out the provisions of this Resolution.

SECTION 29 Recitals. All the recitals in this Resolution above are true and correct and this Board so finds, determines and represents.

RESOLUTION AUTHORIZING THE ISSUANCE OF THE SAN BERNARDINO CITY UNIFIED SCHOOL DISTRICT (SAN BERNARDINO COUNTY, CALIFORNIA) 2013 GENERAL OBLIGATION REFUNDING BONDS

WHEREAS, a duly called election was held in the San Bernardino City Unified School District, San Bernardino County, State of California (hereinafter referred to as the "District"), on March 2, 2004 (the "Authorization") and thereafter canvassed pursuant to law;

WHEREAS, at such election there was submitted to and approved by a vote of more than 55% of the qualified electors of the District a question as to the issuance and sale of general obligation bonds of the District for various purposes set forth in the ballot submitted to the voters, in the maximum amount of \$140,000,000 payable from the levy of an *ad valorem* tax against the taxable property in the District;

WHEREAS, on September 29, 2004 the District issued the first series of bonds pursuant to the Authorization, styled as the San Bernardino City Unified School District (San Bernardino County, California) General Obligation Bonds, 2004 Election, Series A, in the principal amount of \$44,999,497.70 (the "Prior Series A Bonds");

WHEREAS, on September 29, 2004, the District issued \$37,055,000 of its San Bernardino City Unified School District (San Bernardino County, California) General Obligation Refunding Bonds (the “2004 Refunding Bonds”);

WHEREAS, on May 18, 2006, the District issued the second series of bonds pursuant to the Authorization, styled as the San Bernardino City Unified School District (San Bernardino County, California) General Obligation Bonds, 2004 Election, Series B, in the principal amount of \$67,999,967.45 (the “Prior Series B Bonds,” and together with the Prior Series A Bonds and the 2004 Refunding Bonds, the “Prior Bonds”);

WHEREAS, pursuant to Section 53550 of the Government Code, the District is authorized to issue general obligation refunding bonds (the “Refunding Bonds”) to refund all or a portion of the outstanding Prior Bonds (so refunded, the “Refunded Bonds”);

WHEREAS, this Board of Education (the “Board”) desires to authorize the issuance of the Refunding Bonds in one or more series of current interest taxable or tax-exempt bonds;

WHEREAS, all acts, conditions and things required by law to be done or performed have been done and performed in strict conformity with the laws authorizing the issuance of general obligation refunding bonds of the District, and whereas the indebtedness of the District, including this proposed issue of Refunding Bonds, is within all limits prescribed by law; and

WHEREAS, this Board desires to appoint professionals related to the issuance of the Refunding Bonds;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF EDUCATION OF THE SAN BERNARDINO CITY UNIFIED SCHOOL DISTRICT, SAN BERNARDINO COUNTY, CALIFORNIA, AS FOLLOWS:

SECTION 1. Purpose. To refund all or a portion of the outstanding principal amount of the Prior Bonds and to pay all necessary legal, financial, and contingent costs in connection therewith, the District authorizes the issuance of the Refunding Bonds in one or more series, to be styled as the “San Bernardino City Unified School District (San Bernardino County, California) 2013 General Obligation Refunding Bonds” (or such other name as set forth in the Purchase Contract, as defined herein) and in an aggregate principal amount not-to-exceed \$140,000,000 and with appropriate series designations if more than one series is issued. Additional costs authorized to be paid from the proceeds of the Refunding Bonds are all of the authorized costs of issuance set forth in Sections 53550(e) and (f) and Section 53587 of the Government Code.

SECTION 2. Paying Agent. The Board does hereby authorize the appointment of the U.S. Bank National Association as Paying Agent (defined herein) to act as the authenticating agent, bond registrar, transfer agent and paying agent for the Refunding Bonds on behalf of the

District. The fees and expenses of the Paying Agent which are not paid as a cost of issuance of the Bonds are authorized to be paid in each year from ad valorem taxes levied and collected for the payment thereof, insofar as permitted by law, including specifically by Section 15232 of the Education Code.

SECTION 3. Terms and Conditions of Sale. To best access the capital markets, the Refunding Bonds shall be sold upon the direction of the Superintendent of the District (the "Superintendent") or the Chief Business and Financial Officer of the District, the Assistant Superintendent, Facilities/Operations (the "Assistant Superintendent, Facilities/Operations"), or such other officers or employees of the District as the Superintendent, the Chief Business and Financial Officer, or Assistant Superintendent, Facilities/Operations may designate (collectively, the "Authorized Officers"). The Board hereby authorizes the sale of the Refunding Bonds at a negotiated sale, which is determined to provide more flexibility in the timing of the sale, an ability to implement the sale in a shorter time period, an increased ability to structure the Refunding Bonds to fit the needs of particular purchasers, and a greater opportunity for the Underwriters (as defined herein) to pre-market the Refunding Bonds to potential purchasers prior to the sale, all of which will contribute to the District's goal of achieving the lowest overall cost of funds. The Refunding Bonds shall be sold pursuant to the terms and conditions set forth in the Purchase Contract, as described below.

SECTION 4. Approval of Purchase Contract. The form of contract for purchase of the Refunding Bonds (the "Purchase Contract") by and between the District and Piper Jaffray & Co., as representative (the "Representative") of itself, and De La Rosa & Co., Cabrera Capital Markets, LLC, and Siebert Brandford Shank & Co., LLC (collectively, the "Underwriters"), for the purchase and sale of the Refunding Bonds, substantially in the form on file with the Board, is hereby approved and the Authorized Officers, each alone, are hereby authorized and requested to execute such Purchase Contract; provided, however, that the maximum interest rate on the Refunding Bonds shall not exceed the maximum rate permitted by law and the underwriting discount thereon, excluding original issue discount, shall not exceed 0.5% of the aggregate principal amount of Refunding Bonds issued. The Authorized Officers, each alone, are further authorized to determine the principal amount of the Refunding Bonds to be specified in the Purchase Contract for sale by the District up to \$140,000,000 and to enter into and execute the Purchase Contract with the Underwriters, if the conditions set forth in this Resolution are satisfied. The Board estimates that the costs associated with the issuance of the Refunding Bonds, including compensation to the Underwriters (but excluding fees of the Bond Insurer, if any), will equal approximately 2.0% of the principal amount of the Refunding Bonds.

Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Refunding Bond or portion thereof being redeemed at the redemption price thereof, together with the interest accrued to the redemption date thereon, and that from and after such date, interest with respect thereto shall cease to accrue.

The Paying Agent shall take the following actions with respect to such Redemption Notice:

(A) At least 20 but not more than 60 days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Refunding Bonds designated for redemption by registered or certified mail, postage prepaid, at their addresses appearing on the Bond Register.

(B) At least 20 but not more than 60 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service to the Securities Depository.

(C) At least 20 but not more than 60 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, or (ii) overnight delivery service to one of the Information Services.

A certificate of the Paying Agent or the District that a notice of redemption has been given as provided herein shall be conclusive as against all parties. Neither failure to receive any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the

sufficiency of the proceedings for the redemption of the affected Refunding Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Refunding Bonds shall bear or include the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer. Such redemption notices may state that no representation is made as to the accuracy or correctness of the CUSIP numbers printed therein or on the Refunding Bonds.

With respect to any notice of redemption of Bonds pursuant to Section 6(b)(i) hereof, unless upon the giving of such notice such Bonds shall be deemed to have been defeased pursuant to Section 19 hereof, such notice shall state that such redemption shall be conditional upon the receipt by the Paying Agent (or an independent escrow agent selected by the District) on or prior to the date fixed for such redemption of the moneys necessary and sufficient to pay the principal of, and premium, if any, and interest on, such Bonds to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect, the Bonds shall not be subject to redemption on such date and the Bonds shall not be required to be redeemed on such date. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Paying Agent shall within a reasonable time thereafter give notice, to the persons to whom and in the manner in which the notice of redemption was given, that such moneys were not so received. In addition, the District shall have the right to rescind any notice of redemption, by written notice to the Paying Agent on or prior to the date fixed for redemption. The Paying Agent shall distribute notice of rescission of such notice in the same manner that the notice was originally provided.

(vi) Partial Redemption of Refunding Bonds. Upon the surrender of any Refunding Bond redeemed in part only, the Paying Agent shall authenticate and deliver to the Owner thereof a new Refunding Bond or Refunding Bonds of like tenor and maturity and of authorized denominations equal in Principal Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the District shall be released and discharged thereupon from all liability to the extent of such payment.

