President Tillman called the meeting to order at 5:30 p.m.

SESSION TWO – Other Matters Brought by Citizens

2.0 - Other Matters Brought by Citizens

Danny Tillman announced that this is a special meeting because we just received information from the state and some action made need to be taken. The Board hasn't had a chance to have a plan yet.

Dr. Delgado stated that this is new information for the Board. The Board didn't know about this before the last meeting. The state used a different formula, and we were surprised and caught off guard. This gives us time to look at all of our options. Ed Code requires us to give notice to certificated employees. The new plan affects the administration at the schools.

Rosemary Hyder reported that the Rio Vista Elementary School staff was alarmed about the reassignment of their principal Charles Brown. There is no one better fit than Mr. Brown. He is a former student and a good role model. The community believes he is responsible for their growth. He is trusted by parents and the community.

President Tillman thanked Ms. Hyder and the staff for coming out and showing their support for Mr. Brown and Rio Vista Elementary School. Mr. Tillman stated that there will be no action to remove anyone tonight. This is only to give the Board the opportunity to make changes, if necessary.
