

Naming Schools Facilities, and Teams, and Use of Mascots, Images, or Logos

The naming of a school will take place in the following manner:

- A. The superintendent will select a committee of, whose purpose it will be to submit to the board a list of not less than three, nor more than five, names for the new school. The list shall briefly state, along with each name, why the committee nominated each name. The committee may solicit nominations from students and the community.
- B. The committee will, whenever possible, follow these guidelines:
 1. Each name will be known to, and significant to, the people of the district.
 2. The names submitted will not conflict with the names of other schools in the district or surrounding districts; and
 3. The use of names of living persons shall be avoided unless circumstances warrant an exception.
- C. The board will select the name of the new facility from the list or direct the superintendent to continue the process. In recognition of the efforts of those involved in the project, a plaque containing the following information shall be attached to a new building:
 1. School and/or facilities name;
 2. Board-approved construction date;
 3. Completion or dedication date;
 4. Name of board members as of the board-approved construction date in the following order:
 - a. President
 - b. Vice President; and
 - c. Members (alphabetically)
 5. Superintendent as of board-approved construction date; and
 6. Architect and contractor names.

Formal dedication of the facility shall take place on a date and time specified by the board.

The naming of teams and the designation of mascots images and logos are subject to the following limitations:

New school or team mascots, logos, or images will not be Native American names, symbols, or images.