(vii) Effect of Notice of Redemption. Notice having been given as aforesaid, and the moneys for the redemption (including the interest accrued to the applicable date of redemption) having been set aside in the District's Debt Service Fund, the Refunding Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Refunding Bonds to be redeemed as provided in Section 6(b) hereof, together with interest accrued to such redemption date, shall be held by the Paying Agent so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest with respect to the Refunding Bonds to be redeemed shall cease to accrue and become payable. All money held by or on behalf of the Paying Agent for the redemption of Refunding Bonds shall be held in trust for the account of the Owners of the Refunding Bonds so to be redeemed.

All Refunding Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this Section 6 shall be cancelled upon surrender thereof and be delivered to or upon the order of the District. All or any portion of a Refunding Bond purchased by the District shall be cancelled by the Paying Agent.

(viii) Refunding Bonds No Longer Outstanding. When any Refunding Bonds (or portions thereof), which have been duly called for redemption prior to maturity under the provisions of this Resolution, or with respect to which irrevocable instructions to call for redemption prior to maturity at the earliest redemption date have been given to the Paying Agent, in form satisfactory to it, and sufficient moneys shall be held by the Paying Agent irrevocably in trust for the payment of the redemption price of such Refunding Bonds or portions thereof, and, accrued interest with respect thereto to the date fixed for redemption, all as provided in this Resolution, then such Refunding Bonds shall no longer be deemed Outstanding and shall be surrendered to the Paying Agent for cancellation.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this Section 6 shall be cancelled upon surrender thereof and be delivered to or upon the order of the District. All or any portion of a Bond purchased by the District shall be cancelled by the Paying Agent.

(c) Book-Entry System.

(i) Election of Book-Entry System. The Refunding Bonds shall initially be delivered in the form of a separate single fully-registered bond (which may be typewritten) for each maturity date of such Refunding Bonds in an authorized denomination. The ownership of each such Bond shall be registered in the Bond Register (as defined below) maintained by the Paying Agent in the name of the Nominee, as nominee of the Depository and ownership of the Refunding Bonds, or any portion thereof may not thereafter be transferred except as provided in Section 6(c)(i)(4).

The District and the Paying Agent shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds an interest in such the Refunding Bonds. Without limiting the immediately preceding sentence, the District and the Paying Agent shall have no responsibility or obligation with respect to: (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in the Refunding Bonds; (ii) the delivery to any Participant or any other person, other than an Owner as shown in the Bond Register, of any notice with respect to the Refunding Bonds, including any notice of redemption; (iii) the selection by the Depository and its Participants of the beneficial interests in the Refunding Bonds to be prepaid in the event the District redeems the Refunding Bonds in part; (iv) or the payment by the Depository or any Participant or any other person, of any amount with respect to principal, premium, if any, or interest on the Refunding Bonds. The District and the Paying Agent may treat and consider the person in whose name each

the Refunding Bond is registered in the Bond Register as the absolute owner (the “Registered Owner” or “Owner”) of such the Refunding Bond for the purpose of payment of principal of and premium and interest on and to such Refunding Bond, for the purpose of giving notices of redemption and other matters with respect to such Refunding Bond, for the purpose of registering transfers with respect to such Refunding Bond, and for all other purposes whatsoever. The Paying Agent shall pay all principal of and premium, if any, and interest on the Refunding Bonds only to or upon the order of the respective Owner, as shown in the Bond Register, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District’s obligations with respect to payment of principal of, and premium, if any, and interest on the Refunding Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Bond Register, shall receive a certificate evidencing the obligation to make payments of principal of, and premium, if any, and interest on the Refunding Bonds. Upon delivery by the Depository to the Owner and the Paying Agent, of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to the Record Date, the word “Nominee” in this Resolution shall refer to such nominee of the Depository.

(1) Delivery of Letter of Representations. In order to qualify the Refunding Bonds for the Depository’s book-entry system, the District and the Paying Agent shall execute and deliver to the Depository a Letter of Representations. The execution and delivery of a Letter of Representations shall not in any way impose upon the District or the Paying Agent any obligation whatsoever with respect to persons having interests in the Refunding Bonds other than the Owners, as shown on the Bond Register. By executing a Letter of Representations, the Paying Agent shall agree to take all action necessary at all times so that the District will be in compliance with all representations of the District in such Letter of Representations. In addition to the execution and delivery of a Letter of Representations, the District and the Paying Agent shall take such other actions, not inconsistent with this Resolution, as are reasonably necessary to qualify the Refunding Bonds for the Depository’s book-entry program.

(2) Selection of Depository. In the event (i) the Depository determines not to continue to act as securities depository for the Refunding Bonds, or (ii) the District determines that continuation of the book-entry system is not in the best interest of the beneficial owners of the Refunding Bonds or the District, then the District will discontinue the book-entry system with the Depository. If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or direct the preparation of a new single, separate, fully registered bond for each maturity date of such the Refunding Bond, registered in the name of such successor or substitute qualified securities depository or its Nominee as provided in subsection (4) hereof. If the District fails to identify another qualified securities depository to replace the Depository, then the Refunding Bonds shall no longer be restricted to being registered

in such Bond Register in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging such Refunding Bonds shall designate, in accordance with the provisions of this Section 6(c).

(3) Payments and Notices to Depository. Notwithstanding any other provision of this Resolution to the contrary, so long as all outstanding Refunding Bonds are held in book-entry and registered in the name of the Nominee, all payments by the District or Paying Agent with respect to principal of and premium, if any, or interest on the Refunding Bonds and all notices with respect to such Refunding Bonds, including notices of redemption, shall be made and given, respectively to the Nominee, as provided in the Letter of Representations or as otherwise instructed by the Depository and agreed to by the Paying Agent notwithstanding any inconsistent provisions herein.

(4) Transfer of Refunding Bonds to Substitute Depository.

(A) The Refunding Bonds shall be initially issued as described in the Official Statement. Registered ownership of such Refunding Bonds, or any portions thereof, may not thereafter be transferred except:

(1) to any successor of DTC or its Nominee, or of any substitute depository designated pursuant to Section 6(c)(i)(4)(A)(2) (“Substitute Depository”); provided that any successor of DTC or Substitute Depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

(2) to any Substitute Depository, upon (a) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (b) a determination by the District that DTC (or its successor) is no longer able to carry out its functions as depository; provided that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(3) to any person as provided below, upon (a) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (b) a determination by the District that DTC or its successor (or Substitute Depository or its successor) is no longer able to carry out its functions as depository.

(B) In the case of any transfer pursuant to Section 6(c)(i)(4)(A)(1) or (2), upon receipt of all outstanding Refunding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent designating the Substitute Depository, a single new Bond, which the District shall prepare or cause to be prepared, shall be executed and delivered for each maturity of Refunding Bonds then outstanding, registered in the name of such successor or such Substitute Depository or their Nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant

to Section 6(c)(i)(4)(A)(3), upon receipt of all outstanding Refunding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent, new Refunding Bonds, which the District shall prepare or cause to be prepared, shall be executed and delivered in such denominations and registered in the names of such persons as are requested in such written request of the District, provided that the Paying Agent shall not be required to deliver such new Refunding Bonds within a period of less than sixty (60) days from the date of receipt of such written request from the District.

(C) In the case of a partial redemption of any Refunding Bonds evidencing a portion of the principal maturing in a particular year, DTC or its successor (or any Substitute Depository or its successor) shall make an appropriate notation on such Refunding Bonds indicating the date and amounts of such reduction in principal, in form acceptable to the Paying Agent, all in accordance with the Letter of Representations. The Paying Agent shall not be liable for such Depository's failure to make such notations or errors in making such notations.

(D) The District and the Paying Agent shall be entitled to treat the person in whose name any Bond is registered as the Owner thereof for all purposes of this Resolution and any applicable laws, notwithstanding any notice to the contrary received by the Paying Agent or the District; and the District and the Paying Agent shall not have responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Refunding Bonds. Neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to any such beneficial owners or to any other party, including DTC or its successor (or Substitute Depository or its successor), except to the Owner of any Refunding Bonds, and the Paying Agent may rely conclusively on its records as to the identity of the Owners of the Refunding Bonds.

