

STUDENT DRESS CODE

Research has indicated that there is a distinct relationship between students' attire and their classroom behavior, attitude and achievement. A dress code which prevents a student's appearance from distracting the important business of learning is enforced. Teachers will make a personal appearance check of their students each day. Any attire deemed inappropriate will be called to the attention of both the student and parent, and then the student will be referred to the office to make arrangements for a change of clothing. Failure to secure proper clothing may result in In-School Suspension.

- Shirts / blouses must be buttoned, snapped or zipped to prevent mid-section / chest from showing.
- Pants must be worn at natural waist.
- Shoes must be worn at all times (tied, buckled or otherwise secured to feet). Tennis type shoes are recommended for PE class.
- Halter tops, muscle shirts or tank top are not permitted.
- Girls' skirts should not be shorter than two inches above the top of knee.
- Shorts should be walking length.
- Sunglasses are not permitted except by a doctor's prescription.
- Hats and caps are not permitted to be worn in the building.

Clothing should not be advertising alcohol, tobacco, satanic cults, promote violence or display vulgar language. Jeans should not be spot-bleached, tie-dyed, patched, unhemmed or have holes in them. The student dress code will apply for all school activities such as field trips or PTO.
