

ACCEPT SCENARIO

Step 5a. To accept a placement, click “Accept” and “Submit”. If you have been selected by multiple programs, you may only accept one placement. Once you accept a placement, all other offers will be declined.

The screenshot shows a parent dashboard with a navigation bar (Dashboard, Parent, Student, Application) and a main content area. A message states: "Below are the programs offered for Maurice that need to be accepted or declined." A profile card for Maurice (Grade: 08, loadrunner) is shown. An "Important Note" states: "You may only accept one program for your child. Please accept or decline your child's program offer(s) below by the April 5, 2019 deadline. All declines are final. This means you will not be able to enroll in the declined program, and if your child was selected to attend a magnet, your child's magnet application will lose any priority points. If you are waitlisted, no action is required at this time. A representative from the school(s) will contact you directly if a seat becomes available. Your child's name will remain on a waiting list regardless of whether or not you accept or decline another program." Below this is an "Action" table:

At the bottom of the dashboard, there are "Back" and "Submit" buttons. The "Submit" button is circled in red.

Step 5b. Please note that all accept or decline decisions are final. You must confirm your acceptance to proceed.

The screenshot shows a confirmation dialog box titled "Confirmation to Accept or Decline" overlaid on the dashboard. The dialog contains the text: "I understand that my decision to Accept or Decline the program placement is considered final. No changes are allowed once I confirm my decision." At the bottom of the dialog are "Confirm" and "Cancel" buttons. The "Confirm" button is circled in red.