SECTION 7. Execution of Refunding Bonds. The Refunding Bonds shall be signed by the President of the Board of Education of the District, by his or her manual or facsimile signature and countersigned by the manual or facsimile signature of the Clerk of or Secretary to the Board, all in their official capacities. No Refunding Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under this Resolution unless and until the certificate of authentication printed on the Refunding Bond is signed by the Paying Agent as authenticating agent. Authentication by the Paying Agent shall be conclusive evidence that the Refunding Bond so authenticated has been duly issued, signed and delivered under this Resolution and is entitled to the security and benefit of this Resolution. There shall be attached to each Refunding Bond the legal opinion of Stradling Yocca Carlson & Rauth, a Professional Corporation, and, immediately preceding such legal opinion, a certificate executed with the facsimile signature of the Secretary to the Board of Education, said certificate to be in substantially the following form:

SECTION 8. Paying Agent; Transfer and Exchange. So long as any of the Refunding Bonds remain outstanding, the District will cause the Paying Agent to maintain and keep at its designated office all books and records necessary for the registration, exchange and transfer of the Refunding Bonds as provided in this Section. Subject to the provisions of Section 9 below, the person in whose name a Refunding Bond is registered on the Bond Register shall be regarded as the absolute Owner of that Refunding Bond for all purposes of this Resolution. Payment of or on account of the principal or premium, if any, and interest on any Refunding Bond shall be made only to or upon the order of that person; neither the District nor the Paying Agent shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the District's liability upon the Refunding Bonds, including interest, to the extent of the amount or amounts so paid.

Any Refunding Bond may be exchanged for Refunding Bonds of like tenor, maturity and Transfer Amount upon presentation and surrender at the designated office of the Paying Agent, together with a request for exchange signed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. A Refunding Bond may be transferred on the Bond Register only upon presentation and surrender of the Refunding Bond at the designated office of the Paying Agent together with an assignment executed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. Upon exchange or transfer, the Paying Agent shall complete, authenticate and deliver a new Refunding Bond or Refunding Bonds of like tenor and of any authorized denomination or denominations requested by the Owner equal to the Transfer Amount of the Refunding Bond surrendered and bearing or accruing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the District are required in connection with an exchange or transfer, the Paying Agent shall undertake the exchange or transfer of Refunding Bonds only after the new Refunding Bonds are signed by the authorized officers of the District. In all cases of exchanged or transferred Refunding Bonds, the District shall sign and the Paying Agent shall authenticate and deliver Refunding Bonds in accordance with the provisions of this Resolution. All fees and costs of transfer shall be paid by the requesting party. Those charges may be required to be paid before the procedure is begun for the exchange or transfer. All Refunding Bonds issued upon any exchange or transfer shall be valid obligations of the District, evidencing the same debt, and entitled to the same security and benefit under this Resolution as the Refunding Bonds surrendered upon that exchange or transfer.

Any Refunding Bond surrendered to the Paying Agent for payment, retirement, exchange, replacement or transfer shall be cancelled by the Paying Agent. The District may at any time deliver to the Paying Agent for cancellation any previously authenticated and delivered Refunding Bonds that the District may have acquired in any manner whatsoever, and those Refunding Bonds shall be promptly cancelled by the Paying Agent. Written reports of the surrender and cancellation of Refunding Bonds shall be made to the District by the Paying Agent as requested by the District. The cancelled Refunding Bonds shall be retained for three years, then returned to the District or destroyed by the Paying Agent as directed by the District.

Neither the District nor the Paying Agent will be required (a) to issue or transfer any Refunding Bonds during a period beginning with the opening of business on the 16th business day next preceding either any Bond Payment Date or any date of selection of Refunding Bonds to be redeemed and ending with the close of business on the Bond Payment Date or any day on which the applicable notice of redemption is given or (b) to transfer any Refunding Bonds which have been selected or called for redemption in whole or in part.

SECTION 9. Payment. Payment of interest on any Refunding Bond on any Bond Payment Date shall be made to the person appearing on the registration books of the Paying Agent as the Owner thereof as of the Record Date immediately preceding such Bond Payment Date, such interest to be paid by check mailed to such Owner on the Bond Payment Date at his address as it appears on such registration books or at such other address as he may have filed with the Paying Agent for that purpose on or before the Record Date. The Owner in an aggregate principal of \$1,000,000 or more may request in writing to the Paying Agent that such Owner be paid interest by wire transfer to the bank and account number on file with the Paying Agent as of the Record Date. The principal, and redemption price, if any, shall be payable upon maturity or redemption upon surrender at the designated office of the Paying Agent. The interest, principal and premiums, if any, on the Refunding Bonds shall be payable in lawful money of the United States of America. The Paying Agent is hereby authorized to pay the Refunding Bonds when duly presented for payment at maturity, and to cancel all Refunding Bonds upon payment thereof. The Refunding Bonds are general obligations of the District, payable without limit as to rate or amount solely from the levy of ad valorem property taxes upon all property subject to taxation within the District.

SECTION 10. Form of Refunding Bonds. The Refunding Bonds shall be in substantially the following form, allowing those officials executing the Refunding Bonds to make the insertions and deletions necessary to conform the Refunding Bonds to this Resolution, the Purchase Contract and the Official Statement:

This bond and the issue of which this bond is one are general obligation bonds of the District payable as to both principal and interest solely from the proceeds of the levy of ad valorem taxes on all property subject to such taxes in the District, which taxes are unlimited as to rate or amount.

The bonds of this issue comprise \$_____ principal amount of Current Interest Bonds, of which this bond is a part (each a "Refunding Bond").

This bond is exchangeable and transferable for bonds of like tenor, maturity and principal amount and in authorized denominations at the designated office of the Paying Agent in Los Angeles, California by the Registered Owner or by a person legally empowered to do so, upon presentation and surrender hereof to the Paying Agent, together with a request for exchange or an assignment signed by the Registered Owner or by a person legally empowered to do so, in a form satisfactory to the Paying Agent, all subject to the terms, limitations and conditions provided in the Bond Resolution. The District and the Paying Agent may deem and treat the Registered Owner as the absolute Owner of this bond for the purpose of receiving payment of or on account of Principal or interest and for all other purposes, and neither the District nor the Paying Agent shall be affected by any notice to the contrary.

Neither the District nor the Paying Agent will be required (a) to issue or transfer any bond during a period beginning with the opening of business on the 16th business day next preceding either any Bond Payment Date or any date of selection of bonds to be redeemed and ending with the close of business on the Bond Payment Date or day on which the applicable notice of redemption is given or (b) to transfer any bond which has been selected or called for redemption in whole or in part.

The Refunding Bonds maturing on August 1, 20__ are subject to mandatory sinking fund redemption from moneys in the Debt Service Fund on August 1 of each year on and after August 1, 20__, at a redemption price equal to the principal amount thereof, together with accrued interest to the date fixed for redemption, without premium. The principal amounts represented

If less than all of the bonds of any one maturity shall be called for redemption, the particular bonds or portions of bonds of such maturity to be redeemed shall be selected by lot by the District in such manner as the District in its discretion may determine; provided, however, that the portion of any bond to be redeemed shall be in the Principal amount of \$5,000 or some multiple thereof. It is certified and recited that all acts and conditions required by the Constitution and laws of the State of California to exist, to occur and to be performed or to have been met precedent to and in the issuing of the bonds in order to make them legal, valid and binding general obligations of the District, have been performed and have been met in regular and due form as required by law; that payment in full for the bonds has been received; that no statutory or constitutional limitation on indebtedness or taxation has been exceeded in issuing the bonds; and that due provision has been made for levying and collecting ad valorem property taxes on all of the taxable property within the District in an amount sufficient to pay Principal and interest when due.

(Form of Legal Opinion)

SECTION 11. Delivery of Refunding Bonds. The proper officials of the District shall cause the Refunding Bonds to be prepared and, following their sale, shall have the Refunding Bonds signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Refunding Bonds, to the Underwriters upon payment of the purchase price therefor.

