### **William Floyd School District Athletic Department**

Our department provides interscholastic athletic opportunities for students in grades 7 through 12. The athletic program fields 64 teams in 18 different sports. More than 1,000 students participate in the program at the middle and high school levels. Our athletic program supports the academic mission of our school district. It is not a diversion but rather an extension of our educational program. Through our athletic program, students will learn teamwork, sportsmanship, winning and losing, hard work, self-discipline, build self-confidence and develop skills to handle competitive situations, and acquire the skills and knowledge to live healthy lifestyles through their continued sports participation. There are three sport seasons (fall, winter, and spring) in which student-athletes can compete. Equal opportunities for participation are available for all student-athletes during each of the seasons.
