The **Policyholder** will report to **Us** within a reasonable time all changes in information regarding an **Insured**. Any action must commence within three (3) years, (five (5) years in Kansas and Tennessee; and six (6) years in South Carolina and Wisconsin) of the date the written proof of **Covered Loss** was required to be submitted. **CALIFORNIA HEALTH INSURANCE
GUARANTY ASSOCIATION ACT
NOTICE CONCERNING GENERAL PURPOSES
AND COVERAGE LIMITATIONS**

Residents of California who purchase health insurance should know that the insurance companies licensed in this state to write this type of insurance are members of the California Health Insurance Guaranty Association. The purpose of this Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however, as noted in the box below.

The California Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in California. You should not rely on coverage by the California Health Insurance Guaranty Association in selecting an insurance company or an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or which is excluded from coverage.

Insurance companies or their agents are required by law to give or send you this notice. *However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.*

Policyholders with additional questions may contact:

The California Health Insurance Guaranty Association

The state law that provides for this safety-net coverage is called the California Health Insurance Guaranty Association Act. On the next page is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Association.

(please turn to back of page)

COVERAGE

Generally, individuals will be protected by the California Health Insurance Guaranty Association if they live in this state and are insured under a health insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this Association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy was issued by a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, a non-profit hospital service plan, or a health care service plan.

The Association also does not provide coverage for:

- any policy or portion of a policy which is not covered by the insurer or for which the individual has assumed the risk;
- any policy of reinsurance (unless an assumption certificate was issued);
- any plan or program of an employer or association that provides health benefits to its employees or members to the extent the plan is self-funded or uninsured.

LIMITS ON AMOUNT OF COVERAGE

The Act also limits the amount the Association is obligated to pay: The Association is not liable to pay in excess of the lesser of (1) the contractual obligations for which the insurer is liable or for which the insurer would have been liable if it were not an impaired or insolvent insurer, or (2) \$200,000 in health insurance benefits, increased or decreased annually based upon changes in the health care cost component of the consumer price index.

PREMIUM SURCHARGE

Member insurers are required to recoup assessments paid to the Association by way of a surcharge on premiums charged for insurance policies to which the Act applies.

ZURICH[®]

Domestic Partner Endorsement

ZURICH AMERICAN INSURANCE COMPANY

1400 American Lane
Schaumburg, Illinois 60196

THIS ENDORSEMENT CHANGES THE POLICY/CERTIFICATE. PLEASE READ IT CAREFULLY.

This endorsement modifies insurance provided under the San Bernardino City Unified School District Policy/Certificate.

It is hereby understood and agreed that the following changes are made and incorporated into the Policy/Certificate:

PURPOSE:

California law requires that insurers offer coverage to parties to a domestic partnership that is equivalent to coverage provided to spouses. To that end, California has made certain changes to its law as it relates to domestic partners. This endorsement is part of and amends the policy, contract or certificate to comply with California law.

DEFINITIONS:

The definition of **Domestic Partner** as found in the policy, contract, certificate and/or riders and endorsements to which this mandatory endorsement is attached is hereby amended and replaced with the following:

Domestic Partner means a person who qualifies as a domestic partner under the law of the State of California. A domestic partnership is established between the **Domestic Partner** and the **Insured** when both persons file a Declaration of Domestic Partnership with the Secretary of State pursuant to the California Family Code or an equivalent document issued by a local agency of California, another state, or a local agency of another state under which the domestic partnership was created.

To be active, the **Insured** will not have completed a Termination of Domestic Partner status form with respect to the **Domestic Partner** who is to be covered under the **Policy**.

CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE:

California law grants parties to a domestic partnership the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a domestic partnership. For example, the Employee Retirement Income Security Act of 1974, a federal law known as "ERISA" controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a domestic partner in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a domestic partner if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under "COBRA" for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a domestic partnership and their families may or may not have access to certain benefits under the policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under the contract.

Except for the above, this endorsement does not vary, alter, waive, or extend any of the terms of the **Policy/Certificate** to which it is attached.

This endorsement modifies insurance provided under the Group Accident Policy/Certificate.

It is hereby understood and agreed that the following changes are made and incorporated into the **Policy/Certificate**.

**NOTICE OF PROTECTION PROVIDED BY
CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION**

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association ("the Association"). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers' care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations or the rights or obligations of the Association.

COVERAGE

• **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

• **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

• **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

• **Life Insurance**

80% of death benefits but not to exceed \$300,000

80% of cash surrender or withdrawal values but not to exceed \$100,000

• **Annuities and Structured Settlement Annuities**

80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for *all* life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

• **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of April 1, 2011, is \$470,125. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer.

COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state.
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare Part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).