SECTION 12. Deposit of Proceeds of Refunding Bonds; Escrow Agreement. An amount of the proceeds from the sale of the Refunding Bonds necessary to purchase Federal Securities shall be transferred to the Escrow Agent for deposit in the escrow fund (the "Escrow

Fund”) established under the Escrow Agreement, which amount, together with an amount or amounts of cash held uninvested therein, shall be sufficient to refund the Refunded Bonds all as set forth in a certificate of an Authorized Officer. Proceeds or premium received from the sale of the Refunding Bonds desired to pay all or a portion of the costs of issuing the Refunding Bonds may be deposited in the fund of the District held by the Escrow Agent and known as the “San Bernardino City Unified School District 2013 General Obligation Refunding Bonds Cost of Issuance Fund” (the “Cost of Issuance Fund”) and shall be kept separate and distinct from all other District funds, and those proceeds shall be used solely for the purpose of paying costs of issuance of the Refunding Bonds.

Any accrued interest received by the District from the sale of the Refunding Bonds shall be kept separate and apart in the fund hereby created and established and to be designated as the “San Bernardino City Unified School District 2013 General Obligation Refunding Bonds Debt Service Fund” (the “Debt Service Fund”) for the Refunding Bonds and used only for payments of Principal of and interest on the Refunding Bonds. The Debt Service Fund shall be held by the County and invested in the County Investment Pool maintained by the Auditor-Controller/Treasurer/Tax Collector of the County. Money on deposit in the debt service fund established for the Refunded Bonds collected to make the payments on the Refunded Bonds due on and after August 1, 2013, as applicable (i) may be used to pay the debt service due on and after August 1, 2013, as applicable on any Prior Bonds not to be refunded from proceeds of the Refunding Bonds, (ii) may be transferred to the Escrow Fund and applied as set forth in the Escrow Agreement or (iii) may be used to pay principal of and interest due, if any, on the Refunding Bonds. Any premium received by the District from the sale of the Refunding Bonds may be transferred to the Debt Service Fund or applied to the payment of cost of issuance of the Refunding Bonds, or some combination of deposits. Any excess proceeds of the Refunding Bonds not needed for the authorized purposes set forth herein for which the Refunding Bonds are being issued shall be transferred to the Debt Service Fund and applied to the payment of the Principal of and interest on the Refunding Bonds. If, after payment in full of the Refunding Bonds, there remain excess proceeds, any such excess amounts shall be transferred to the general fund of the District. Notwithstanding any of the foregoing, the provisions of this Section 12 as they relate to the dispersal and allocation of moneys on deposit in the debt service funds established for the Refunded Bonds collected to pay the interest and principal due on and after August 1, 2014, as applicable on the Refunded Bonds and the provisions of this Section 12 as they relate to the application of any premium received by the District from the sale of the Refunding Bonds may be amended by the Purchase Contract or the Official Statement so long as the transactions contemplated by such amendment are in compliance with the provisions of the Act.

The moneys in the Debt Service Fund, to the extent necessary to pay the principal of and interest on the Refunding Bonds as the same become due and payable, shall be transferred by the U.S. Bank National Association to the Paying Agent which, in turn, shall pay such moneys to DTC to pay the principal of and interest on the Refunding Bonds. DTC will thereupon make payments of principal and interest on the Refunding Bonds to the DTC Participants who will

thereupon make payments of principal and interest to the beneficial owners of the Refunding Bonds. Any moneys remaining in the Debt Service Fund after the Refunding Bonds and the interest thereon have been paid, or provision for such payment has been made, shall be transferred to the general fund of the District.

Except as required below to satisfy the requirements of Section 148(f) of the Internal Revenue Code of 1986, as amended (the "Code"), interest earned on the investment of monies held in the Debt Service Fund shall be retained in the Debt Service Fund and used to pay principal and interest on the Refunding Bonds when due.

SECTION 13. Rebate Fund. The following provisions shall apply to any Refunding Bonds issued as Tax-Exempt Refunding Bonds.

(a) The District shall create and establish a special fund designated the "San Bernardino City Unified School District, Election of 2012 General Obligation Refunding Bonds, Series A Rebate Fund" (the "Rebate Fund"). All amounts at any time on deposit in the Rebate Fund shall be held in trust, to the extent required to satisfy the requirement to make rebate payments to the United States (the "Rebate Requirement") pursuant to Section 148 of the Code, and the Treasury Regulations promulgated thereunder (the "Treasury Regulations"). Such amounts shall be free and clear of any lien hereunder and shall be governed by this Section and by the Tax Certificate to be executed by the District in connection with the Tax-Exempt Refunding Bonds (the "Tax Certificate").

(b) Within 45 days of the end of each fifth Bond Year (as such term is defined in the Tax Certificate), (1) the District shall calculate or cause to be calculated with respect to the Refunding Bonds the amount that would be considered the "rebate amount" within the meaning of Section 1.148-3 of the Treasury Regulations, using as the "computation date" for this purpose the end of such Bond Year, and (2) the District shall deposit to the Rebate Fund from amounts on deposit in the other funds established hereunder or from other District funds, if and to the extent required, amounts sufficient to cause the balance in the Rebate Fund to be equal to the "rebate amount" so calculated. The District shall not be required to deposit any amount to the Rebate Fund in accordance with the preceding sentence, if the amount on deposit in the Rebate Fund prior to the deposit required to be made under this subsection (b) equals or exceeds the "rebate amount" calculated in accordance with the preceding sentence. Such excess may be withdrawn from the Rebate Fund to the extent permitted under subsection (g) of this Section. The District shall not be required to calculate the "rebate amount" and shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b), with respect to all or a portion of the proceeds of the Refunding Bonds (including amounts treated as proceeds of the Refunding Bonds) (1) to the extent such proceeds satisfy the expenditure requirements of Section 148(f)(4)(B) or Section 148(f)(4)(C) of the Code or Section 1.148-7(d) of the Treasury Regulations, whichever is applicable, and otherwise qualify for the exception to the Rebate Requirement pursuant to whichever of said sections is applicable, (2) to the extent such proceeds are subject to an election by the District under Section 148(f)(4)(C)(vii) of the Code to pay a one

and one-half percent (1½%) penalty in lieu of arbitrage rebate in the event any of the percentage expenditure requirements of Section 148(f)(4)(C) are not satisfied, or (3) to the extent such proceeds qualify for the exception to arbitrage rebate under Section 148(f)(4)(A)(ii) of the Code for amounts in a “bona fide debt service fund.” In such event, and with respect to such amounts, the District shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b).

(c) Any funds remaining in the Rebate Fund after redemption of all the Refunding Bonds and any amounts described in paragraph (2) of subsection (d) of this Section, or provision made therefor satisfactory to the District, including accrued interest, shall be remitted to the District.

(d) Subject to the exceptions contained in subsection (b) of this Section to the requirement to calculate the “rebate amount” and make deposits to the Rebate Fund, the District shall pay to the United States, from amounts on deposit in the Rebate Fund,

(1) not later than 60 days after the end of (i) the fifth Bond Year, and (ii) each fifth Bond Year thereafter, an amount that, together with all previous rebate payments, is equal to at least 90% of the “rebate amount” calculated as of the end of such Bond Year in accordance with Section 1.148-3 of the Treasury Regulations; and

(2) not later than 60 days after the payment of all Refunding Bonds, an amount equal to 100% of the “rebate amount” calculated as of the date of such payment (and any income attributable to the “rebate amount” determined to be due and payable) in accordance with Section 1.148-3 of the Treasury Regulations.

(e) In the event that, prior to the time any payment is required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the District shall calculate (or have calculated) the amount of such deficiency and deposit an amount equal to such deficiency into the Rebate Fund prior to the time such payment is due.

(f) Each payment required to be made pursuant to subsection (d) of this Section shall be made to the Internal Revenue Service, on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, such form to be prepared or caused to be prepared by the District.

(g) In the event that immediately following the calculation required by subsection (b) of this Section, but prior to any deposit made under said subsection, the amount on deposit in the Rebate Fund exceeds the “rebate amount” calculated in accordance with said subsection, the District may withdraw the excess from the Rebate Fund and credit such excess to the Debt Service Fund.

(h) The District shall retain records of all determinations made hereunder until three years after the complete retirement of the Refunding Bonds.

(i) Notwithstanding anything in this Resolution to the contrary, the Rebate Requirement shall survive the payment in full or defeasance of the Refunding Bonds.

SECTION 14. Security for the Refunding Bonds. There shall be levied on all the taxable property in the District, in addition to all other taxes, a continuing direct ad valorem tax annually during the period the Refunding Bonds are outstanding in an amount sufficient to pay the principal of and interest on the Refunding Bonds when due, which moneys when collected will be placed in the Debt Service Fund of the District, which fund is irrevocably pledged for the payment of the principal of and interest on the Refunding Bonds when and as the same fall due. The District covenants to cause the County to take all actions necessary to levy such ad valorem tax in accordance with this Section 14 and Section 53559 of the Act.

