Konbyen tan ou fè atis?

Mwen te fè atis depi mwen ka sonje. Lè mwen te piti mwen te toujou renmen lide pou fè tou sa mwen te kapab imajine. Lè sa a, mwen pa janm panse mwen ta toujou ap fè atizay jodi a men mwen tèlman kontan mwen swiv pasyon mwen an.

Ki sa ki enspire ou?

Anpil bagay enspire atis mwen an. Papa m gen alzayme e mwen eksprime eksperyans lavi mwen atravè atizay mwen ak karaktè mwen. Kòm yon moun nwa keer, pafwa li vrèman difisil pou jwenn reprezentasyon, kidonk mwen fè istwa ak karaktè mwen tankou mwen ak anpil lòt moun ki bezwen reprezentasyon.

Kiyès atis ou pi renmen yo?

Plizyè atis enspire m epi fè m santi m apa nan yon kominate chak fwa mwen louvri Instagram. Sou Insta mwen swiv @cherrysart @meicrosoft @laproxie @marsoids ak anpil lòt! Ki gen ladan mwen! @starrylaughter2

Ki kalite atizay ou pi renmen fè?

Kalite atizay mwen pi renmen fè se ilistrasyon, konsepsyon karaktè ak woman grafik.

Èske w gen plan pou pouswiv atis apre gradyasyon?

Mwen fè plan pou pouswiv atis apre lekòl segondè. Mwen te fè yon eksepsyon nan Invèsite Lesley ak pwogram ilistrasyon an! Mwen pa ka tann pou m wè ki kote pwochen etap sa a nan lavi mennen m '. Mwen vle fè moun souri.

Anvi wè plis travay atistik elèv etonan?

Lè sa a, vizite nouvo galri atizay sou entènèt nou an sou sit entènèt MPS la! Ou ka jwenn paj galri yo anba FINE ARTS oswa nan seksyon ELÈV AK FANMI pou chak lekòl. vizite www.mps02155.org pou tcheke li!

ART HISTORY ALMA THOMAS

"Through color, I have sought to concentrate on beauty and happiness, rather than on man's inhumanity to man."

20TH CENTURY PAINTER 1891-1978

Alma Thomas went to Howard University as one of the first students to major in their fine arts program in 1920.

After producing with her bachelors degree, she pursued her career in art education for the next 35 years. During those years she often lead art initiatives for black youth and also increase diversity and community with adult artists.

She started taking her painting career more seriously in 1960. She was devoted to using color in her art to have canvases full of beauty and happiness, rather than man's inhumanity to man, she says.

Alma Thomas was a force of encouragement, inspiration, and growth. The impact she had on black women artists is immeasurable and her legacy will truly never be forgotten.
