April 2023 Newsletter

Spring has arrived, and the flowers and trees are not the only things blooming! Our students are also growing and blossoming in so many ways. It is an honor and a blessing for us to observe and participate in their development this year.

Beginning Monday, April 17, the children may wear their summer uniforms. The summer uniform consists of the OLGC shorts and t-shirt. Skorts have officially been phased out of the uniform line up, but if you happen to have one, your daughter may wear it as part of the **summer** uniform through the end of this school year. Tights and leggings should NOT be worn underneath the skort. Closed-toe shoes are required (no sandals or Crocs). Keep in mind that classes are on the playground as early as 9:00 a.m. so please dress your child appropriately for the weather!

We appreciate your timeliness at morning arrival and afternoon dismissal. Please remember that school begins at 8:00 a.m. As a courtesy for those who may be caught up in the big school drop-off or unexpected traffic, we do not start marking children tardy until 8:10. Arrivals after that time are considered tardy. If you know that your child will be arriving late, please send us an email so that we do not delete your child from the lunch list!

Thank you for your generous donations of eggs for our Egg Hunt. We are looking forward to this fun event!

What am I learning during Circle Time?

- I am practicing social skills such as taking turns, listening to others, and sitting still.
- I am learning to pay attention and focus for longer periods of time.
- My language skills are developing through stories and songs.
- I am learning to express my ideas and make relevant contributions to group discussions.