SECTION 15. Arbitrage Covenant. The District will restrict the use of the proceeds of the Refunding Bonds in such manner and to such extent, if any, as may be necessary, so that the Refunding Bonds will not constitute arbitrage bonds under Section 148 of the Code and the applicable regulations prescribed under that Section or any predecessor section.

SECTION 16. Legislative Determinations. The Board determines that all acts and conditions necessary to be performed by the Board or to have been met precedent to and in the issuing of the Refunding Bonds in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Refunding Bonds have been performed and have been met, in regular and due form as required by law; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Refunding Bonds. Furthermore, the Board finds and determines pursuant to Section 53552 of the Act that the prudent management of the fiscal affairs of the District requires that it issue the Refunding Bonds without submitting the question of the issuance of the Refunding Bonds to a vote of the qualified electors of the District.

SECTION 17. Official Statement. The Preliminary Official Statement relating to the Refunding Bonds, substantially in the form on file with the Secretary to the Board is hereby approved and the Authorized Officers, each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deliver such Preliminary Official Statement to the Underwriters to be used in connection with the offering and sale of the Refunding Bonds. The Authorized Officers, each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deem the Preliminary Official Statement "final" pursuant to 15c2-12 of the Securities Exchange Act of 1934, prior to its distribution and to execute and deliver to the Underwriters a final Official Statement, substantially in the form of the Preliminary Official Statement, with such changes therein, deletions therefrom and modifications thereto as the Authorized Officer executing the same shall approve. The Underwriters are hereby authorized to distribute copies of the Preliminary Official Statement to persons who may be interested in the

purchase of the Refunding Bonds and are directed to deliver copies of any final Official Statement to the purchasers of the Refunding Bonds. Execution of the Official Statement shall conclusively evidence the District's approval of the Official Statement.

SECTION 18. Insurance. In the event the District purchases bond insurance for the Refunding Bonds, and to the extent that the Bond Insurer makes payment of the principal or interest on the Refunding Bonds, it shall become the Owner of such Refunding Bonds with the right to payment of principal or interest on the Refunding Bonds, and shall be fully subrogated to all of the Owners' rights, including the Owners' rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims that were past due interest components, the Paying Agent shall note the Bond Insurer's rights as subrogee on the registration books for the Refunding Bonds maintained by the Paying Agent upon receipt of a copy of the cancelled check issued by the Bond Insurer for the payment of such interest to the Owners of the Refunding Bonds, and (ii) in the case of subrogation as to claims for past due principal, the Paying Agent shall note the Bond Insurer as subrogee on the registration books for the Refunding Bonds maintained by the Paying Agent upon surrender of the Refunding Bonds by the Owners thereof to the Bond Insurer or the insurance trustee for the Bond Insurer.

SECTION 19. Defeasance. All or any portion of the outstanding maturities of the Refunding Bonds may be defeased prior to maturity in the following ways:

(a) Cash: by irrevocably depositing with an independent escrow agent selected by the District an amount of cash which together with amounts transferred from the Debt Service Fund is sufficient to pay and discharge all Refunding Bonds outstanding and designated for defeasance (including all principal and interest thereon and redemption premiums, if any) at or before their maturity date; or

(b) Government Obligations: by irrevocably depositing with an independent escrow agent selected by the District noncallable Government Obligations, together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant, together with interest to accrue thereon and moneys transferred from the Debt Service Fund together with the interest to accrue thereon, be fully sufficient to pay and discharge all Refunding Bonds outstanding and designated for defeasance (including all principal and interest represented thereby and prepayment premiums, if any) at or before their maturity date;

then, notwithstanding that any of such Refunding Bonds shall not have been surrendered for payment, all obligations of the District with respect to all such designated outstanding Refunding Bonds shall cease and terminate, except only the obligation of the Paying Agent or an independent escrow agent selected by the District to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section, to the Owners of such designated Refunding Bonds not so surrendered and paid all sums due with respect thereto.

For purposes of this Section, "Government Obligations" shall mean:

Direct and general obligations of the United States of America or obligations that are unconditionally guaranteed as to principal and interest by the United States of America (which may consist of obligations of the Resolution Funding Corporation that constitute strips), or “prerefunded” municipal obligations rated in the highest rating category by Moody’s Investors Service or Standard & Poor’s. In the case of direct and general obligations of the United States of America, Government Obligations shall include evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations. Investments in such proportionate interests must be limited to circumstances where (a) a bank or trust company acts as custodian and holds the underlying United States obligations; (b) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States obligations; and (c) the underlying United States obligations are held in a special account, segregated from the custodian’s general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; provided that such obligations are rated or assessed at least as high as direct and general obligations of the United States of America by either Standard & Poor’s or by Moody’s Investors Service.

SECTION 20. Other Actions, Determinations and Approvals.

(a) Officers of the Board, District officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Refunding Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

(b) The Board hereby finds and determines that both the total net interest cost to maturity on the Refunding Bonds plus the principal amount of the Refunding Bonds will be less than the total net interest cost to maturity on the Refunded Bonds plus the principal amount of the Refunded Bonds.

(c) The Board anticipates that the Refunded Bonds will be redeemed on or about August 1, 2014 which is the first optional redemption date of such series of Refunded Bonds following the issuance of the Refunding Bonds.

(d) The Board hereby appoints U.S. Bank National Association as escrow agent (the “Escrow Agent”) for the Refunding Bonds and approves the form of Escrow Agreement, by and between the District and the Escrow Agent on file with the Secretary to the Board. The Authorized Officers, each alone, are hereby authorized to execute the Escrow Agreement with such changes as they shall approve, such approval to be conclusively evidenced by either individual’s execution and delivery thereof.

(e) The Board hereby appoints Piper Jaffray & Co., as representative (the “Representative”) of itself, and De La Rosa & Co., Cabrera Capital Markets, LLC, and Siebert Brandford Shank & Co., LLC (collectively, the “Underwriters”), and Stradling Yocca Carlson & Rauth, a Professional Corporation, San Francisco, California, as bond counsel and disclosure counsel with respect to the issuance of the Refunding Bonds.

(f) The provisions of this Resolution may be amended by the Purchase Contract and the Official Statement; if the Purchase Contract so provides, the Refunding Bonds may be issued as crossover refunding bonds pursuant to Section 53558(b) of the Government Code.

SECTION 21. Resolution to Auditor-Controller/Treasurer/Tax Collector. The Secretary to this Board is hereby directed to provide a certified copy of this Resolution to the Auditor-Controller/Treasurer/Tax Collector of San Bernardino County immediately following its adoption.

SECTION 22. Continuing Disclosure. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of that certain Continuing Disclosure Certificate executed by the District and dated the date of issuance and delivery of the Refunding Bonds, as originally executed and as it may be amended from time to time in accordance with the terms thereof. Any Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Section. Noncompliance with this Section shall not result in acceleration of the Refunding Bonds.

SECTION 23. Effective Date. This Resolution shall take effect immediately upon its passage.

SECTION 24. Recitals. All the recitals in this Resolution above are true and correct and this Board so finds, determines and represents.

SECTION 25. Effective Date. This Resolution shall take effect immediately upon its passage.

