California Education Code Section 41500 specifies that the governing boards of school districts may expend in a fiscal year up to 15 percent of the amount apportioned for the block grant set forth under Education Code Section 41500 for any other programs for which the school district is eligible for funding, including programs whose funding is not included in any of the block grants established under this code section. Before a school district or county office of education may
expend the funds, it is required to discuss the matter at a noticed public meeting. The transfer of these funds is intended to enhance the development of District programs to more fully meet the goals of the District and the needs of our students.

This public hearing is being held to enable additional input by parents, teachers, members of the community, and bargaining union leaders in order to comply with Education Code 41500.

President Parra opened the public hearing and asked if anyone wished to comment. Lynda Savage stated that she has heard we will receive more categorical funding. Mohammad Islam stated that we received more than we had planned on. Hearing no further comment, Mrs. Parra closed the public hearing.

Upon motion by Member Tillman, seconded by Member Brown, and approved by the affirmative vote of Members Ayala, Brown, Parra, Penman, Savage, Tillman, and Valdez (Noes: None), the following was adopted:
