Dr. JoNe Bourassa – Enrichment Coach

May 8, 2020

Dear West Laurens Middle School Families,

No new assignments will be given after Friday, May 8 for the 2019-2020 school year. Students are encouraged to continue working on existing assignments through the last day on the school calendar, Thursday, May 21. Students should also continue reading throughout May and over the upcoming Summer break.

Our teachers will remain available through Remind and email, so please continue to contact them with any questions and concerns. While the WLMS is not open to the public, you can contact the office by phone anytime, Monday thru Friday between 9am and 3pm.

The lowest grade any student will receive in quarter 4 will be an average of their grades for the first 3 nine weeks. If students have done well and completed assignments in the 4th nine weeks, teachers can improve a student's quarter 4 grade at their own discretion. Final grades will be available electronically through the ASPEN portal on May 26.

Paper packets for academic classes can be mailed to the school or placed in the school mailbox outside the main entrance anytime Monday thru Friday between 9am and 3pm. These will be collected each day and forwarded to our teachers for review prior to finalizing grades for the 4th 9-weeks.

Dates for field trip refunds, Chromebook returns, report cards pick-ups, and yearbook pick-ups have not been determined at this time; however, those dates will be published in the coming weeks after the shelter-in-place order is lifted and the District determines it is safe to do so.

While we are saddened that our students will miss end of the year activities in 2019-2020, we are hopeful and excited about 2020-2021. Again, please feel free to contact me directly at any time with any questions or concerns at reedwaldrep@lcboe.net or 478-272-1201. Go Raiders!

Sincerely,

S. Reed Waldrep
Reed Waldrep, Principal