BE IT RESOLVED that the Board of Education makes the following findings which exist:

WHEREAS, the Board of Education of the San Bernardino City Unified School District (District) originally awarded a contract for construction work for Bid No. F11-02D, Pacific High School Modernization, Sierra and San Andreas High School Schools Project to Pacwest Corp.;

WHEREAS, the District and Pacwest Corp. entered into a contract for the Project on or about March 21, 2012, and the Project is still not complete;

WHEREAS, due to Pacwest Corp.'s apparent failure to make progress to complete the Project per contract documents, on February 26, 2013, Pacwest Corp. was terminated for cause and demand was made, under Performance Bond No. 02404456, on its surety, The Ohio Casualty Insurance Company, to complete the Project;

WHEREAS, The Ohio Casualty Insurance Company has agreed to takeover Pacwest Corp.'s contract and complete the Project through the use of a completion contractor for the contract balance;

WHEREAS, District and The Ohio Casualty Insurance Company are still negotiating the District's extended costs for its consultants on the Project, but given the current state of the work and the uncertainty of the issues left unresolved by Pacwest Corp. at the Project, there is a need to complete all remaining work and any remedial and repair work as soon as possible;

WHEREAS, competitive bidding for the completion and repair work on the Project would cause unnecessary and further delays;

WHEREAS, Shore v. Central Contra Costa Sanitary District (1962) 208 Cal.App. 2d 465 and Garvey School District v. Paul (1920) 50 Cal.App. 75 holds that a contract for takeover work may be exempted from competitive bidding upon termination for cause of the original contractor; and

WHEREAS, the Board of Education approves by a majority of the vote, and pursuant to Education Code Section 17604 and similar statutes,

1. That the above recitals are true and correct.
2. That immediate completion and repair work on the Project is necessary to provide safe and adequate facilities.
3. That its work can be completed through a Takeover Agreement with The Ohio Casualty Insurance Company. When the District's extended costs are negotiated and finalized, the Takeover Agreement will be brought back to the Board for ratification.
4. That this Resolution shall be effective as of the date of its adoption.

BE IT FURTHER RESOLVED that the Board of Education authorizes Debra Love, Director, Purchasing Department, to execute any and all agreements and to complete all necessary documents to complete the Project, or to otherwise carry out the intent of this Resolution.

BE IT RESOLVED that the Board of Education makes the following findings which exist:

WHEREAS, on September 7, 2010, the Board of Education of the San Bernardino City Unified School District (District) awarded a contract for construction work for Bid No. F08-17, Group 11, Barton, Burbank, Emmerton, and Lankershim Elementary Schools Modernization Project, Category No. 03 - General Construction to Delmac Construction & Development, Inc.;

WHEREAS, due to Delmac Construction & Development, Inc.'s apparent failure to make progress to complete the Project per contract documents, on August 2, 2012, Delmac Construction & Development, Inc. was terminated for cause and demand was made, under Performance Bond No. 3321752, on its surety, Great American Insurance Company, to complete the Project;

WHEREAS, Great American Insurance Company has agreed to tender a completion contractor, HP Construction & Management, and pay the difference in price between HP's proposed price of \$678,799.58 and the contract balance of \$480,279.01, which is \$198,520.57;

WHEREAS, District and Great American Insurance Company are still negotiating the District's extended costs for its consultants on the Project, but given the current state of the work and the uncertainty of the issues left unresolved by Delmac Construction & Development, Inc. at the Project, there is a need to complete all remaining work and any remedial and repair work as soon as possible;

WHEREAS, competitive bidding for the completion and repair work on the Project would cause unnecessary and further delays;

WHEREAS, Shore v. Central Contra Costa Sanitary District (1962) 208 Cal.App. 2d 465 and Garvey School District v. Paul (1920) 50 Cal.App. 75 holds that a contract for takeover work may be exempted from competitive bidding upon termination for cause of the original contractor; and

WHEREAS, the Board of Education approves by a majority of the vote, and pursuant to Education Code Section 17604 and similar statutes:

1. That the above recitals are true and correct.

2. That immediate completion and repair work on the Project is necessary to provide safe and adequate facilities.
3. That its work can be completed through a Tender Agreement with Great American Insurance Company. When the District's extended costs are negotiated and finalized, the Tender Agreement will be brought back to the Board for ratification.
4. That a contract with the completion contract, HP Construction & Management, in the amount of \$678,799.58 is approved.
5. That this Resolution shall be effective as of the date of its adoption.

BE IT FURTHER RESOLVED that the Board of Education authorizes Debra Love, Director, Purchasing Department, to execute any and all agreements and to complete all necessary documents to complete the Project, or to otherwise carry out the intent of this Resolution.

FACTUAL FINDINGS

The San Bernardino City School District

1. The San Bernardino City Unified School District (the District) serves the educational needs of the community within the City of San Bernardino and a portion of the City of Highland. The District provides traditional educational services and instruction to students from preschool through 12th grades, along with various alternative and adult education programs. The District operates and maintains six comprehensive high schools, 10

middle schools, 45 elementary schools, three special education schools, one adult school, and three alternative programs. Ten schools within the District offer a Dual Immersion program in which students receive instruction and practice in the core curriculum in English and Spanish. The District provides Career Technical Education and Regional Occupational Program (ROP) courses that prepares students for: (1) entry-level employment, (2) higher-level skills due to new and changing technologies, and/or (3) enrollment in more advanced training programs consistent with local employment demands.

The District currently has an enrollment of approximately 50,000 students, making it the eighth largest school district in California. Enrollment is relatively stable.

The District employs about 2,700 certificated employees. The salaries and benefits of these and other District employees comprise about 85 percent of the District's annual expenditures. The District maintains a balanced budget and does not project a shortfall for the 2013-2014 school year. However, a federal school improvement program that provided \$19 million in annual funding, a great deal of which was used to fund salaries, terminates at the end of this year, which resulted in the need for an elimination or reduction in particular kinds of services being provided by the District.

2. The District is governed by an elected seven member Board of Education. Dale Marsden, Ed.D. is the Board's Chief Executive Officer and the Superintendent of Schools. Harold J. Vollkommer, Ed.D. is the Assistant Superintendent of Human Resources.

The Fiscal Crisis

3. Public schools rely on financing from the State of California. A school district cannot determine the level of state funding it will receive from the State of California until the state budget is chaptered, an event that is supposed to occur each year in late June. Before then, a school district's governing board, which has the duty to produce and file a balanced budget with the County Office of Education, must take steps to ensure that financial ends meet if the worst-case financial scenario develops.

California's economic problems have had a crippling impact on the San Bernardino City Unified School District and on most other public school districts. If the District cannot meet its financial obligations, the San Bernardino County Office of Education has the authority to intervene and take over the District's operations.

The District's Response

4. In response to the economic crisis, District administrators reviewed expenditures, programs, services and staffing. The District embarked upon a program to reduce its budget. The District reduced expenditures for supplies, conferences and administrative and staff positions. The District reluctantly concluded that it was also necessary to further trim expenditures by reducing or eliminating particular kinds of services that were being provided by credentialed employees.

Board of Education Meeting
May 7, 2013

5. On March 5, 2013, following a review of the budgetary situation and financial projections for the 2013-2014 school year, Superintendent Marsden recommended to the Board of Education that preliminary notices be given to a number of certificated employees to advise them that their services would not be required in the 2013-2014 school year and to give the reason for that recommendation.

6. On March 5, 2013, the Board adopted the following resolution:

WHEREAS, the Board of Education of the San Bernardino City Unified School District has determined that it is in the best interests of the District and the welfare of the schools and the pupils thereof that the particular kinds of services set forth herein must be reduced or discontinued due to financial conditions; and

WHEREAS, it is the opinion of the Board that because of the aforementioned reason, the number of certificated employees of the District must be reduced; and

WHEREAS, this reduction of regular certificated employees is not based upon reduction of average daily attendance during the past two years; and

WHEREAS, this Board has determined that due to a significant population of English language learners with specialized educational needs, a specific and compelling need exists to employ and retain certificated employees who have formal (not emergency) authorization to teach English Learner ("EL") students, as determined by the California Commission on Teacher Credentialing, and the special training and experience that comes therewith; and

WHEREAS, State law mandates that each failure to staff a classroom containing one or more EL students with a certificated employee possessing an appropriate EL authorization is "misassignment" subject to sanction by the County Superintendent of Schools; and

WHEREAS, compliance with the provisions of the No Child Left Behind Act ("NCLB"), the Williams Settlement, and Education Code section 44253.1 require that students be served by certificated employees with appropriate EL authorizations; and

Board of Education Meeting
 May 7, 2013

WHEREAS, the needs of the District and the students thereof should not and cannot be adequately served by concentrating EL students in particular classrooms in such a manner as to lessen the need for certificated employees with EL authorizations; and

WHEREAS, EL authorizations are not required for school counselors, nurses, psychologists; and

WHEREAS, Education Code section 44955(d) authorizes this Board to deviate from terminating a certificated employee in order of seniority for the above reasons, if necessary.

