

**Step 5c.** After you confirm, you will receive a congratulations message and confirmation email.

The screenshot shows the LAUSD Parent Dashboard. At the top, there are navigation tabs for Dashboard, Parent, Student, and Application. Below the navigation, there is a welcome message and links for My Favorites, My Actions (8), and My Messages. On the left, a student profile card for Maurice is shown, indicating he is in Grade 08 and is a loadrunner. The main content area displays a congratulatory message for Dorsey HS (Science/Technology/Math) and lists declined schools (ACS - Boys Academic Leadership Academy of Los Angeles) and schools on the waiting list (PWT - TAFT CHS). A red oval highlights the congratulatory message. A Next button is located at the bottom right of the dashboard.

If you have any questions regarding your child's selection, you may call the school at the number listed on your letter or you may call the Choices Support Line at (213) 241-4177.