NOW, THEREFORE, BE IT RESOLVED by the Board of Education of the San Bernardino City Unified School District as follows:

A. That the particular kinds of services set forth below be reduced or eliminated commencing in the 2013-2014 school year:

Elementary (Trans. Kindergarten – 6) Teaching Services	98	F.T.E.
High School Counselor Services	6	F.T.E.
High School Math Teaching Services	10	F.T.E.
High School English Teaching Services	17	F.T.E.
High School Social Studies Teaching Services	6	F.T.E.
High School Physical Science Teaching Services	1	F.T.E.
High School Biology Teaching Services	4	F.T.E.
High School Chemistry Teaching Services	2	F.T.E.
High School Physical Education Teaching Services	2	F.T.E.
High School Spanish Teaching Services	1	F.T.E.
High School Construction/Trades Building Teaching Services	1	F.T.E.
Secondary Music Teaching Services	1	F.T.E.
Middle School Math Teaching Services	3	F.T.E.
Middle School English Teaching Services	5	F.T.E.
Middle School Social Studies Teaching Services	3	F.T.E.
Middle School Science Teaching Services	2	F.T.E.
Middle School Spanish Teaching Services	1	F.T.E.
Middle School Physical Education Teaching Services	3	F.T.E.
Total Certificated Positions	166	F.T.E.

B. That due to the reduction or elimination of particular kinds of services, the corresponding number of certificated employees of the District shall be terminated pursuant to Education Code section 44955.

C. That the reduction of certificated staff be achieved by the termination of regular employees and not by terminating temporary and substitute employees.

D. That “competency” as described in Education Code section 44955(b) for the purposes of bumping shall necessarily include: (1) possession of a valid credential in the relevant subject matter area; (2) for bumping a holder of a Single Subject credential in a departmentalized course in grades 7-12, an equivalent Single Subject credential authorizing service in all grades 7-12; (3) “highly qualified” status under the No Child Left Behind Act in the area to be assigned (if required by the position); and (4) an appropriate (not emergency) EL authorization (if required by the position).

E. That, as between certificated employees, with the same seniority date, the order of termination shall be determined solely by Board-adopted criteria.

F. That the District Superintendent or designee is directed to initiate layoff procedures and give appropriate notice pursuant to Education Code sections 44955 and 44949.

The Particular Kinds of Services

7. The services identified in this resolution were the kinds of services that could be reduced under the Education Code.

The Board’s passing of the resolution was neither arbitrary nor capricious. Its enactment was well within the Board’s discretion; no particular kind of service was lowered to a level below that mandated by state or federal law and the enactment of the resolution related solely to the economic situation and the Board’s duty to balance the budget. It was, to that extent, in the best interest of the District and the students thereof.

The District’s Seniority List

8. The District maintains a seniority list, a constantly evolving document that is updated as new certificated employees are hired and as other certificated employees retire,

resign or otherwise become separated from District service. The District's seniority list is a spreadsheet that is organized from the District's most senior certificated employee to the most recently hired certificated employee. The list contains each employee's seniority number, name, seniority date, tie-breaking number when appropriate, contract status (tenured, probationary, or intern), position, subject matter taught, type(s) of credential, credential status, and the date of the credential's expiration.

9. In December 2012, the District's staff began a laborious review of the seniority list to make certain it was correct. A copy of the list was sent to the San Bernardino Teachers Association with a request that the list be provided to all members for review. During the course of the review, it was discovered that the seniority list provided an original seniority date for several employees who had resigned from employment with the District and thereafter returned to employment following their resignation, rather than setting forth a new seniority date based on the date of their return to employment. The seniority list was amended to provide these employees with a seniority date consistent with their most recent date of hire, as required under Education Code section 44848. The employment status of those employees whose seniority date were changed as a result of the discovery of this error is not affected in this reduction in force proceeding. Whenever any error was discovered and whenever any new information came to light that affected the seniority list, the seniority list was revised. The updated seniority list was used thereafter to determine who should and should not receive a preliminary layoff notice.

Tie-Breaking Criteria

10. On March 5, 2013, the Board also adopted the following tie-breaking resolution:

WHEREAS, Education Code section 44955, subsection (b), related to certificated layoffs, provides in relevant part, "[a]s between employees who first rendered paid service to the district on the same date, the governing board shall determine the order of termination solely on the basis of need of the district and the students thereof;"

NOW, THEREFORE, BE IT RESOLVED that based upon the needs of the District and the students thereof, in the event of a certificated layoff the following criteria shall be applied in order based on information on file as of February 1, one step at a time until the tie is broken, to resolve ties in seniority between certificated employees:

1. Highly Qualified Status under NCLB in area of assignment.

10. Total number of supplementary authorizations in different subject areas.
11. Number of years of credentialed teaching experience prior to employment with District, as indicated by initial salary schedule placement.
12. Possession of a Masters Degree, earliest date prevails.
13. Total number of post-secondary credits on file with the District by February 1.
14. If ties cannot be broken by using the above criteria then order of seniority shall be determined by a random drawing among employees in the individual tie.

The Issuance of Preliminary Layoff Notices/Jurisdictional Documents

11. Using the updated seniority list, the aforementioned resolution related to the termination or reduction of particular kinds of services, the tie-breaking resolution, and considering all positive attrition, the District's administrative staff identified those employees who should receive preliminary layoff notices and those who should not. Whenever an employee providing a particular kind of service that was being eliminated or reduced was identified as being in line to receive a preliminary layoff notice due to a lack of seniority, that

employee's seniority and credentials were carefully examined to determine whether that employee had the seniority and credentials to "bump" a junior employee and assume the position that was being held by the more junior employee.

Bumping

12. The District prepared a "bump analysis" and a tie-breaker matrix to confirm that an employee believed to be subject to receipt of a preliminary layoff notice as a result of the elimination or reduction of the particular kind of service that employee was providing could not bump a more junior employee. If the employee held the seniority, credential and competency to bump into a position being held by another, that employee "bumped" the more junior employee. Thereafter, the more junior employee's seniority, credential and competency were evaluated to determine if that employee could, in the same fashion, "bump" into a position that was being held by an employee who was even less senior.

Service of Preliminary Layoff Notices and Notices of Hearing

13. The District timely served preliminary layoff notices on 161 certificated employees and precautionary layoff notices on seven other certificated employees, each of whom was served with an Accusation, Statement to Respondent, blank Notice of Defense forms, and relevant sections of the Education Code and Government Code.

Thereafter, the District timely served all respondents with a Notice of Hearing, setting the hearing in the reduction in force proceeding for April 18, 2013, to commence at 9:00 a.m., at the San Bernardino High School auditorium in San Bernardino, California.

The Administrative Hearing

14. On April 18, 2013, the record in the reduction in force proceeding was opened.

Jurisdictional documents were introduced; the caption was amended to delete any reference to an accusation; opening comments were waived; a written stipulation concerning jurisdictional and evidentiary matters was received and marked as ALJ 1; a stipulation regarding the receipt of the District's exhibits was received; sworn testimony related to the District's operations and the reduction in force proceeding was given by Assistant Superintendent Vollkommer; and documentary evidence was provided. Among other matters, Dr. Vollkommer testified that the District made an error by failing to serve one probationary employee with a preliminary layoff notice due to District staff's mistaken belief that the employee would receive a notice of non-election, an event that did not occur. To correct this mistake and preserve the right of the most senior employee impacted by this mistake to retain employment, the District rescinded and withdrew the preliminarily layoff notices served upon Mary Bell Van Der Noord and others be dismissed, to which there was no objection. The rescission of these notices was based on each individual's right to employment based upon that employee's seniority, credentials and competence as defined in the resolution. These employees were not included in the final layoff list that is set forth in the recommendation that follows. Following the taking of

evidence, closing comments were given; the record was closed; and the matter was submitted.

The Reduction in Force Proceeding

15. The Board of Education's enactment of the resolution related to the termination or reduction of particular kinds of services was the result of a budgetary situation; it was enacted in good faith; the tie-breaking criteria were reasonable and were applied in an evenhanded manner; and enacting the resolution was in the best interest of the District and its students based on all the circumstances. The District used seniority and credentials as the basis for "bumping" and retaining the services of the most senior, appropriately credentialed employees. No junior employee was retained to provide services that a more senior, competent employee could provide. The District complied with all jurisdictional requirements.

LEGAL CONCLUSIONS

Statutory Authority - Reduction in Force Proceedings

1. Education Code section 44949 provides in part:
 - (a) No later than March 15 and before an employee is given notice by the governing board that his or her services will not be required for the ensuing year for the reasons specified in Section 44955, the governing board and the employee shall be given written notice by the superintendent of the district or his or her designee . . . that it has been recommended that the notice be given to the employee, and stating the reasons therefor.

[¶] . . . [¶]
 - (b) The employee may request a hearing to determine if there is cause for not reemploying him or her for the ensuing year. A request for a hearing shall be in writing and shall be delivered to the person who sent the notice pursuant to subdivision (a), on or before a date specified in that subdivision, which shall not be less than seven days after the date on which the notice is served upon the employee. If an employee fails to request a hearing on or before the date specified, his or her failure to do so shall constitute his or her waiver of his or her right to a hearing . . .
 - (c) In the event a hearing is requested by the employee, the proceeding shall be conducted and a decision made in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code and the

Board of Education Meeting

governing board shall have all the power granted to an agency therein, except that all of the following shall apply:

(1) The respondent shall file his or her notice of defense, if any, within five days after service upon him or her of the accusation and he or she shall be notified of this five-day period for filing in the accusation.

(2) The discovery authorized by Section 11507.6 of the Government Code shall be available only if request is made therefor within 15 days after service of the accusation, and the notice required by Section 11505 of the Government Code shall so indicate.

(3) The hearing shall be conducted by an administrative law judge who shall prepare a proposed decision, containing findings of fact and a determination as to whether the charges sustained by the evidence are related to the welfare of the schools and the pupils thereof. The proposed decision shall be prepared for the governing board and shall contain a determination as to the sufficiency of the cause and a recommendation as to disposition. However, the governing board shall make the final determination as to the sufficiency of the cause and disposition. None of the findings, recommendations, or determinations contained in the proposed decision prepared by the administrative law judge shall be binding on the governing board. Nonsubstantive procedural errors committed by the school district or governing board of the school district shall not constitute cause for dismissing the charges unless the errors are prejudicial errors. Copies of the proposed decision shall be submitted to the governing board and to the employee on or before May 7 of the year in which the proceeding is commenced. All expenses of the hearing, including the cost of the administrative law judge, shall be paid by the governing board from the district funds . . .

(d) Any notice or request shall be deemed sufficient when it is delivered in person to the employee to whom it is directed, or when it is deposited in the United States registered mail, postage prepaid and addressed to the last known address of the employee. . . .

(e) If after request for hearing pursuant to subdivision (b) any continuance is granted pursuant to Section 11524 of the Government Code, the dates prescribed in subdivision (c) which

occur on or after the date of granting the continuance and the date prescribed in subdivision (c) of Section 44955 which occurs after the date of granting the continuance shall be extended for a period of time equal to the continuance.

2. Education Code section 44955 provides in part:

(a) No permanent employee shall be deprived of his or her position for causes other than those specified . . . and no probationary employee shall be deprived of his or her position for cause other than as specified . . .

(b) Whenever . . . a particular kind of service is to be reduced or discontinued not later than the beginning of the following school year . . . and when in the opinion of the governing board of the district it shall have become necessary by reason of any of these conditions to decrease the number of permanent employees in the district, the governing board may terminate the services of not more than a corresponding percentage of the certificated employees of the district, permanent as well as probationary, at the close of the school year. Except as otherwise provided by statute, the services of no permanent employee may be terminated under the provisions of this section while any probationary employee, or any other employee with less seniority, is retained to render a service which said permanent employee is certificated and competent to render . . .

As between employees who first rendered paid service to the district on the same date, the governing board shall determine the order of termination solely on the basis of needs of the district and the students thereof. Upon the request of any employee whose order of termination is so determined, the governing board shall furnish in writing no later than five days prior to the commencement of the hearing held in accordance with Section 44949, a statement of the specific criteria used in determining the order of termination and the application of the criteria in ranking each employee relative to the other employees in the group. This requirement that the governing board provide, on request, a written statement of reasons for determining the order of termination shall not be interpreted to give affected employees any legal right or interest that would not exist without such a requirement.

(c) Notice of such termination of services shall be given before the 15th of May in the manner prescribed in Section 44949, and

services of such employees shall be terminated in the inverse of the order in which they were employed, as determined by the board in accordance with the provisions of Sections 44844 and 44845. In the event that a permanent or probationary employee is not given the notices and a right to a hearing as provided for in Section 44949, he or she shall be deemed reemployed for the ensuing school year.

The governing board shall make assignments and reassignments in such a manner that employees shall be retained to render any service which their seniority and qualifications entitle them to render. However, prior to assigning or reassigning any certificated employee to teach a subject which he or she has not previously taught, and for which he or she does not have a teaching credential or which is not within the employee's major area of postsecondary study or the equivalent thereof, the governing board shall require the employee to pass a subject matter competency test in the appropriate subject.

(d) Notwithstanding subdivision (b), a school district may deviate from terminating a certificated employee in order of seniority for either of the following reasons:

(1) The district demonstrates a specific need for personnel to teach a specific course or course of study, or to provide services authorized by a services credential with a specialization in either pupil personnel services or health for a school nurse, and that the certificated employee has special training and experience necessary to teach that course or course of study or to provide those services, which others with more seniority do not possess.

(2) For purposes of maintaining or achieving compliance with constitutional requirements related to equal protection of the laws.

Jurisdiction

3. Jurisdiction in this matter exists under Education Code sections 44949 and 44955. All notices and jurisdictional requirements contained in those sections were satisfied as to all respondents.

The Reduction of Particular Kinds of Services

4. A school board may determine whether a particular kind of service should be reduced or discontinued, and it cannot be concluded that the governing board acted unfairly

or improperly simply because it made a decision it was empowered to make. (*Rutherford v. Board of Trustees* (1976) 64 Cal.App.3d 167, 174.) A school board's decision to reduce or discontinue a particular kind of service need not be tied in with any statistical computation. It is within the discretion of a school board to determine the amount by which it will reduce or discontinue a particular kind of service as long as the school district does not reduce a service below the level required by law. (*San Jose Teachers Assn. v. Allen* (1983) 144 Cal.App.3d 627, 635-636.)

5. A preliminary notice that provides designations of categories of services that are to be reduced or eliminated but does not identify the specific positions subject to the notice is sufficient if it specifies the statutory grounds. The failure to identify specific positions subject to reduction or elimination is not fatal. Since the March 15 notice is only the initial step in the termination process, it is not required that it specify the precise number of teachers to be terminated or the specific positions to be eliminated. The specific positions to be eliminated need not be identified. (*San Jose Teachers Assn. v. Allen, supra*, at p. 632.)

Seniority, Bumping, Skipping

6. Seniority: Under Education Code section 44845, seniority is determined by the date a certificated employee "first rendered paid service in a probationary position."

7. Education Code section 44846 provides in part: "The governing board shall have power and it shall be its duty to correct any errors discovered from time to time in its records showing the order of employment."

8. The Statutory Scheme: Education Code section 44955, the economic layoff statute, provides in subdivision (b), in part:

Except as otherwise provided by statute, the services of no permanent employee may be terminated under the provisions of this section while . . . any other employee with less seniority, is retained to render a service which said permanent employee is certificated and competent to render.

Essentially this statutory language provides "bumping" rights for senior certificated and competent employees, and "skipping" authority to retain junior employees who are certificated and competent to render services which more senior employees are not.

9. Bumping: The district has an obligation under Section 44955, subdivision (b), to determine whether any permanent employee whose employment is to be terminated in an economic layoff possesses the seniority and qualifications which would entitle him/her to be assigned to another position. (*Bledsoe v. Biggs Unified School Dist.* (2008) 170 Cal.App.4th 127, 136-137.)

Cause Exists to Give Notice to Certain Employees

10. As a result of the Board of Education's lawful elimination and reduction of particular kinds of service, cause exists under the Education Code to authorize the District to give final notice to those respondents who are identified hereafter that their employment will be terminated at the close of the current school year and that their services will not be needed by the District for the 2013-2014 school year.

Determination

11. The charges that were alleged in this layoff proceeding were sustained by a preponderance of the evidence. The District's rescission and withdrawal of the preliminary layoff notices served on several employees who were entitled to retain their employment status as a result of their seniority, credentials and competence under the applicable resolutions was ratified. The Board of Education's enactment of the resolutions applicable in this reduction in force proceeding was related to the welfare of the District and its pupils as a result of budgetary circumstances. The District made necessary assignments and reassignments in such a manner that the most senior credentialed employees were retained to render services that their seniority and qualifications entitled them to provide.
